BOROUGH COUNCIL OF KING'S LYNN & WEST NORFOLK

CIL SPENDING PANEL

**Minutes from the Meeting of the CIL Spending Panel held on
Friday, 6th October, 2023 at 10.00 am in the Council Chamber, Town Hall,
Saturday Market Place, King's Lynn PE30 5DQ**

PRESENT:

Councillors R Blunt, M de Whalley, J Moriarty and S Sandell

OFFICERS:

Hannah Wood-Handy – Planning Control Manager
Amanda Driver - CIL Monitoring Officer
Robyn Walkey - CIL Assistant
Tara Cook - Support Services Assistant

1 **APOLOGIES FOR ABSENCE**

Apologies for absence were received from Councillor Joyce.

2 **DECLARATIONS OF INTEREST**

Councillor De Whalley declared that he was Chair of Congham Parish Council and would not speak on item (38). He also declared a non-pecuniary interest as a member of Grimston Parish Council in relation to the application for Grimston Cricket Club (10) but felt able to vote on the matter.

Councillor Blunt declared that he was a Member of Walpole Parish Council and supported application (17).

Councillor Sandell stated that she had given her support to the application in relation to Docking Village Hall (15).

3 **URGENT BUSINESS**

There was no urgent business.

4 **MEMBERS PRESENT PURSUANT TO STANDING ORDER 34**

There were no Members present pursuant to Standing Order 34.

5 **CHAIR'S CORRESPONDENCE (IF ANY)**

There was no Chair's correspondence to report but having been away might not have caught up with all his emails.

6

FY23 2 - PREVIOUS DECISIONS MADE 29 AUGUST 2023

[Click here to view a recording of this item on You Tube.](#)

The Spending Panel received a brief overview of the previous decisions. The Spending Panel noted the applications over £30,000 and that the applications would be considered by Cabinet in November.

Attention was also drawn to the Notice of refusal issued for Docking Pavilion and the Notice of Withdrawal for the West Winch Changing Rooms.

At the last meeting, the Panel had made decisions in relation to applications scoring 15 points, offer letters had been issued and some agreement forms had been returned.

It was explained that the applications were oversubscribed with the total amount requested £2,305,865.12 and the amount left for allocation was £1,140,343.83.

The Spending Panel were reminded that at the previous meeting they had agreed to transfer a sum of £792.28 from the majors to the minor funding pot to allow for another scheme to be awarded funding.

7

FY23 2 - REVIEW REMAINING FUNDING APPLICATIONS AND ALLOCATE FUNDING

[Click here to view a recording of this item on You Tube](#)

The Panel were then invited to review and allocate funding to the remaining projects, as follows:

- (33) Wighenhall St Germans Memorial Hall – amount requested approved.
- (17) Walpole Parish Council – Playground maintenance – amount requested approved.
- (52) Downham Market Town Council – Memorial Garden Path – amount requested approved.
- (14) Castle Acre Bowls Club – Toilets & Storeroom – amount requested approved.
- (19) Crimpleham PC – Defibrillator – amount requested refused as it was not infrastructure to support new development.
- (16) Hilgay PC – Ten Mile Bank Play Area – amount requested approved.

- (55) Heacham PC – Saltings and Chalkpit Groundworks – amount requested approved.
- (9) Downham Market Town Centre – Open Air Adult Gym – amount requested approved.
- (32) Edmund de Moundeford PTA – Outdoor Classroom – amount requested approved.
- (56) RSPCA – LED Lighting – amount requested approved.
- (25) West Norfolk Community Transport – Medical Centre Transport – amount requested approved.
- (54) Shouldham Bowls Club – Accessible Toilets – amount requested approved.
- (47) Bircham Cricket Club – New nets – amount requested refused. Not infrastructure to support new development, low score due to insufficient match-funding.
- (44) Denver Playing Field Association – Pavilion Fire Escape – amount requested approved.
- (20) Crimplesham PC – Playground Equipment – amount requested approved.
- (26) Dersingham Tennis Club – Repair of Court 2 – amount reduced to £6000 to allow match-funding points to be accurate.
- (29) South Wootton PC – Village Hall Alarm System – amount requested approved.
- (10) Grimston Cricket Club – Pitch covers – amount requested refused as it was not infrastructure to support new development, low score due to insufficient match-funding.
- (6) Denver Primary School – Outdoor Learning Area – amount requested approved.
- (13) RSPCA – Hunstanton Solar – amount requested approved.
- (28) North Wootton PC – Village sign – amount requested refused as it was not infrastructure to support new development, low score due to insufficient match-funding.
- (39) Harding’s Pits – Replacement Sculpture / Shelter – amount requested approved.

- (53) Burnham Market & Norton Village Hall – Roof Repairs – 50% of amount requested agreed. The amount requested was reduced due to the amount of CIL funding held by the PCs already.
- (57) Ringstead Village Hall – Redecoration – amount requested approved.
- (15) Docking Village Hall – Replacement doors – amount requested approved.
- (27) Wootton Park Recreation Association – Wootton Park Drainage – amount requested approved.
- (49) Gayton PC – Community Shed – amount requested refused on the Chair’s casting vote.
- (38) Congham PC – Walk Map – amount requested approved.
- (7) Docking Village Hall – Bowls Club Improvements - amount requested approved.
- (46) Nelson Academy Downham Market – Sensory Trail – amount requested approved.
- (40) Gayton PC – Gayton Thorpe Playground – amount requested approved.
- (36) West Winch PC – Tennis Court Path – 50% of amount requested approved. The amount requested was reduced due to the amount of CIL funding held by the PCs already.
- (62) Old Hunstanton Village Hall – Roof Repairs - £28,561.29 be approved – this amount was reduced due to the amount of CIL funding left available.

During consideration of the items, the Panel requested that more information be provided in relation to the quotes.

8

NEXT STEPS / FUTURE ACTIONS

[Click here to view a recording of this item on You Tube](#)

The CIL Monitoring Officer advised that as part of the CIL Governance there was a requirement for the Panel to review annually the CIL Infrastructure list and within that the Governance Document.

