REPORT OF THE INDEPENDENT MEMBERS’ ALLOWANCES PANEL FOR 2025/26

Summary

This item introduces the report of the Independent Members Allowances Panel for the 2025/26 financial year and invites the Cabinet to consider the content and the consultation undertaken with the Leader and make formal recommendations to Council accordingly.

RECOMMENDATION

1. The content and recommendations of the report of the Independent Remuneration Panel dated November 2024 are noted.
2. The Members Allowances for 2025-2026 set out in Table 3 of this report are approved.
3. The Members’ Allowance Scheme 2025-2029 attached as Appendix 2 is approved to come into effect on 1 April 2025 for a period of four years, subject to being updated with the Members Allowances approved at recommendation 2 above.

4. Following the 2025-26 year, indexation is applied to Members Allowances for 3 years in line with the percentage increase to the national joint council for local government pay services pay grades spinal column point 43.
5. The Chief Finance Officer is delegated to approve non-material revisions to the Members' Allowance Scheme, including the levels of allowances to reflect the current figures after indexation has been applied.

Reason for Decision

To comply with the requirements of The Local Authorities (Member's Allowances) (England) Regulations 2003 and set the allowances for 2025/2-9.

1 THE INDEPENDENT PANEL

In accordance with the Local Authorities (Member's Allowances) (England) Regulations 2003 all local authorities are required to appoint an independent remuneration panel (IRP) to advise on the terms and conditions of the scheme for Members allowances. Local authorities must have regard to the recommendations of their IRP before making decisions on the Member's Allowances Scheme.

IRP's are required every four years. The last members allowances scheme came into effect in April 2021 and therefore, in accordance with the regulations, the next IRP was due during 2024/25 with the resulting scheme coming into effect from 1st April 2025.

The Independent Panel for the current year was appointed by the Appointments Board in June 2024 and has been made up of the following members:

- Mark Palmer, South East Employers Organisation
- David Dixon, Independent/ Media Representative
- Mike Press, Independent/ Community Representative

The findings of the IRP are presented in Appendix 1.

2 CONSULTATION WITH THE LEADER

2.1 Public Service Discount

The IRP recommended the application of a 20% Public Service Discount to the Basic Allowance to take into account what they consider is the level of discount that should be applied. After consultation with the Leader on the proposals set out in the report it is noted that given that the Fair Remuneration Principle (para 3.2.1 IRP report) states that allowances should encourage people from all backgrounds to become councillors, and those that do so should not suffer unreasonable financial consequences as a result, 5% is proposed as an appropriate level of Public Service Discount (PSD) which is taken into account against the basic allowance.

2.2 ICT Allowance

The IRP recommended that the Members ICT allowance be withdrawn as they had recommended in previous reviews (para 4.4.1 IRP report). The Council had previously opted to retain the allowance for members. It is proposed that the ICT allowance be retained.

2.3 Licensing Committee and Licensing and Appeals Board Vice Chair's Special Responsibility Allowances

The IRP recommended that the Allowances for these Vice Chairs should be 35%. (para 4.2.1 IRP report) As this is essentially a cut in allowance with no diminishing of responsibility it is proposed that the Vice Chairs responsibility be set at 45%.

2.4 Standards Independent Co-optees

The IRP have recommended that this allowance remains at 2024/25 levels plus indexation (para 4.2.28 IRP report). Given the importance of having a suitable Independent Person on the Standards Committee and the demands of the role in terms of time, dedication, and a certain level of expertise, it is recommended that this allowance is indexed at the same rate as the members basic allowance in 2025/26 and thereafter.

2.5 Larger Opposition Group Deputy Leader Allowance

The IRP have recommended that this allowance be withdrawn (para 4.2.27 IRP report). With no diminishing of responsibility of the Larger Opposition Group Deputy Leader, nor of the need to substitute for the Larger Opposition Group Leader on occasion, as well as gaining political and procedural skills, experience, and knowledge to the benefit of the Council and the community, it is proposed that the Larger Opposition

Group Deputy Leader allowance be retained and set at 45% of the Larger Opposition Group Leader allowance.

2.6 Other Opposition Group Deputy Leader allowance.

The IRP have recommended that this allowance be withdrawn (para 4.2.27 IRP report). With no diminishing of responsibility of the Other Opposition Group Deputy Leader, nor of the need to substitute for the Other Opposition Group Leader on occasion, as well as gaining political and procedural skills, experience, and knowledge to the benefit of the Council and the community, it is proposed that the Other Opposition Group Deputy Leader allowance be retained and set at 45% of the Other Opposition Group Leader allowance.

2 **MEMBERS ALLOWANCES SCHEME**

The Council operates a Members Allowances Scheme which is updated each year to include the new levels and tax/NI implications for the current year. The Scheme is attached for approval as appendix 2. The appendix, containing the levels of allowances will be updated following the decision of Council.
