

BOROUGH COUNCIL OF KING'S LYNN & WEST NORFOLK**COUNCIL****Minutes from the Meeting of the Council held on Thursday, 25th February, 2016 at 6.30 pm in the Town Hall, Saturday Market Place, King's Lynn**

PRESENT: Councillor C Manning, Mayor
 Councillors B Ayres, Miss L Bambridge, A Beales, R Bird, R Blunt, A Bubb, Mrs J Collingham, J Collop, Mrs S Collop, P Colvin, C Crofts, N Daubney, Mrs S Fraser, R Groom, G Hipperson, P Hodson, M Chenery of Horsburgh, Lord Howard, M Howland, H Humphrey, C Joyce, C Kittow, P Kunes, A Lawrence, B Long, C Manning, G McGuinness, Mrs K Mellish, J Moriarty, A Morrison, Mrs E Nockolds, D Pope, P Rochford, C Sampson, T Smith, Mrs S Squire, M Storey, A Tyler, D Tyler, G Wareham, Mrs E Watson, Mrs J Westrop, D Whitby, Mrs M Wilkinson, T Wing-Pentelow, Mrs A Wright and Mrs S Young

Apologies for absence were received from Councillors P Beal, Mrs C Bower, Mrs S Buck, I Devereux, P Gidney, I Gourlay, M Hopkins, M Peake, Miss S Sandell, M Shorting, Mrs V Spikings, J M Tilbury and A White

C:78 PRAYERS

The Mayor informed Council of the sad death of Councillor Ian Devereux's wife Marianne. Council wished its sincere condolences be sent to Councillor Devereux and his family.

Prayers were led by the Mayors Chaplain, Father Ling.

C:79 MINUTES

RESOLVED: The Minutes of the Meeting held on 28 January 2016 were approved as a correct record and signed by the Mayor.

C:80 DECLARATION OF INTEREST

Councillor Baron Horsburgh did not participate in the debate or vote on the budget item at C83.

C:81 MAYOR'S COMMUNICATIONS AND ANNOUNCEMENTS

The Mayor informed Council that the Mayor's Officer Kelly Seaman was undertaking a parachute jump in aid of the Mayor's Charity, he invited Councillors to sponsor Mr Seaman on the forms which were available in the room.

C:82 **URGENT BUSINESS**

None.

C:83 **THE FINANCIAL PLAN 2015/2020 AND COUNCIL TAX RESOLUTION 2016/2017**

Councillor N Daubney, as Leader of the Council, proposed his budget pursuant to Minute CAB124: The Budget 2015/2020, of the Cabinet Meeting held on 2 February 2016. In proposing the budget, Councillor Daubney reminded Council that in proposing his last budget the Council remained at the top of the efficiency list of councils when measuring service delivered against tax raised.

He drew attention to the fact that there was now a change of emphasis in Council financing which was progressing towards zero direct government funding for services and cooperative working to deliver infrastructure and growth by the ability to retain and attract business growth.

He commented that the council was well placed to look to the future with confidence because since 2009 nearly £8m pounds of savings had been delivered by the Authority, but to maintain the budget position a further £3m had to be found over the coming years.

Councillor Daubney commented that the Administration had resisted the calls from others to mitigate the risk of funding cuts by taxing more, he stated he had measured the risk and mitigated by efficiency.

He drew attention to the fact that services of the council were consistently rated as high quality –improvements were recognised and respected and the Council had maintained a Borough which was clean, smart, interesting and fun whilst bringing employment and growth which was essential, as were savings.

He reminded Members that savings could be targeted and measured but of course they got harder to deliver. One of his last acts as Leader would be to charge member teams to study specific areas of our operations and identify areas to save. He believed that opportunity was there with fast developing technology and innovative thinking and savings could and would be delivered.

He drew attention to the fact that measured by tax increases against service delivered the Council was one of the UK's most efficient councils which he wished it to remain so.

Councillor Daubney, in referring to increases in car parking charges reminded Members that they had been frozen for five years and the modest increases proposed enabled a balance, allowing those using the services to contribute to them, with the charges making a large and valuable contribution to festivals and events in the Borough.