At the next meeting scheduled for the 16 October, the Panel would:

1. Review CIL income and expenditure for FY22 / 23;
2. Annual Infrastructure funding statement;

3. Review Governance Document; and
4. Funding application timetable for 2024.

The CIL Monitoring Officer explained that it would be up to the Panel how they wanted to review the Governance, officers would be able to provide advice and guidance. The CIL Monitoring Officer explained that she had carried out some benchmarking, the Panel may want to look at identifying infrastructure needs in the Local Plan and how to allocate funding going forward.

It was agreed that the existing Governance document would be attached to the agenda for the meeting on 16 October 2023.

9

DATE OF NEXT MEETING

The next meeting is scheduled for Monday 16 October 2023 at 10.00 am in the Council Chamber, Town Hall.

The meeting closed at 11.44 am

BOROUGH COUNCIL OF KING'S LYNN & WEST NORFOLK**CIL SPENDING PANEL**

Minutes from the Meeting of the CIL Spending Panel held on Monday, 16th October, 2023 at 10.00 am in the Council Chamber, Town Hall, Saturday Market Place, King's Lynn, PE30 5DQ

PRESENT: Councillors R Blunt, M de Whalley, C Joyce (on Zoom) and J Moriarty (Chair)

OFFICERS:

Hannah Wood-Handy – Planning Control Manager
Amanda Driver – CIL Monitoring Officer

1 APOLOGIES FOR ABSENCE

Apologies for absence had been received from Councillor Sandell.

2 NOTES OF THE PREVIOUS MEETING

The notes from the previous meeting held on 29 August 2023 were agreed as a correct record.

The notes from the reconvened meeting held on 6 October 2023 were to be agreed at the next meeting.

3 MATTERS ARISING

There were no matters arising.

4 DECLARATIONS OF INTEREST

There were no declarations of interest.

5 URGENT BUSINESS

There was no urgent business.

6 MEMBERS PRESENT PURSUANT TO STANDING ORDER 34

Councillor Joyce.

7 CHAIR'S CORRESPONDENCE (IF ANY)

There was no Chair's correspondence to report.

8 REVIEW CIL INCOME AND EXPENDITURE UP TO 30 SEPTEMBER 2023

[Click here to view the recording of this item on You Tube](#)

The CIL Monitoring Officer presented the Panel with a presentation. A copy of the presentation is attached.

The CIL Monitoring Officer shared with the Panel a screenshot which showed the current details of CIL income up to the 12th October 2023. The CIL Monitoring Officer explained the total income to date was just over £6 million and explained the table within the screenshot showed the amount distributed to administration and Parishes. The final figure showed the CIL infrastructure funds to date of over £4.5 million. She explained the amount of CIL received for the first part of the financial year had exceeded projections and indicated future income would likely to be £2 million per annum.

9 CIL FUNDED PROJECTS - REVIEW PROGRESS

[Click here to view the recording of this item on You Tube](#)

The amount of CIL parish payments made per zone, broken down into North, South and King's Lynn was provided to the Panel as set out below.

In response to a question, the CIL Monitoring Officer explained that North and South was based on the charging schedule with King's Lynn central. She explained anything above King's Lynn would be North and anything below King's Lynn would be South.

The Chair asked if a graphic illustrating where the boundaries lie between North, South and King's Lynn could be circulated with the notes of the meeting for approval.

AGREED: The CIL Monitoring Officer would provide a map to demonstrate that which would be included with the notes of the meeting.

10 **ANNUAL INFRASTRUCTURE FUNDING STATEMENT FY22/23**

[Click here to view the recording of this item on You Tube](#)

The CIL Monitoring Officer informed the Panel that Parish Councils have a statutory responsibility to submit an annual report giving details of how much they have spent and how much they have retained.

The CIL Monitoring Officer presented the Panel with screenshots of the summary of the infrastructure funding statement for 2022/2023.

Councillor Blunt asked whether in future the dates could be included on the presentation to make it clearer which financial year they were relating to.

The CIL Monitoring Officer explained to the Panel what appendices F-I were as set out below.

FY22/23

Infrastructure Project/Type	CIL Amount Spent in FY
Appendix F 'Applications FY21_1 Summary of Infrastructure Funding'	£225,923.63
Appendix G 'Applications FY22_1 Summary of Infrastructure Funding'	£358,874.51
Appendix H 'Applications FY22_2 Summary of Infrastructure Funding'	£383,294.36
Appendix I 'Applications FY23_1 Summary of Infrastructure Funding'	£1,626.00
Total Amount Spent in FY	£969,718.50

It was explained it was a full summary of the infrastructure projects which had been allocated and spent within the financial year 2022/2023.

Councillor de Whalley asked a number of questions in relation to the Green Infrastructure and Recreational Impact Avoidance and Mitigation Strategy (GIRAMS).

The Planning Control Manager asked Councillor de Whalley to submit his questions in an email and they would get answers.

Councillor Blunt asked whether they could get a statement relating to the state of GIRAMS.

The Planning Control Manager confirmed they would get information on that.

The Panel were reminded of the current list of infrastructure funding application criteria for 2023.

The CIL Monitoring Officer explained to the Panel that before they went on to look at the Governance, she had received correspondence from the NHS to include healthcare projects within the next Governance document and shared a screenshot with the Panel.

AGREED: The Planning Control Manager would get answers to questions raised by Councillors de Whalley and Blunt in relation to GIRAMS.

11

PROPOSED CIL GOVERNANCE & FUNDING 2024

[Click here to view the recording of this item on You Tube](#)

The CIL Monitoring Officer explained to the Panel she had carried out research in relation to how other authorities plan for the future in relation to CIL governance and infrastructure spending. She explained one area which had been highlighted as good practice across other authorities was Huntington District Council.

The CIL Monitoring Officer shared with the Panel screenshots of Huntington District Council's infrastructure development plan.

The CIL Monitoring Officer also shared with the Panel screenshots of East Devon's infrastructure development plan to show two different types.

The CIL Monitoring Officer explained to the Panel that these examples may help them to view how they would like to move forward and review the CIL governance and funding for the next round of applications.

