Appendix K: Addendum to Safeguarding Policy To Comply With Charity Commission Requirements

The scope of the Council's Safeguarding Policy extends to those employees of Alive Management Limited and those jointly employed by Alive Management Limited and Alive Leisure:

"3.1 Scope

3.1.1 This policy applies to all Council activity, including that of Alive Management Limited and functions/services delivered by the joint employees of Alive Management Limited and Alive Leisure, whether functions are directly provided or commissioned from a third party."

Alive Leisure, as a charity, have a statutory responsibility to report any serious incidents to the Charity Commission, in addition to the other contacts already outlined within the body of this policy. This new statutory requirement applies to any incident which takes place at an Alive venue, or as part of any service or activity that Alive Leisure is responsible for delivering.

The following additions are therefore required to the Council's safeguarding policy in relation to leisure staff only:

- 7.1. For issues raised within Leisure, if it is decided to refer an issue to the MASH the matter must also be referred to the Charity Commission by e-mailing RSI@charitycommission.gsi.gov.uk
- 7.3.7 Serious incidents must be reported to the Charity Commission by emailing RSI@charitycommission.gsi.gov.uk if:
- o Beneficiaries (customers) have been, or are alleged to have been, abused or mistreated while under the care of the charity, or by someone connected with the charity, for example a trustee, staff member or volunteer
 - o There has been an incident where someone has been abused or mistreated (alleged or actual) and this is connected with the activities of the charity
 - o There has been a breach of procedures or policies at the charity which has put beneficiaries (customers) at risk, including a failure to carry out checks which would have identified that a person is disqualified under safeguarding legislation from working with children or adults

This includes any allegations which are reported to the LADO (see section 7.3.6)