He considered that the Council had:

- delivered improvement in facilities and a first class service.
- was adopting technology to engage better with the population at lower cost
- was working with continued ambition
- welcomed regeneration with the town centre enhanced and within weeks the world class Innovation Centre would open.

- continued to support educational attainment with the completion of a University Block in King's Lynn later in the year
- Borough Council apprentice schemes
- Light shows, festivals, trails and the expansion of the events programme
- Maintenance of the important basics, like a first class waste collection and recycling service

Councillor Daubney extended his thanks to the Chief Executive and officers for their expertise, advice and guidance and specifically the Section 151 Officer who had taken over the reins not so long ago and had demonstrated strength, robustness, knowledge and integrity as had the teams behind them.

In presenting his last financial plan, Councillor Daubney reminded Members it was one with the most challenging forecast, but stated he had faith that the Council would deliver. He also thanked his Group who had scrutinised the plan and given him the confidence to present it.

Councillor Beales seconded the proposal.

Councillor J Collop, as Leader of the Labour Group passed on his thanks to the Assistant Director and her Team for putting together the Financial Plan. He commented that the Government cuts had been severe in this round and would involve cuts in staff numbers and services by 19%. He referred to the fact that the increase in Council Tax was proposed as 0.8%, which he considered was 1% below RPI. Councillor Collop drew attention to the fact that the Government were now permitting councils to increase their Council Tax by £5, assuming that they would do so in order to mitigate some of the Government cuts on things such as no award for not putting up Council Tax, reduction in New Homes Bonus and Revenue Support Grant. He also drew attention to the risk associated with business rates growth of which Councils could retain 40% of the net growth, but in uncertain times with the EU referendum there was great economic risk. He commented that there were no details yet of the efficiency plan proposed, to address the significant financial challenges ahead, whereas the increase suggested by Government would give an additional £380,000 pa.

Councillor J Collop proposed an amendment to the budget that an increase in the Council Tax of 1.9% for the next 3 years be approved.

This was seconded by Councillor McGuinness, who referred to the increases in Special Expenses which had been added to many Town and Parish Councils across the Borough. He considered it would have made it easier to protect some of those parishes across the Borough if a general increase of £5 had been proposed.

Councillor A Tyler concurred with the comment and stated that if there had been a modest increase in Council Tax in the last few years it would have helped improve services and assist those areas with problems in the Borough. He also praised the officers who had prepared the Plan.

Councillor Joyce agreed with the Leader on the issue of working to increase educational attainment in the Borough. He sought to remind the next Leader of the commitment given. In speaking to the amendment he did not recall disagreement about the provision of IT for Members, as Cabinet Scrutiny had suggested some improvements to the scheme. He commented that it was a Conservative Government who had suggested the £5 increase which was 10p per week which wasn't being proposed but, he felt increases were being made in other ways such as car parking and Special expenses. He asked what would happen to existing services.

Councillor Rochford stated that as he had campaigned promising no increase in Council Tax, he would not support the budget.

In summing up on the amendment, Councillor Daubney stated that it wasn't his habit to fill the gap in a budget by increasing Council Tax. He referred to the issue of Special Expenses increases, and reminded Members that Parishes had the ability to deliver the services covered by the Borough themselves. He considered that the budget proposed was sustainable, with an element of risk which would be mitigated. He urged Councillors to vote against the amendment.

In accordance with SI2014 No 165, a recorded vote was taken on the amendment.

The amendment was lost.

In debating the substantive motion, Councillor Moriarty expressed disappointment that no communication had gone to parishes regarding the increases in Special Expenses.

Councillor Long reminded Members that some Parishes conducted the work themselves and were already paying for it, therefore to not charge a parish for work carried out on parish land such as grass cutting so was unfair on those parishes. Should other parishes wish to do the same they were able to do so.

Councillor Daubney summed up and commended his budget.

A recorded vote was taken:

The substantive Motion was agreed.

