

# **Borough Council of King's Lynn and West Norfolk**

Year ending 31 March 2016

Audit Plan

10 February 2016

Ernst & Young LLP

Audit and Risk Committee  
Borough Council of King's Lynn & West Norfolk  
King's Court  
Chapel Street  
King's Lynn  
Norfolk  
PE36 1EX

10 February 2016

Dear Committee Members

## **Audit Plan**

We are pleased to attach our Audit Plan which sets out how we intend to carry out our responsibilities as auditor. Its purpose is to provide the Audit Committee with a basis to review our proposed audit approach and scope for the 2015/16 audit in accordance with the requirements of the Local Audit and Accountability Act 2014, the National Audit Office's 2015 Code of Audit Practice, the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirements. It is also to ensure that our audit is aligned with the Committee's service expectations.

This plan summarises our initial assessment of the key risks driving the development of an effective audit for the Council, and outlines our planned audit strategy in response to those risks

We welcome the opportunity to discuss this Audit Plan with you on 23 February 2016 and to understand whether there are other matters which you consider may influence our audit.

Yours faithfully

Mark Hodgson

Executive Director  
*For and behalf of Ernst & Young LLP*

In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the [PSAA website \(www.psa.co.uk\)](http://www.psa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Plan is prepared in the context of the Statement of responsibilities. It is addressed to the Audit Committee, and is prepared for the sole use of the audited body. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

# 1. Overview

This Audit Plan covers the work that we plan to perform to provide you with:

- ▶ Our audit opinion on whether the financial statements of Borough Council of King's Lynn and West Norfolk (the Council) give a true and fair view of the financial position as at 31 March 2016 and of the income and expenditure for the year then ended;
- ▶ Our conclusion on the Council's arrangements to secure economy, efficiency and effectiveness;

We will also review and report to the National Audit Office (NAO), to the extent and in the form required by them, on the Council's Whole of Government Accounts return.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- ▶ Strategic, operational and financial risks relevant to the financial statements;
- ▶ Developments in financial reporting and auditing standards;
- ▶ The quality of systems and processes;
- ▶ Changes in the business and regulatory environment; and,
- ▶ Management's views on all of the above.

By considering these inputs, our audit is focused on the areas that matter and our feedback is more likely to be relevant to the Council.

## **Changes in our audit scope**

Appendix C provides an overview of the nature of our planned involvement in the work to be performed by the component auditor of Alive Management limited.

We will provide an update to the Audit and Risk Committee on the results of our work in these areas in our report to those charged with governance scheduled for delivery in September, 2016.

## 2. Financial statement risks

We outline below our current assessment of the financial statement risks facing the Council, identified through our knowledge of the Council's operations and discussion with those charged with governance and officers.

At our meeting, we will seek to validate these with you.

Significant risks (including fraud risks)	Our audit approach
<b>Non-Current Assets</b>	
<p>Property, Plant and Equipment (PPE), and Investment properties represent the largest asset values on the Council's balance sheet. These assets are initially measured at cost and then revalued to fair value (determined by the amount that would be paid for the asset in its existing use) on a 5 year rolling basis. This is carried out by an internal valuer and is based on a number of complex assumptions. Annually assets are assessed to identify whether there is any indication of impairment. The introduction of IFRS13 Fair Value Measurement in 2015/16 will impact on Investment Property accounting.</p> <p>ISAs (UK and Ireland) 500 and 540 require us to undertake procedures on the use of experts and assumptions underlying fair value estimates.</p> <p>Due to the nature, size and complexity of PPE and investment property accounting we consider this a significant risk.</p>	<p>Our approach will focus on:</p> <ul style="list-style-type: none"> <li>▶ Reliance on management's experts and review of the instructions given to that valuer</li> <li>▶ Consideration of the accounting treatments and basis of valuation as required by the Code and the introduction of IFRS 13 Fair Value Measurement specifically for Investment Properties this year.</li> <li>▶ Test of detail if required</li> <li>▶ Test of the journals and derivation of accounting entries.</li> </ul>
<b>Risk of fraud in revenue recognition</b>	
<p>Under ISA240 there is a presumed risk that revenue may be misstated due to improper recognition of revenue.</p> <p>In the public sector, this requirement is modified by Practice Note 10, issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.</p> <p>One area which may be susceptible to manipulation is the capitalisation of revenue expenditure on Property, Plant and Equipment given the extent of the Council's Capital programme.</p>	<p>We will</p> <ul style="list-style-type: none"> <li>▶ Review and test revenue and expenditure recognition policies</li> <li>▶ Review and discuss with management any accounting estimates on revenue or expenditure recognition for evidence of bias</li> <li>▶ Develop a testing strategy to test material revenue and expenditure streams</li> <li>▶ Review and test revenue cut-off at the period end date</li> <li>▶ We will test the additions to the Property, Plant and Equipment balance to ensure that they are properly classified as capital expenditure..</li> </ul>
<b>Risk of management override</b>	
<p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<p>Our approach will focus on:</p> <ul style="list-style-type: none"> <li>▶ Testing the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements</li> <li>▶ Reviewing accounting estimates for evidence of management bias, and</li> <li>▶ Evaluating the business rationale for significant unusual transactions..</li> </ul>