AGREED: The Panel would think about how they would like to move forward before their next meeting.

12 **FUNDING APPLICATION TIMETABLE 2024**

[Click here to view the recording of this item on You Tube](#)

The CIL Monitoring Officer asked the Panel whether they would like to suspend the next round of funding applications in January as they did not have an agreed governance arrangement for 2024.

The Panel were not keen on suspending the next round of funding applications in January and explained they would like to stick to the timetable if possible.

The Chair raised an issue in relation to having two rounds each year and explained to the Panel they were strongly in favour of having one round per year.

The Planning Control Manager highlighted to the Panel that they did not have an agreed governance document for 2024 and explained to the Panel that they could change the timetable to allow for a larger pot of funding for more projects to come through. She explained if the Panel wished to continue with two rounds per year, there would be a slight delay as it would be unlikely to undertake a fundamental review in the timescales so would be more of a light touch approach.

The Planning Control Manager asked the Chair to consider launching a project plan for future update for next year.

AGREED: The Panel would get confirmation from the Monitoring Officer on what could be included in a light touch review which would happen early November in order to go ahead with the round of funding applications at the beginning of January.

13 **DATE OF NEXT MEETING**

To be advised.

The meeting closed at 11.02 am

Community Infrastructure Levy (CIL) Spending Panel Meeting

16 October 2023

CIL Monitoring & Compliance Officer – Amanda Driver
CIL@west-Norfolk.gov.uk

Borough Council of
King's Lynn &
West Norfolk

CIL Spending Panel - Agenda

- Review CIL Income and Expenditure up to 30 September 2023
- CIL Funded Projects - Review Progress
- Annual Infrastructure Funding Statement FY22/23
- ⁷³Funding application timetable 2024
- Proposed CIL Governance & Funding 2024

1.1 Statutory Requirements

1.1.1 Under CIL, the Borough Council will act as the designated Charging Authority.

1.1.2 As a Charging Authority the Council has an obligation to:

- Prepare and publish the CIL Charging Schedule
- Determine CIL spend, ensuring it is used to fund the provision, improvement, replacement, operation or maintenance of infrastructure to support development of its area
- Report on the amount of CIL revenue collected, spent and retained each year.

1.1.3 The Council are required under [The Community Infrastructure Levy \(Amendment\) \(England\) \(No. 2\) Regulations 2019](#), to produce a statement of the infrastructure projects or types of infrastructure which the Council intends will be, or may be, wholly or partly funded by CIL.

1.1.4 This is referred to as the Community Infrastructure Levy List of Infrastructure Projects and replaces the Regulation 123 list (R123 list).

1.1.5 CIL money collected may only be allocated to and spent on these types of infrastructure.

2. CIL Regulation Requirements

CIL Reg 59 (1) states:

‘A charging authority must apply CIL to **funding the provision, improvement, replacement, operation or maintenance of infrastructure** to support the development of its area’

Infrastructure Projects funding over £30,001

- 18+ Adult Education Infrastructure Projects
- Green Infrastructure Projects
- Leisure Time Activities Infrastructure

Infrastructure Projects funding of £2,000 and up to £30,000

- Education – local initiatives
- Health
- Economic Development
- Community Facilities
- Green Infrastructure
- Open Space and Leisure

This list will be continually reviewed, to meet the changing needs and aspirations of the Borough to support future infrastructure.

Property Services

25

Future Engagement with the NHS

We note that the CIL governance and spending document is revised annually and is due to be drafted in the autumn (2023) and would appreciate engagement and support on having healthcare infrastructure projects moved to the “*Infrastructure Project Funding Allocation - over £30,001 list*”. This amendment is essential to ensuring the healthcare estate can support the delivery of housing in Kings Lynn and West Norfolk.

Overall, the HDC IDP seeks to:

- understand the capacity of **existing infrastructure provision**;
- determine **infrastructure requirements to support planned levels of growth**;
- estimate **costs, funding sources and phasing** of delivery;
- identify **key bodies** with responsibility for delivering infrastructure; and
- inform the **drafting of policies** to be included in the emerging Local Plan.

Part 1 comprises an assessment of existing infrastructure capacity, and goes on to determine infrastructure requirements over the Plan period. Part 2 incorporates a schedule which sets the cost of the infrastructure required and when it needs to be delivered. Part 3 outlines the different funding opportunities to support delivery.

Table 12: Prioritisation Criteria Huntingdon
 Infrastructure Development Plan

Priority	Criteria
Critical	Critical infrastructure is that which must happen in order for development to proceed. It most commonly involves connections to transport and utility networks. It is usually triggered by the commencement of development activity.
Essential	Essential infrastructure is that which is necessary to mitigate impacts arising from the development, for example provision of education and health facilities. It is usually triggered at occupation of a development site, either a specific phase or the whole site. It enables development to come forward in a way that is both sustainable and acceptable in planning terms.
Desirable	Desirable infrastructure is that which is required for sustainable growth and to achieve good place making objectives but the absence of which is unlikely to prevent development in the short to medium term. It is usually triggered at occupation of a development site, either a specific phase or the whole site. This type of infrastructure would improve operational capacity, and deliver other wider benefits, but would not prevent or delay the delivery of further development.

Table 10: Infrastructure types identified in the Schedule

Category	Infrastructure
Transport	Highways
	Rail
	Public Transport (buses)
	Walking and Cycling
Education	Early Years and Childcare
	Primary Schools
	Secondary Schools
Health and Social Care	GPs
Community and Sport	Libraries and Lifelong Learning
	Village and Community Halls
	Indoor Sports Facilities
	Outdoor Sports Facilities
Open Space	Informal Green Space
	Play provision for Children and Young People
	Allotments and Community Gardens
Utilities	Water
	Waste water
	Electricity
	Gas

Huntingdon Infrastructure Development Plan

East Devon - Infrastructure Delivery Plan

PRIORITY 1: fundamental to the delivery of the vision, objectives and policies of the Local Plan. This infrastructure is critical, without which development may not be able to commence and the Local Plan is likely to fail.