RESOLVED:

- 1) That the revision to the Budget for 2015/2016 (as set out in Appendix 4 of the report) be approved.
- 2) That the Policy on Earmarked Reserves and General Fund Working Balance and the maximum balances set for the reserves be re affirmed.
- 3) That the budget of £18,447,560 for 2016/2017 and note the projections for 2017/2018, 2018/2019 and 2019/2020 (as set out in Appendix 4 of the report) be approved.
- 4) That the level of Special Expenses for Town/ Parish Councils (as set out in Appendix 2 of the report) be approved.

- 5) That the Fees and Charges for 2016/2017 as detailed in Appendix 4 of "The Financial Plan 2015/2020" booklet as reported to Cabinet on 2 February 2016 be approved.
- 6) That Management Team be instructed to present the Council's Efficiency Plan to Cabinet as soon as the Government guidance is published and that the Council takes up the option to 'fix' the four year settlement.
- 7) That a minimum requirement of the General Fund balance for 2016/2017 of £932,756 be approved.
- 8) The Local Authorities (Calculation of Tax Base) (England) Regulations 2012 contain rules for the calculation of the Council Tax Base, which is an amount required by the Local Government Finance Act 1992 to be used in the calculation of the tax by the Council as the billing authority, and Norfolk County Council and the Norfolk Police and Crime Commissioner as major precepting authorities, and in the calculation of the precept payable by the Council to the County Council and Norfolk Police and Crime Commissioner. **Under Officer Delegated Decision the Council Tax Base was calculated as follows for the year 2016/2017:**

Number of dwellings in each Council Tax band; taking into account the multipliers, discounts, exemptions, rate of collection and Council Tax Support.

- (a) **47,940** being the amount calculated by the Council, in accordance with Regulation 3 of the Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012, as its Council Tax Base for the year.

The tax base for each Parish

- (b) the amounts listed on pages 11-14 of the report, (Column headed - Taxbase) being the amounts calculated by the Council, in accordance with Regulation 6 of the Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012, as the amount of its Council Taxbase for the year for dwellings in those parts of its area to which one or more special items relate.
- 9) Approve that the following amounts be now calculated by the Council for the year 2016/2017 in accordance with

Sections 31A to 36 of the Local Government Finance Act 1992:

Total expenditure

- (a) £96,913,760 being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(2) (a) to (f) of the Act. (See Appendix 5 of the report).

Total income

- (b) £88,939,420 being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) (a) to (d) of the Act. (See Appendix 5 of the report).

The difference between expenditure and income

- (c) £7,974,340 being the amount by which the aggregate at 9(a) above exceeds the aggregate at 9(b) above, calculated by the Council, in accordance with Section 31A(4) of the Act, as its total budget for the year. (See Appendix 5 of the report).

Average Council Tax for Band D property (Borough and Parish)

- (d) £166.34 being the amount at 9(c) above divided by the amount at 8(a) above, calculated by the Council in accordance with Section 31B(1) of the Act, as the basic amount of its Council Tax for the year.

The total of Parish Precepts and Special Expenses

- (e) £2,563,350 being the aggregate amount of all special items referred to in Section 34(1) of the Act.

The Borough Council's Council Tax for a Band D property (excluding Parish Precepts and Special Expenses)

- (f)(1) **£112.87** being the amount at 9(d) above less the result given by dividing the amount at 9(e) above by the amount at 8(a) above, calculated by the Council, in accordance with Section 34(2) of the Act, as

the basic amount of its Council Tax for the year for dwellings in those parts of its area to which no special item relates.

The Borough Council's Council Tax for each valuation band

(f)(2)

A	B	C	D	E	F	G	H
£75.25	£87.79	£100.33	£112.87	£137.95	£163.03	£188.12	£225.74

The Borough and Parish Councils' Council Tax for a Band D property in each Parish (pages 13-16 of the report)

- (g) the amounts listed in Col (4), pages 11-14 of the report, when added to the amount at 9(f)(1) above being the amounts of the special item or items relating to dwellings in those parts of the Council's area mentioned divided in each case by the taxbases on pages 11-14, calculated by the Council, in accordance with Section 34(3) of the Act, gives the basic amounts of its Council Tax for the year for dwelling in those parts of its area to which one or more special items relate.