**Other Financial Statement Risks**

**Pension Liability - IAS19**

The Council operates a defined benefits pension scheme. Accounting for this scheme involves significant estimation and judgement. The Pension liability is the largest value liability on the balance sheet. Due to the nature, volume and size of the transactions we consider this to be a risk.

Our approach will focus on:

- ▶ The actuarial expertise used by the CouncilThe reasonableness of the estimations and judgements used.

**Non-Domestic Rates Provision**

Councils need to provide for Business Rate appeals and will need to consider the following when estimating the provision under IAS 37.

We found that the council had developed an appropriate methodology in previous years but this methodology needs to be reassessed to ensure that the assumptions made remain appropriate to prepare a reliable estimate.

We will review the:

- ▶ detailed accounting for business rates to ensure the Council's accounts are materially accurate and compliant with the CIPFA Code of practice; and
- ▶ Council's provision for business rate appeals to ensure it has been calculated on a reasonable basis in line with IAS 37. As part of this we will ensure the provision is supported by appropriate evidence and that the level of estimation uncertainty is adequately disclosed in the accounts.

**BCKLWN Group Boundary**

During recent years the Council has entered into a number of arrangements with other entities regarding service delivery, most significantly:

- Nar Ouse Regeneration Agreement (NORA);and
- Alive Leisure Trust (ALT);

It is therefore important that the Council continues to revisit on an annual basis its assessment of the group boundary.

Our approach will focus on:

- ▶ Assessing where overall control lies with regard to the operation and delivery of services of the potential group entities.
- ▶ Reviewing the group boundary assessment prepared by the Council
- ▶ Ensuring that appropriate consolidation procedures are applied when consolidating relevant entities into the BCKLWN group accounts.

## 2.1 Responsibilities in respect of fraud and error

We would like to take this opportunity to remind you that management has the primary responsibility to prevent and detect fraud. It is important that management, with the oversight of those charged with governance, has a culture of ethical behaviour and a strong control environment that both deters and prevents fraud.

Our responsibility is to plan and perform audits to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatements whether caused by error or fraud. As auditors, we approach each engagement with a questioning mind that accepts the possibility that a material misstatement due to fraud could occur, and design the appropriate procedures to consider such risk.

Based on the requirements of auditing standards our approach will focus on:

- ▶ Identifying fraud risks during the planning stages;
- ▶ Enquiry of management about risks of fraud and the controls to address those risks;
- ▶ Understanding the oversight given by those charged with governance of management's processes over fraud;
- ▶ Consideration of the effectiveness of management's controls designed to address the risk of fraud;
- ▶ Determining an appropriate strategy to address any identified risks of fraud, and,
- ▶ Performing mandatory procedures regardless of specifically identified risks.

### 3. Value for money risks

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources.

For 2015/16 this is based on the overall evaluation criterion:

*"In all significant respects, the audited body had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people"*

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- Take informed decisions;
- Deploy resources in a sustainable manner; and
- Work with partners and other third parties.

In considering your proper arrangements, we will draw on the requirements of the CIPFA/SOLACE framework for local government to ensure that our assessment is made against a framework that you are already required to have in place and to report on through documents such as your annual governance statement.

We are only required to determine whether there are any risks that we consider significant, which the Code of Audit Practice which defines as:

*"A matter is significant if, in the auditor's professional view, it is reasonable to conclude that the matter would be of interest to the audited body or the wider public"*

Our risk assessment supports the planning of sufficient work to enable us to deliver a safe conclusion on arrangements to secure value for money and enables us to determine the nature and extent of further work that may be required. If we do not identify any significant risks there is no requirement to carry out further work.