Infrastructure type	Cost	Funding secured	Funding gap
Education	£34,548,272	£20,717,910	£13,830,362
Energy, Utilities and Waste	£6,000,000	£0	£6,000,000
Environment and Green Infrastructure	£19,914,510	£10,667,107	£9,247,403
Transport	£49,775,000	£7,120,000	£42,655,000

PRIORITY 2: important to deliver specific development schemes and meet the needs of new residents, but the precise timing is less critical.

Education	£35,890,870	£5,725,355	£30,165,505
Flood Risk and Coastal Change Management	£9,000,000	£5,700,000	£3,300,000
Healthcare	£20,400,000	£0	£20,400,000
Public Services	£1,779,656	£0	£1,779,656
Sport and Recreation	£28,855,735	£4,651,190	£24,204,545
Transport	£9,000,000	£3,700,000	£5,300,000

PRIORITY 3: enhance the effectiveness, efficiency, and quality of infrastructure. These projects create a better place to live and work, and are generally desirable in order to build sustainable communities. Less detail may be currently available for these projects.

Communications and Technology	Not specified for East Devon	Not specified for East Devon	£0
Education	£500,000	£0	£500,000
Flood Risk and Coastal Change Management	£22,700,000	£19,600,000	£3,100,000
Healthcare	£98,136,000	£0	£98,136,000
Public Services	£1,525,000	£0	£1,525,000
Sport and Recreation	£3,453,423	£547,000	£2,906,423
Transport	£8,600,000	£700,000	£7,900,000
TOTAL COSTS/ FUNDING	£350,078,466	£79,128,562	£270,949,894

CIL Infrastructure Funding Statement - FY22/23

1 Introduction

1.0.1 This report provides information on the monetary (and non-monetary) contributions sought and received from developers for the provision of infrastructure to support development in King's Lynn & West Norfolk, and the subsequent use of those contributions by the Borough Council of King's Lynn & West Norfolk (BCKLWN). The regulatory requirements of this document can be found at Annex A and a summary list of results are at Annex B.

1.0.2 This report covers the financial year 1 April to 31 March.

1.0.3 The BCKLWN seeks developer contributions through the Community Infrastructure Levy (CIL) and Section 106 agreements (also known as "planning obligations")

Community Infrastructure Levy (CIL)

1.0.4 CIL was introduced in 2010 and has been charged in BCKLWN since February 2017. CIL is a set charge, based on the gross internal area floorspace of buildings, on most new development to help fund the infrastructure needed to address the cumulative impact of development across our area. Our CIL charging schedule, setting out our CIL charging rates, is available on our CIL Charging and payments webpages.⁽¹⁾

1.0.5 Local planning authorities must use CIL to fund 'the provision, improvement, replacement, operation or maintenance of infrastructure to support the development of the area'. There is also a neighbourhood portion of CIL – 'Neighbourhood Parish CIL' – which is similarly able to fund infrastructure but can also fund 'anything else that is concerned with addressing the demands that development places on an area'. Under the 'Neighbourhood CIL', a charging authority must pass 15% of CIL receipts to the parish council for the area where a CIL liable development takes place, rising to 25% if the parish has a Neighbourhood Plan in place. In unparished areas, the CIL charging authority can spend equivalent amounts in the locality, following engagement with local communities.

1.0.6 A CIL charge is payable either within 60 days of the commencement of a development, or within the terms of an instalment policy set by the CIL charging authority. The BCKLWN Instalment Policy can be found on our CIL Payments webpage.⁽²⁾

1.0.7 The CIL Demand Notice issued when work starts on site, and sets out the whole sum payable and the instalments required.

1.0.8 The CIL Demand Notices issued during a particular year, do not necessarily equate to the CIL sums likely to be received during that year, and can take up to four years to be paid.

1 https://www.west-norfolk.gov.uk/info/20201/cil_charges_and_payments/543/charging_schedule

2 https://www.west-norfolk.gov.uk/info/20201/cil_charges_and_payments/544/cil_payments

CIL Infrastructure Funding Statement - FY22/23

1.0.9 Developments can be altered through further planning permissions over time, often resulting in revised Demand Notices needing to be issued. Any such, re-issued Notices are not double counted in this report. If a Demand Notice is issued and then re-issued in the same reporting year, only the re-issued Notice would be included within the figure for CIL invoiced during the year.

S106 Agreements - Developer Infrastructure Obligations

1.0.10 Section 106 of the Town and Country Planning Act 1990 enables a local planning authority to enter into a negotiated agreement – a planning obligation - to mitigate the impact of a specific development, to make it acceptable in planning terms. The planning obligation might, for example, require the provision or contribution to a new or improved road, school, health facility or local green infrastructure.

1.0.11 Local planning authorities can also seek planning obligations to secure a proportion of affordable housing from residential developments. In some instances, section 106 planning obligations may require payments to be made to parish councils.

CIL Infrastructure Funding Statement - FY22/23

2 Community Infrastructure Levy (CIL)

CIL Infrastructure Funding Statement - FY22/23

2.1 The CIL Infrastructure List

2.1.1 Regulation 121A(1)(a) requires the infrastructure funding statement to include: *“a statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL (other than CIL to which regulation 59E or 59F applies) (“the infrastructure list”)”*

2.1.2 Following the deletion of CIL Regulation 123 in September 2019, each Collection Authority must produce an Annual Infrastructure Funding List.

2.1.3 *“the infrastructure list” is intended to be a high level statement of how an authority intends to use CIL - it is entirely separate from the regulatory requirement to provide “Summary details of the infrastructure projects or items to which CIL receipts, whenever collected, have been allocated (but not spent) and the amount allocated to each item” – but reporting authorities may want to ensure there is no obvious reporting inconsistency between the two requirements.*

BCKLWN Annual List of Infrastructure Projects

2.1.4 The publication of “the infrastructure list” is mandatory and is intended to provide transparency on how an authority intends to use CIL funds.