The Borough and Parish Councils' Council Tax for each tax band in each Parish (pages 15-18 of the report)

- (h) the amounts listed in Cols (1) to (8), pages 11-14 of the report, together with the amounts shown above in 9(f)(2) as valuation bands A to H - being the amounts given by multiplying the amounts at 9(g) above by the number which, in the proportion set out in Section 5(1) of the Act, is applicable to dwellings listed in a particular valuation band, divided by the number which in that proportion is applicable to dwellings listed in valuation band D, calculated by the Council, in accordance with Section 36(1) of the Act, as the amounts to be taken into account for the year in respect of categories of dwellings listed in different valuation bands.

- 10) Note that for the year 2016/2017 Norfolk County Council and the Norfolk Police and Crime Commissioner have stated the following

amounts in precepts issued to the Council, in accordance with Section 40 of the Local Government Finance Act 1992, for each of the categories of dwellings shown below:

Valuation Band	Norfolk County Council	Norfolk Police and Crime Commissioner	Charge in Relation to Band D
	£	£	
A	793.86	141.96	6/9ths
B	926.17	165.62	7/9ths
C	1,058.48	189.28	8/9ths
D	1,190.79	212.94	9/9ths
E	1,455.41	260.26	11/9ths
F	1,720.03	307.58	13/9ths
G	1,984.65	354.90	15/9ths
H	2,381.58	425.88	18/9ths

The total Council Tax for each band in each parish (pages 19-22 of the report)

- 11) Approve that, having calculated the aggregate in each case of the amounts at 9(h) and 10) above, the Council, in accordance with Section 30(2) of the Local Government Finance Act 1992, hereby sets these as the amounts of Council Tax for the year 2016/2017 for each of the categories of dwellings shown.
- 12) Approve that the Assistant Director (S151 Officer), Revenues and Benefits Manager, Revenues Manager, Revenues Team Leaders, Committal Manager, Committal Officer, Revenues Officers and Revenues Assistants be authorised to demand and recover, in accordance with the Local Government Finance Act 1992, the Council Tax set by this resolution and be authorised to appear on behalf of the Council in Magistrates' Courts in respect of recovery proceedings.
- 13) Approve that the Officers be authorised to give notice of the setting of the Council Tax in accordance with Section 96 of the Local Government Finance Act 1992.

C:84 PETITIONS AND PUBLIC QUESTIONS

In accordance with Standing Order 9, 2 public questions had been submitted.

The Mayor invited Jo Rust to come forward and ask the following question:

"At last full council I asked a question about the impact that Universal Credit (UC) would have on the levels of homelessness in King's Lynn. I referred specifically to supported housing. I was given assurances that as the changes to UC and supported housing wouldn't take place until 2018, there was no need for the council to take any action at all.

However, a cap to housing benefit for social housing tenants in supported and sheltered housing is going to be applied. The impact of the LHA cap on housing benefit paid to vulnerable people living in supported accommodation will be immense.

What steps are the council taking to mitigate against this and protect these people?"

Councillor Lawrence gave the following response:

"A cap on social rents is due to be introduced from April 2018 applying to tenancies signed from April 2016. The cap will limit the maximum amount of Housing Benefit that can be paid in the social rented sector to the relevant Local Housing Allowance rate applying in the private sector.

The majority of social sector tenants will be unaffected as the Local Housing Allowance rate is often higher than their rent. However social sector tenants in specialist housing services and schemes that provide extra care and support (known as Supported Exempt Accommodation) often incur much higher housing costs. Currently these costs are covered by Housing Benefit but from 2018 tenants may find that their rent and charges exceed the Local Housing Allowance rate.

The Government is currently undertaking a review of care and support including rents Supported Exempt Accommodation.

The Government has made available £870m of Discretionary Housing Payment funding over the next five years for local councils. This funding is partly to mitigate the impact of welfare reforms and assist vulnerable people and is used to top up Housing Benefit where there is a shortfall in rent. The Council already administers a Discretionary Housing Payment scheme and will continue to consider applications from any Housing Benefit customers in need of help with paying their rent.