Our risk assessment has therefore considered both the potential financial impact of the issues we have identified, and also the likelihood that the issue will be of interest to local taxpayers, the Government and other stakeholders. This has resulted in the following significant VFM risks which we view as relevant to our value for money conclusion has not identified any risks which we view as relevant to our value for money conclusion.

## 4. Our audit process and strategy

### 4.1 Objective and scope of our audit

Under the Code of Audit Practice our principal objectives are to review and report on the Council's:

- ▶ Financial statements
- ▶ Arrangements for securing economy, efficiency and effectiveness in its use of resources to the extent required by the relevant legislation and the requirements of the Code.

We issue an audit report that covers:

#### 1. Financial statement audit

Our objective is to form an opinion on the financial statements under International Standards on Auditing (UK and Ireland).

Alongside our audit report, we also:

- ▶ Review and report to the NAO on the Whole of Government Accounts return to the extent and in the form they require;

#### 2. Arrangements for securing economy, efficiency and effectiveness (value for money)

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources.

### 4.2 Audit process overview

To the fullest extent permissible by auditing standards, we intend to consider internal audit's work in documenting your financial systems and controls. This will enable us to more efficiently update our understanding of your systems and carry out the walkthrough of those systems as required under auditing standards. Our intention is to carry out a fully substantive audit in 2014/15 rather than rely on the operation of controls as we believe this to be a more efficient approach.

#### **Analytics**

We will use our computer-based analytics tools to enable us to capture whole populations of your financial data, in particular journal entries. These tools:

- ▶ Help identify specific exceptions and anomalies which can then be subject to more traditional substantive audit tests
- ▶ Give greater likelihood of identifying errors than random sampling techniques.

We will report the findings from our process and analytics work, including any significant weaknesses or inefficiencies identified and recommendations for improvement, to management and the Audit Committee.

#### **Internal audit**

As in prior years, we will review internal audit plans and the results of their work. We will reflect the findings from these reports, together with reports from any other work completed in the year, in our detailed audit plan, where we raise issues that could have an impact on the year-end financial statements

## Use of specialists

When auditing key judgements, we are often required to rely on the input and advice provided by specialists who have qualifications and expertise not possessed by the core audit team. The areas where either EY or third party specialists provide input for the current year audit are:

Area	Specialists
Pensions	Actuary/EY Pensions team
Property, plant and Equipment	Internal Valuer
NORA Property Valuation	External Valuer
Financial Instruments	Capita

In accordance with Auditing Standards, we will evaluate each specialist's professional competence and objectivity, considering their qualifications, experience and available resources, together with the independence of the individuals performing the work.

We also consider the work performed by the specialist in light of our knowledge of the Council's environment and processes and our assessment of audit risk in the particular area. For example, we would typically perform the following procedures:

- ▶ Analyse source data and make inquiries as to the procedures used by the expert to establish whether the source data is relevant and reliable;
- ▶ Assess the reasonableness of the assumptions and methods used;
- ▶ Consider the appropriateness of the timing of when the specialist carried out the work; and
- ▶ Assess whether the substance of the specialist's findings are properly reflected in the financial statements.

## 4.3 Mandatory audit procedures required by auditing standards and the Code

As well as the financial statement risks (section two) and value for money risks (section three), we must perform other procedures as required by auditing, ethical and independence standards, the Code and other regulations. We outline below the procedures we will undertake during the course of our audit.

### Procedures required by standards

- ▶ Addressing the risk of fraud and error;
- ▶ Significant disclosures included in the financial statements;
- ▶ Entity-wide controls;
- ▶ Reading other information contained in the financial statements and reporting whether it is inconsistent with our understanding and the financial statements;
- ▶ Auditor independence.

### **Procedures required by the Code**

- ▶ Reviewing, and reporting on as appropriate, other information published with the financial statements, including the Annual Governance Statement
- ▶ Reviewing and reporting on the Whole of Government Accounts return, in line with the instructions issued by the NAO

Finally, we are also required to discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014.

## **4.4 Materiality**

For the purposes of determining whether the financial statements are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in aggregate, could reasonably be expected to influence the users of the financial statements. Our evaluation requires professional judgement and so takes into account qualitative as well as quantitative considerations implied in the definition.

We have determined that overall materiality for the financial statements of the Council is £1.680m based on 2% of gross expenditure on deficit on provision of services. We will communicate uncorrected audit misstatements greater than £0.08m to you.

