

King's Lynn Riverfront Delivery Plan

Ostap Paparega
Regeneration & Economic
Development Manager
Jemma Curtis
Regeneration
Programmes Manager

‘The Regeneration Delivery Plan will form a key component of the Council’s regeneration plans and future posterity of King’s Lynn by providing a viable concept and implementation strategy for the redevelopment of key sites and vacant properties located on the historic quayside’.

Appointed Team

Urban Delivery in collaboration with Levitate (conservation, architects ad urban design), Trident (build cost), BWB (environmental, flood ad transport engineers)