2.1.5 The Borough Council of King’s Lynn and West Norfolk produce a list of criteria, for which CIL may be used.

2.1.6 This list is reviewed annually by the CIL Spending Panel in line with the Council's Corporate Strategy and approved by Cabinet.

CIL Infrastructure Funding Statement - FY22/23

Community Infrastructure Levy

Annual List of Infrastructure Projects 2023

Following the deletion of CIL Regulation 123 in September 2019, each Collection Authority must produce an Annual Infrastructure Funding Statement.

The infrastructure funding statement will be produced and published no later than the 31 December annually and will provide details of CIL receipts, expenditure, allocations and payments.

To support the Annual Infrastructure Statement, the Borough Council of King's Lynn and West Norfolk have produced a list of criteria for which CIL may be used for in FY23/24.

Infrastructure Projects funding over £30,001

- 18+ Adult Education Infrastructure Projects
- Green Infrastructure Projects
- Leisure Time Activities Infrastructure

Infrastructure Projects funding of £2,000 and up to £30,000

- Education – local initiatives
- Health
- Economic Development
- Community Facilities
- Green Infrastructure
- Open Space and Leisure

This list will be continually reviewed, to meet the changing needs and aspirations of the Borough to support future infrastructure.

CIL Infrastructure Funding Statement - FY22/23

2.2 CIL Headline Figures

2.2.1 Full details of CIL Income & Expenditure is contained within the appendices of this document.

CIL Headline Figures	Amount
CIL invoiced (set out in Demand Notices) in FY ⁽³⁾	£1,637,290.32
CIL receipts received in FY ⁽⁴⁾	£1,259,826.21
CIL receipts that CIL regulations 59E and 59F applied to ⁽⁵⁾	£0
CIL expenditure in FY ⁽⁶⁾	£1,271,255.59
CIL retained at end of FY ⁽⁷⁾	£2,616,837.58

3 Includes any late payment or other surcharges, and interest, included in Demand Notices.

4 Total CIL receipts during reported year and related admin costs retained, which includes any land and infrastructure “payments” received as “In-Kind” CIL payments; any CIL receipts subsequently set aside for CIL administration and ‘Local CIL’ purposes; any CIL surcharges/interest received, and CIL received for any other reason other than CIL collected on behalf of another CIL charging authority.

5 The total amount of CIL that was relevant to CIL regulation 59E (CIL previously paid to a parish or town council under CIL Regulation 59A or 59B which has subsequently been recovered from that parish Council) and CIL regulation 59F (a proportion of CIL that may be set aside to spend in the locality of a CIL liable development, which would otherwise have been paid to a parish or town council if such a council existed in the area where the CIL charge was incurred) .

6 Actual CIL expenditure during the reported year , regardless of when received, including ‘Local CIL’ allocations both where spent by the charging authority under CIL regulation 59E and 59F, and where passed to parish/town councils under regulation 59A or 59B, whether subsequently spent or not by that council. Also includes CIL passed to external organisations under regulation 59(4) whether subsequently spent or not; CIL spent on administration of CIL; CIL “expenditure” in regard to any land and infrastructure payment received as “In-Kind” CIL payments from the point any development on the land is commenced or completed , and CIL refunded due to overpayments.

7 Total CIL retained – whenever received and including CIL retained to which regulation 59E and 59F applied

CIL Infrastructure Funding Statement - FY22/23

CIL Headline Figures	Amount
----------------------	--------

2.3 CIL Expenditure

2.3.1 'Infrastructure expenditure' mainly relates to CIL spent by the reporting authority, but this section can include details of infrastructure provision undertaken by an external organisation who has been passed CIL funds by the reporting authority under regulation 59(4).

2.3.2 Within this financial year, the allocation and spending of CIL was agreed, and the CIL Governance Document was produced.

2.3.3 The Governance arrangements will be amended annually to meet Corporate

2.3.4 CIL monies has been allocated and spent in the FY, in line with the Governance Document ⁽⁸⁾

Summary of CIL Expenditure in FY

CIL Admin Costs 5%	£62,991.31
Parish Payments made	£238,545.78
Infrastructure Project Funding	£969,718.50
Total Spend in FY	1,271,255.59

8 https://www.west-norfolk.gov.uk/info/20233/cil_governance_and_funding/536/cil_governance

CIL Infrastructure Funding Statement - FY22/23

CIL Administration Fees

2.3.5 Total amount of CIL spend on administrative expenses in FY and that amount expressed as a percentage of the total CIL received in FY:

Administration Type	Amount Spent	
Salaries & on costs	£59,667.31	
Professional Fees:		
• POS CIL Groups Fee	£1,800.00	
• Legal Advice	£180.00	
Advertising	£1,044	
Membership - Planning Jungle Ltd	£300.00	
Total Spent	£62,991.31	5% of Total CIL Income

2.4 CIL Neighbourhood Parish Payments/Expenditure

2.4.1 The CIL Neighbourhood Payments are made to Parishes, where development has started and CIL payments have been made.

2.4.2 The payments are automatically calculated by Officers and paid directly into the Parish Council bank accounts, twice a year.

2.4.3 The Borough Council is required to pass to the relevant Parish/Town Council (PC) 15% of CIL receipts that arise from development in their parish area.

2.4.4 Payments will be capped to £100 per council tax dwelling per year - index linked.

2.4.5 CIL Parish Indexation Calculation

$£100 \times N \times \frac{I_y}{I_0}$
where—
I_y is the index figure for the calendar year in which the amount is passed to the parish council (as determined in accordance with paragraph 1(5) of Schedule 1);
I_0 is the index figure for 2013 (as determined in accordance with paragraph 1(5) of Schedule 1); and
N is the number of dwellings in the area of the parish council

CIL Infrastructure Funding Statement - FY22/23

Adopted Neighbourhood Development Plan Areas

2.4.6 The following areas in the Borough, with a Neighbourhood Development Plan, will received 25% Neighbourhood CIL Payment, from the date the plan was adopted:

Adopted Neighbourhood Development Plan Area	Date Plan Adopted	Adopted Neighbourhood Development Plan Area	Date Plan Adopted
Brancaster	22/02/2021	Castle Acre	10/02/2022
Heacham	30/06/2022	Hunstanton	30/06/2022
Holme-next-the-Sea	27/07/2021	Sedgeford	16/09/2019
Snettisham	30/11/2018	South Wootton	20/01/2023
Terrington St John	12/10/2021	Thornham	27/07/2021
Tilney All Saints	27/07/2021	Upwell	27/07/2021
Walpole Cross Keys	04/10/2017	West Winch & North Runcton	04/10/2017

2.4.7 A PC may choose not to receive CIL and must notify the CIL Officer of this decision. In such cases the Borough Council will spend the CIL income on the Parish Councils behalf and in consultation with the Parish Council.