The amount we consider material at the end of the audit may differ from our initial determination. At this stage, however, it is not feasible to anticipate all the circumstances that might ultimately influence our judgement. At the end of the audit we will form our final opinion by reference to all matters that could be significant to users of the financial statements, including the total effect of any audit misstatements, and our evaluation of materiality at that date.

## **4.5 How materiality is applied to the component locations**

We determine component materiality as a percentage of Group materiality based on risk and relative size to the Group. The component reporting limit for adjustments of £0.08m is the same as that noted above.

## **4.6 Fees**

The duty to prescribe fees is a statutory function delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Communities and Local Government. PSAA has published a scale fee for all relevant bodies. This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the NAO Code. The indicative fee scale for the audit of Borough Council of King's Lynn and West Norfolk is £51,291.

Due to change in scope of audit from a single entity audit to a group audit we will seek to agree a scale fee variation for this additional work which is above and beyond the indicative scale fee.

## **4.7 Your audit team**

The engagement team is led by Mark Hodgson, who has significant experience on Local Government audits. Mark is supported by Sappho Powell who is responsible for the day-to-day direction of audit work and is the key point of contact for the group accountant.

## 4.8 Timetable of communication, deliverables and insights

We have set out below a timetable showing the key stages of the audit, including the value for money work and the Whole of Government Accounts. The timetable includes the deliverables we have agreed to provide to the Council through the Audit and Risk Committee's cycle in 2015/16. These dates are determined to ensure our alignment with PSAA's rolling calendar of deadlines.

From time to time matters may arise that require immediate communication with the Audit and Risk Committee and we will discuss them with the Chair as appropriate.

Following the conclusion of our audit we will prepare an Annual Audit Letter to communicate the key issues arising from our work to the Council and external stakeholders, including members of the public.

Audit phase	Timetable	Audit Committee timetable	Deliverables
High level planning	January to February		
Risk assessment and setting of scopes	February to March	23 February 2016	Audit Plan
Review of routine processes and controls	February to March		
Year-end audit	June to July		
Completion of audit	August to September	September	<ul style="list-style-type: none"> <li>Report to those charged with governance via the Audit Results Report</li> <li>Audit report (including our opinion on the financial statements; and, overall value for money conclusion).</li> <li>Audit completion certificate</li> <li>Reporting to the NAO on the Whole of Government Accounts return.</li> </ul>
Conclusion of reporting	October	November	Annual Audit Letter

In addition to the above formal reporting and deliverables we will seek to provide practical business insights and updates on regulatory matters.

## 5. Independence

### 5.1 Introduction

The APB Ethical Standards and ISA (UK and Ireland) 260 'Communication of audit matters with those charged with governance', requires us to communicate with you on a timely basis on all significant facts and matters that bear on our independence and objectivity. The Ethical Standards, as revised in December 2010, require that we do this formally both at the planning stage and at the conclusion of the audit, as well as during the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications	
Planning stage	Final stage
<ul style="list-style-type: none"> <li>▶ The principal threats, if any, to objectivity and independence identified by EY including consideration of all relationships between you, your affiliates and directors and us;</li> <li>▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality Review;</li> <li>▶ The overall assessment of threats and safeguards;</li> <li>▶ Information about the general policies and process within EY to maintain objectivity and independence.</li> </ul>	<ul style="list-style-type: none"> <li>▶ A written disclosure of relationships (including the provision of non-audit services) that bear on our objectivity and independence, the threats to our independence that these create, any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;</li> <li>▶ Details of non-audit services provided and the fees charged in relation thereto;</li> <li>▶ Written confirmation that we are independent;</li> <li>▶ Details of any inconsistencies between APB Ethical Standards, the PSAA Terms of Appointment and your policy for the supply of non-audit services by EY and any apparent breach of that policy; and</li> <li>▶ An opportunity to discuss auditor independence issues.</li> </ul>

During the course of the audit we must also communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of our safeguards, for example when accepting an engagement to provide non-audit services.

We also provide information on any contingent fee arrangements, the amounts of any future contracted services, and details of any written proposal to provide non-audit services;

We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period are disclosed, analysed in appropriate categories.

### 5.2 Relationships, services and related threats and safeguards

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including any principal threats. However we have adopted the safeguards below to mitigate these threats along with the reasons why they are considered to be effective.

### ***Self-interest threats***

A self-interest threat arises when EY has financial or other interests in your entity. Examples include where we have an investment in your entity; where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with the Council.

