REPORT SUMMARY/COVER PAGE

PURPOSE OF REPORT/SUMMARY:
Scheme update presentation for information.
KEY ISSUES:
Members are directed to the presentation slides that provide details of the key issues.
OPTIONS CONSIDERED:
Members of the R&D Panel have previously been updated on the options considered during the evolution of the current scheme since the initial Levelling Up Fund bid in 2022. This has included the descoping of the highway layout changes at Southgates and the inclusion of further walking and cycling connections and the addition of the Baxter's Plain public realm scheme.
RECOMMENDATIONS:
To consider the presentation at the R&D Panel meeting and ask any appropriate questions.
REASONS FOR RECOMMENDATIONS:
To ensure the R&D Panel are fully conversant with the scheme which is currently undergoing a public consultation.