2.4.8 CIL is paid in instalments over 2 months to 5 years, depending on the size of the development when building works start. Planning permissions can be valid for three years, so it may be a number of years before significant CIL payments are received.

2.4.1 CIL Neighbourhood Parish - Payments Made

2.4.1.1 The total amount of CIL passed to any parish or town council under CIL regulations 59A and 59B is shown in the table below:

FY Parishes Paid	Total Amount Paid in FY
FY17/18	£5,178.15
FY18/19	£60,927.97
FY19/20	£127,285.43

CIL Infrastructure Funding Statement - FY22/23

FY Parishes Paid	Total Amount Paid in FY
FY20/21	£141,600.82
FY21/22	£205,663.74
FY22/23	£238,545.78
Total Amount Paid	£862,887.49

2.4.1.2 A full summary of the payments made in FY can be found at **Appendix C 'Summary of Parish Payments Made for FY'**.

2.4.1.3 Parish payment reports are published on our CIL webpages.⁽⁹⁾

9 https://www.west-norfolk.gov.uk/info/20223/cil_financial_reports/686/cil_parish_reports

CIL Infrastructure Funding Statement - FY22/23

2.4.2 CIL Neighbourhood Parish - Spending

2.4.2.1 Once Parishes have been paid the Neighbourhood CIL, they are required to record all CIL expenditure and return a Report to the Borough Annually.

2.4.2.2 The Borough Council have a statutory requirement, to record all CIL Expenditure, including the amount spent by Parishes.

2.4.2.3 Full details of Parish Expenditure for the FY, can be found at: Appendix D 'Summary of Parish Expenditure for FY'

2.4.3 CIL Neighbourhood Parish - Retained

CIL Neighbourhood Parish Funding Retained	
Amount Retained by the Parish from previous FY	£373,570.82
Amount held by Parishes end of FY - Carried forward to next FY	£412,442.64

2.4.4 CIL Neighbourhood Parish - Repayments

2.4.4.1 To date, there have been no Parish repayments.

CIL Infrastructure Funding Statement - FY22/23

2.5 Allocated CIL Receipts - Excluding Admin & Neighbourhood Parish Payments

2.5.1 CIL Infrastructure Funding is allocated in accordance with the CIL Governance Document.

2.5.2 The first round of funding was allocated in September 2021, and then twice a year thereafter.

CIL Funding Allocations	Amount Allocated in FY
FY21_1 - September 2021	-£235.14 unallocated
FY22_1 March 2022	£173,866.61
FY22_2 - September 2022	£779,024.41
FY23_1 - March 2023	£479,470.40
Total Amount Allocated in FY	£1,432,126.28

2.5.3 Full details of all projects allocated funding can be found at: Appendix E 'Close of Accounts for FY - Overall Summary of CIL Infrastructure Allocation & Expenditure'

CIL Infrastructure Funding Statement - FY22/23

2.6 CIL Funded Infrastructure Projects

2.6.1 CIL Infrastructure Funding is allocated in accordance with the CIL Governance Document and Annual Infrastructure Funding List.

2.6.2 A summary of the CIL Infrastructure Spending within this financial year, can be seen in the table below, with lists of the projects funded within the Appendices to this document.

Infrastructure Project/Type	CIL Amount Spent in FY
Appendix F 'Applications FY21_1 Summary of Infrastructure Funding'	£225,923,63
Appendix G 'Applications FY22_1 Summary of Infrastructure Funding'	£358,874.51
Appendix H 'Applications FY22_2 Summary of Infrastructure Funding'	£383,294.36
Appendix I 'Applications FY23_1 Summary of Infrastructure Funding'	£1,626.00
Total Amount Spent in FY	£969,718.50

CIL Repayment on Borrowing

2.6.3 Total amount of CIL spent in FY on repaying money borrowed, including any interest, and details of the items of infrastructure which that money was used to provide (wholly or in part):

Infrastructure Item	Amount Repaid on money borrowed in FY
NA	£0

CIL Infrastructure Funding Statement - FY22/23

2.7 CIL Receipts Retained (Allocated & Unallocated)

2.7.1 Details of the infrastructure projects or items which have been funded by CIL receipts, whenever collected:

- Retained - refers to CIL sums remaining unspent and therefore includes sums both 'allocated' and 'unallocated'.
- 'Allocated' means CIL sums retained by the reporting authority which have, or knowingly will be, passed to an internal team to fund a specific infrastructure project or infrastructure type.
- 'Allocated' also includes sums which will knowingly be passed to an external organisation, but which are yet to be passed.

Retained CIL Infrastructure Funding - Receipts, Allocations & Spending	
The total amount of CIL receipts, received prior to FY, <u>which had been allocated</u> (to an infrastructure project or item), but not spent , by the end of FY	£621,007.70
The total amount of CIL receipts, received prior to FY <u>which had not been allocated</u> (to an infrastructure project or item) by the end of FY	£1,749,955.48
The total amount of CIL receipts, whenever collected including FY <u>which were allocated</u> (whether allocated prior to or during FY but not spent during FY	£1,583,827.12

2.7.2 Retained - refers to CIL sums remaining unspent and therefore includes sums both 'allocated' and 'unallocated'.

2.7.3 'Allocated' means CIL sums retained by the reporting authority which have, or knowingly will be, passed to an internal team to fund a specific infrastructure project or infrastructure type.

2.7.4 'Allocated' also includes sums which will knowingly be passed to an external organisation, but which are yet to be passed.