At the time of writing, there are no long outstanding fees.

A self-interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to the Council. We confirm that no member of our audit engagement team, including those from other service lines, is in this position, in compliance with Ethical Standard 4.

There are no other self-interest threats at the date of this report.

### ***Self-review threats***

Self-review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements.

There are no other self-review threats at the date of this report.

### ***Management threats***

Partners and employees of EY are prohibited from taking decisions on behalf of management of your entity. Management threats may also arise during the provision of a non-audit service where management is required to make judgements or decisions based on that work.

There are no management threats at the date of this report.

### ***Other threats***

Other threats, such as advocacy, familiarity or intimidation, may arise.

There are no other threats at the date of this report.

### ***Overall Assessment***

Overall we consider that the adopted safeguards appropriately mitigate the principal threats identified, and we therefore confirm that EY is independent and the objectivity and independence of Mark Hodgson, the audit engagement Executive Director and the audit engagement team have not been compromised.

## **5.3 Other required communications**

EY has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained.

Details of the key policies and processes within EY for maintaining objectivity and independence can be found in our annual Transparency Report, which the firm is required to publish by law. The most recent version of this report is for the year ended June 2015 and can be found here:

<http://www.ey.com/UK/en/About-us/EY-UK-Transparency-Report-2015>

## Appendix A Fees

A breakdown of our agreed fee is shown below.

	Planned Fee 2015/16 £	Scale fee 2015/16 £	Outturn fee 2014/15 £	Explanation
Opinion Audit and VFM Conclusion	51,291	51,291	73,188	See Note 1
<b>Total Audit Fee – Code work</b>	<b>51,291</b>	<b>51,291</b>	<b>73,188</b>	
Certification of claims and returns <sup>1</sup>	19,602	19,602	31,280	Based on 2013/14 outturn with a 25% reduction in fees from PSAA Ltd.

*All fees exclude VAT.*

Note 1 – We need to assess the implications of Council's assessment of the group boundary and that impact on the potential consolidation on the Council's statutory accounts. If there are consolidated financial statements there will be the need to vary the scale fee to reflect the additional work required on the disclosures needed to meet the group consolidation requirements of the Code of Practice and International Accounting Standards.

The agreed fee presented above is based on the following assumptions:

- ▶ Officers meeting the agreed timetable of deliverables;
- ▶ Officers provide appropriate responses to queries, draft audit reports and other information we request within agreed timescales;
- ▶ Our accounts opinion and value for money conclusion being unqualified;
- ▶ Appropriate quality of documentation is provided by the Council; and
- ▶ The Council has an effective control environment.

If any of the above assumptions prove to be unfounded, we will seek a variation to the agreed fee. This will be discussed with the s151 Officer and the Audit & Risk Committee in advance.

Fees for the auditor's consideration of correspondence from the public and formal objections will be charged in addition to the scale fee.

<sup>1</sup> Our fee for the certification of grant claims is based on the indicative scale fee set by the PSAA.

## Appendix B UK required communications with those charged with governance

There are certain communications that we must provide to the [Audit Committee]. These are detailed here:

Required communication	Reference
<p><b>Planning and audit approach</b> Communication of the planned scope and timing of the audit including any limitations.</p>	▶ Audit Plan
<p><b>Significant findings from the audit</b></p> <ul style="list-style-type: none"> <li>▶ Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures</li> <li>▶ Significant difficulties, if any, encountered during the audit</li> <li>▶ Significant matters, if any, arising from the audit that were discussed with management</li> <li>▶ Written representations that we are seeking</li> <li>▶ Expected modifications to the audit report</li> <li>▶ Other matters if any, significant to the oversight of the financial reporting process</li> </ul>	▶ Report to those charged with governance
<p><b>Misstatements</b></p> <ul style="list-style-type: none"> <li>▶ Uncorrected misstatements and their effect on our audit opinion</li> <li>▶ The effect of uncorrected misstatements related to prior periods</li> <li>▶ A request that any uncorrected misstatement be corrected</li> <li>▶ In writing, corrected misstatements that are significant</li> </ul>	▶ Report to those charged with governance
<p><b>Fraud</b></p> <ul style="list-style-type: none"> <li>▶ Enquiries of the Audit Committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the entity</li> <li>▶ Any fraud that we have identified or information we have obtained that indicates that a fraud may exist</li> <li>▶ A discussion of any other matters related to fraud</li> </ul>	▶ Report to those charged with governance
<p><b>Related parties</b> Significant matters arising during the audit in connection with the entity's related parties including, when applicable:</p> <ul style="list-style-type: none"> <li>▶ Non-disclosure by management</li> <li>▶ Inappropriate authorisation and approval of transactions</li> <li>▶ Disagreement over disclosures</li> <li>▶ Non-compliance with laws and regulations</li> <li>▶ Difficulty in identifying the party that ultimately controls the entity</li> </ul>	▶ Report to those charged with governance
<p><b>External confirmations</b></p> <ul style="list-style-type: none"> <li>▶ Management's refusal for us to request confirmations</li> <li>▶ Inability to obtain relevant and reliable audit evidence from other procedures</li> </ul>	▶ Report to those charged with governance
<p><b>Consideration of laws and regulations</b></p> <ul style="list-style-type: none"> <li>▶ Audit findings regarding non-compliance where the non-compliance is material and believed to be intentional. This communication is subject to compliance with legislation on tipping off</li> <li>▶ Enquiry of the Audit and Risk Committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements and that the Audit and Risk Committee may be aware of</li> </ul>	▶ Report to those charged with governance