CIL Infrastructure Funding Statement - FY22/23

3 Planning Obligations (S106)

3.0.1 Section 106 of the Town and Country Planning Act 1990 enables a local planning authority to enter into a negotiated agreement – a planning obligation - to mitigate the impact of a specific development, to make it acceptable in planning terms. The planning obligation might, for example, require the provision or contribution to a new or improved road, school, health facility or local green infrastructure.

3.0.2 Local planning authorities can also seek planning obligations to secure a proportion of affordable housing from residential developments. In some instances, section 106 planning obligations may require payments to be made to parish councils.

3.1 Planning Obligations Headline Figures

Financial Contributions - Income

3.1.1 This section provides an overview of all S106 Contributions, both agreed, received, allocated and spent in this FY.

S106 Income - Financial Contributions	Total Amount
<p>Future Income</p> <p>Amount to be provided through planning obligations <u>agreed in FY</u></p>	£268,795.00
<p>Income in FY</p> <p>Total <u>money received</u> through planning obligations (whenever agreed) in FY</p>	£613,749.30

CIL Infrastructure Funding Statement - FY22/23

S106 Infrastructure - Expenditure in FY

3.1.2 Summary details of the items of infrastructure on which money received through planning obligations (whenever received) has been spent in the FY, and the amount of money, received through planning obligations, spent on each item.⁽¹⁰⁾

S106 Expenditure	Total Amount
<p>Spend In FY:</p> <p>Total money, received through planning obligations (whenever agreed), and spent in FY, which includes:</p> <ul style="list-style-type: none"> • Affordable Housing Financial Contributions - £549,997.82 • Open Space 15 Year Maintenance - £90,885.19 • Habitats Monitoring & Mitigation (HMM)- £52,707.17 	£693,590.18

3.2.4 West Norfolk Habitats Monitoring and Mitigation (HMM) Fund

3.2.4.1 The West Norfolk Habitats Monitoring and Mitigation (HMM) Fund has been replaced by Green Infrastructure and Recreational Impact Avoidance & Mitigation Strategy (GIRAMS), however the Council will continue to monitor expenditure until such time that the full amount of HMM has been spent in line with the relevant regulations.

Aim and purpose of the HMM fund:

3.2.4.2 Developers within the Borough Council of King's Lynn and West Norfolk boundary have been required to pay a small levy of £55 per dwelling to the borough council in order to help monitor and mitigate the adverse effects of increasing visitor numbers to Natura 2000 sites resulting from their development. These levies have been drawn together to create the West Norfolk Habitats Monitoring and Mitigation (HMM) Fund.

3.2.4.3 The fund is being administrated on behalf of the Borough Council of King's Lynn and West Norfolk by the Norfolk Coast Partnership.

3.2.4.4 This fund operates on an application basis to fund projects that will monitor and mitigate increasing visitor numbers to these sites in the borough of King's Lynn and West Norfolk:

- Roydon Common and Dersingham Bog SAC/Ramsar
- The Wash and North Norfolk Coast SAC (Marine)
- The Wash SPA/Ramsar
- The North Norfolk Coast SAC/SPA/Ramsar

3.2.4.5 It also includes other Natura 2000 sites outside of King's Lynn and West Norfolk:

- The Norfolk Valley Fens SAC (in West Norfolk)
- Breckland SAC/SPA
- The Norfolk Valley Fens SAC (all)
- The River Wensum SAC
- The Ouse Washes SAC/SPA/Ramsar

Total Expenditure			£52,707.17

CIL Infrastructure Funding Statement - FY22/23

3.2.5 Green Infrastructure and Recreational Impact Avoidance & Mitigation Strategy (GIRAMS)

3.2.5.1 The Green Infrastructure and Recreational Impact Avoidance & Mitigation Strategy (GIRAMS) replaces the West Norfolk Habitats Monitoring and Mitigation (HMM) Fund.

3.2.5.2 The GIRAMS is a costed per unit (dwelling/unit of holiday accommodation) tariff based strategy, that gives a detailed programme of county wide mitigation measures aimed at delivering the necessary mitigation to avoid adverse effects on the integrity of the Habitats Sites.

3.2.5.3 There is a required cost to be paid by developers on each new dwelling that does not currently have planning permission. This approach seeks to mitigate the additional recreational pressure, in a way that ensures that those responsible for it pay to mitigate it at a level consistent with the level of potential harm. This represents a planning contribution that must be paid for each net new dwelling delivered in the County.

3.2.5.4 It is not designed to deal with existing recreational impact issues, just that of future predicted impacts. The Strategy has been prepared in collaboration with all Norfolk planning authorities including the County Council and Natural England, with the help of other stakeholders such as the Forestry Commission and Norfolk Wildlife Trust.

GIRAMS - Headlines

GIRAMS In Hand - received before FY	£89,963.72
GIRAMS Expenditure	£0
GIRAMS Unspent	£89,963.72

Summary of Norfolk GI and RAMS Strategy recommendations

3.2.5.5 The Norfolk wide GI and RAMS Strategy aims to support Local Plan growth & meet the GI and Nature need for residents and visitors. It recommends each Authority:

- Commits to deliver enhanced GI with multiple benefits which is accessible locally to all Norfolk residents & tourists;
- Works flexibly and look beyond boundaries for strategic delivery of GI and RAMS measures at a range of levels;
- Commits to consulting conservation bodies regarding Rangers, seeking creative management options and acting on the results of monitoring;

CIL Infrastructure Funding Statement - FY22/23

- Delivers strategic and Local Plan policies, in relation to new residential and tourist accommodation, and work towards an aspirational target for enhanced GI within large scale developments;
 - Secures developer contributions from all new residential development across Norfolk based on the evidenced tariff based approach, to make a substantial contribution to mitigating adverse impacts arising from planned housing growth at Habitats sites
1. Implements the key projects and priorities to encourage appropriate recreational behaviour in line with the RAMS Action Plan.

CIL Infrastructure Funding Statement - FY22/23

Appendix A Regulatory Requirements for Infrastructure Funding Statements

A.0.1 Regulation 121A states:

1. Subject to paragraph (2), no later than 31st December in each calendar year a contribution receiving authority must publish a document (“the annual infrastructure funding statement”) which comprises the following—
 - a. a statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL (other than CIL to which regulation 59E or 59F applies) (“the infrastructure list”);
 - b. a report about CIL, in relation to the previous financial year (“the reported year”), which includes the matters specified in paragraph 1 of Schedule 2 (“CIL report”);
 - c. a report about planning obligations, in relation to the reported year, which includes the matters specified in paragraph 3 of Schedule 2 and may include the matters specified in paragraph 4 of that Schedule (“section 106 report”).
2. A contribution receiving authority must publish each annual infrastructure funding statement on its website.

Appendix B List of Schedule 2 Requirements for the IFS

Community Infrastructure Levy (CIL) reporting requirements in accordance with CIL Regulation Schedule 2 Paragraph 1:

Reporting Requirement	Number	Total
1 (a). The total value of CIL set out in all demand notices issued in the reported year	173 Demand Notices	£1,637,290.32
1 (b). The total amount of CIL receipts for the reported year		£1,259,826.21
1 (c). The total amount of CIL receipts, collected by the authority, or by another person on its behalf, before the reported year but which have not been allocated		£1,749,955.48
1 (d). The total amount of CIL receipts, collected by the authority, or by another person on its behalf, before the reported year and which have been allocated in the reported year		£1,432,126.28
1 (e). The total amount of CIL expenditure for the reported year		£1,271,255.59

CIL Infrastructure Funding Statement - FY22/23

Reporting Requirement	Number	Total
1 (f). The total amount of CIL receipts, whenever collected, which were allocated but not spent during the reported year		£1,583,827.12
1 (g). in relation to CIL expenditure for the reported year, summary details of— (i) the items of infrastructure on which CIL (including land payments) has been spent, and the amount of CIL spent on each item; (ii) the amount of CIL spent on repaying money borrowed, including any interest, with details of the items of infrastructure which that money was used to provide (wholly or in part); (iii) the amount of CIL spent on administrative expenses pursuant to regulation 61, and that amount expressed as a percentage of CIL collected in that year in accordance with that regulation;		(i) £969,718.50 Appendix E 'Close of Accounts for FY - Overall Summary of CIL Infrastructure Allocation & Expenditure' (ii) £0 (iii) £62,991.31 - 5%
1 (h). in relation to CIL receipts, whenever collected, which were allocated but not spent during the reported year, summary details of the items of infrastructure on which CIL (including land payments) has been allocated, and the amount of CIL allocated to each item;		£1,583,827.12 Appendix E 'Close of Accounts for FY - Overall Summary of CIL Infrastructure Allocation & Expenditure'
1 (i). The amount of CIL passed to: (i) any parish council under Regulation 59A or 59B (ii) (any person under Regulation 59(4))		(i) £238,545.78 Appendix C 'Summary of Parish Payments Made for FY' (ii) £0
1 (j). summary details of the receipt and expenditure of CIL to which regulation 59E or 59F applied during the reported year including— (i) the total CIL receipts that regulations 59E and 59F applied to;		(i) £0 (ii) £0

CIL Infrastructure Funding Statement - FY22/23

Reporting Requirement	Number	Total
(ii) the items of infrastructure to which the CIL receipts to which regulations 59E and 59F applied have been allocated or spent, and the amount of expenditure allocated or spent on each item;		
(k) summary details of any notices served in accordance with regulation 59E, including— (i) the total value of CIL receipts requested from each parish council; (ii) any funds not yet recovered from each parish council at the end of the reported year;		(i) £0 (ii) £0
(l) The total amount of: (i) CIL receipts for the reported year retained at the end of the reported year other than those to which Regs 59E and 59F applied; (ii) CIL receipts from previous years retained at the end of the reported year other than those to which Regs 59E and 59F applied; (iii) CIL receipts for the reported year to which Regs 59E and 59F applied retained at the end of the reported year; (iv) CIL receipts from previous years to which Regs 59E and 59F applied retained at the end of the reported year.		(i) £621,007.70 (ii) £963,625.45 (iii) £0 (iv) £0

Briefing Note - Green Infrastructure & Recreational impact Avoidance & Mitigation Strategy (GIRAMS)

Q “Funding principle agreed across the whole county, adopted last year. Is there any method by which we can get a statement on the current state of affairs and how this money was going to be spent”

GIRAMS is the Norfolk wide strategy to help off-set the impact of development (housing) upon sites of European Protected importance. Essentially it deals with visitor pressure put on these sensitive sites by extra people living in new housing. The protected sites are particularly vulnerable to dog walking. The Wash is covered, as are Dersingham Bog and Roydon Common, as Special Protected Area's (SPA's).

Previously we had our own group set up (chaired by Cllr Kunes) including NWT, RSPB, Natural England, and other interest groups, agreeing how to spend the monies we raised before the county wide Norfolk GIRAMS was set up. Cllr De Whalley is now chair, and we are currently assessing what, if any legacy funds we have left to spend. Essentially our fund was similar to GIRAMS, but only for our Borough. That was around £55 per dwelling. That group allocated funds for projects, including schemes at Roydon Common, the Plovers in Peril project at Holme etc.

The new county-wide GIRAMS is around £210 per dwelling, and that should apply across the county. We have been collecting this for some time, and have about £130,000 in the pot. Many of the other Norfolk authorities have collected very little at all, because they have been preoccupied dealing with Nutrient Neutrality, which is effectively a moratorium on new housing development. No new housing means no GIRAMS monies.

The question is correct that the principle of GIRAMS was agreed across the county at a previous Norfolk Strategic Planning Forum meeting. However, we are still trying to establish and agree the precise mechanism for spending the monies, and there is some disagreement between the county and districts who has the final say over that. That said, there has been a study (by Footprint ecology), including consultation with all the main players (NWT, RSPB etc), which is now concluding, which seeks to identify priority projects, which will inform future decisions made. So there is work being done on this issue.