Required communication	Reference
<p><b>Independence</b></p> <p>Communication of all significant facts and matters that bear on EY's objectivity and independence</p> <p>Communication of key elements of the audit engagement director's consideration of independence and objectivity such as:</p> <ul style="list-style-type: none"> <li>▶ The principal threats</li> <li>▶ Safeguards adopted and their effectiveness</li> <li>▶ An overall assessment of threats and safeguards</li> <li>▶ Information about the general policies and process within the firm to maintain objectivity and independence</li> </ul>	<ul style="list-style-type: none"> <li>▶ Audit Plan</li> <li>▶ Report to those charged with governance</li> </ul>
<p><b>Going concern</b></p> <p>Events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including:</p> <ul style="list-style-type: none"> <li>▶ Whether the events or conditions constitute a material uncertainty</li> <li>▶ Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements</li> <li>▶ The adequacy of related disclosures in the financial statements</li> </ul>	<ul style="list-style-type: none"> <li>▶ Report to those charged with governance</li> </ul>
<p><b>Significant deficiencies in internal controls identified during the audit</b></p>	<ul style="list-style-type: none"> <li>▶ Report to those charged with governance</li> </ul>

## Appendix C Detailed scopes

Our objective is to form an opinion on the group's consolidated financial statements under International Standards on Auditing (UK and Ireland).

We set audit scopes for each reporting unit which together enable us to form an opinion on the group accounts. We take into account the size, risk profile, changes in the business environment and other factors when assessing the level of work to be performed at each reporting unit.

The preliminary audit scopes we have adopted to enable us to report on the group accounts are set out below. Our audit approach is risk-based, and therefore the data below on coverage of gross revenue expenditure and total assets is provided for your information only.

Group audit scope	Number of locations	% of GRE	% of Net Assets
Specific	1	2.2%	0.6%

- ▶ **Full scope:** locations deemed significant based on size and those with significant risk factors are subject to a full scope audit, covering all significant accounts and processes using materiality levels assigned by the Group audit team for the purposes of the consolidated audit. Procedures are full-scope in nature, but may not be sufficient to issue a stand-alone audit opinion on the local statutory financial statements (as materiality thresholds support to the consolidated audit).
- ▶ **Specific scope:** locations where only specific procedures are performed by the local audit team, based upon procedures, accounts or assertions identified by the Group audit team.
- ▶ **Limited Scope:** limited scope procedures primarily consist of enquiries of management and analytical review. On-site or desk top reviews may be performed, according to our assessment of risk.

**Other procedures:** For those locations that we do not consider material to the Group financial statements in terms of size relative to the Group and risk, we perform other procedures to confirm that there is no risk of material misstatement within those locations. These other procedures will include:

- ▶ Obtain management's review of actual performance compared to budget, prior year and KPIs.
- ▶ Review of group wide entity level controls over these components, including the level of Chief Executive, Assistant Director and other group management oversight and results of Internal Audit visits.
- ▶ Test consolidation journals, and intercompany eliminations
- ▶ Enquiry of management about unusual transactions in these components.

ISA 600 (UK and Ireland) requires that we provide you with an overview of the nature of our planned involvement in the work to be performed by the component auditors of significant components. Our involvement can be summarised as follows:

Sending out group instructions specifying the specific balances we wish them to provide assurance over.