Any Discretionary Housing Payment will be temporary and DHP doesn't provide a sustainable funding model for supported housing. From discussions with supported housing provider partners operating at a national level it is clear that decisions relating to investment in new scheme developments are being postponed until the review has been

concluded and there is clarity on the proposed changes to Housing Benefit.

The Council will follow the emerging national picture carefully whilst engaging housing support providers and the County Council now, with a sense of urgency, to understand what changes could be made to models of delivery, and what existing funding arrangements could be reviewed, to ensure that accommodation services can continue for the most vulnerable. Whilst some of the changes present a significant challenge there are opportunities to make more effective use of existing resources. Clearly in terms of planning for services - the sooner the national review is concluded the better."

By way of supplementary Ms Rust asked what action was being taken to mitigate the risks, rather than looking at the national picture.

Councillor Lawrence responded that he had made it clear in his earlier response that the issue was being taken very seriously.

The Mayor invited Sue Bruce to come forward to ask her question as follows:

"The Minutes of the pre-1974 King's Lynn Borough Council suggest that all the council-owned land west of the former Hunstanton railway line was acquired during 1952-1955 for the provision of additional allotments in North Lynn, even if not so used. Some was felt to be so necessary it was acquired for that purpose by compulsory purchase order. Should land that was originally acquired for allotment and agricultural land be developed for housing?"

Councillor Beales responded as follows:

"1) I have already answered questions on land titles in some considerable depth on an earlier occasion and in response to public questions. As before I have referred to the original conveyance.

2) Whilst it should be obvious to all that circumstances in our modern world are somewhat different to those considered and minuted over 60 years ago I can nevertheless confirm that the land in question is not in fact proposed for housing and is the site of open space, sports facilities and allotments. There are no formal covenants to that end but the land will remain in those uses.

3) A key point in answering this question is that it should always be remembered that the policy of a predecessor authority (indeed even a predecessor administration) do not bind succeeding administrations – this is an absolutely key tenet of democracy."

By way of supplementary Ms Bruce made reference to a document which had recently been added to the Council's website relevant to the Major Housing Development and asked why this hadn't been made

available with the documents submitted as part of the planning application for comments.

Councillor Beales responded that all documents which needed to be produced for the planning application had been done so at the time. He re-iterated that throughout the process he had tried to ensure that the process had been as open as it should be and would continue to do so.

The Mayor thanked the questioners.

C:85 **CABINET MEMBERS REPORTS**

i **Culture Heritage and Health - Councillor Mrs E Nockolds**

Councillor Mrs Nockolds presented her report. Councillor McGuinness asked why the diagram was included within the report with no narrative, to which Councillor Mrs Nockolds explained that as she had been asked for the information at 2 Council meetings she put the diagram in to explain the Leisure structure. Councillor J Collop responded that it did not contain the information he required but perhaps he could discuss it with the Cabinet Member.

Councillor Smith asked how the planned opening of the Stories of Lynn project was progressing. Councillor Mrs Nockolds responded that it was progressing extremely well with the presentation cases being prepared, the Heritage Lottery Fund officer had visited and was happy with the progress. It was planned to open at Easter.

ii **Development - Councillor R Blunt**

Councillor Blunt presented his report. Councillor McGuinness asked if Councillor Blunt was happy that some residents were having difficulties adding comments to the planning pages on the web. Councillor Blunt responded that he was not aware that there were problems, but he would look into it.

iii **Environment - Councillor B Long**

Councillor Long presented his report. Councillor Bird commented that he had not been able to see a business plan relating to the Community Interest Company which had been set up relating to the RFCC along the shoreline from Hunstanton, he asked when it would be available. Councillor Long responded that the document was being prepared by the Company which was a separate entity to the Council so he couldn't instruct anyone to make it available. He suggested Councillor Bird contact them direct.

Councillor A Tyler asked if Councillor Long agreed that the improvements which had taken place to with the cleanup along the Bawsey Drain had improved that area, and the entrance to the town through there. Councillor Long confirmed he did agree, and the IDB would hopefully keep on top of it.

Councillor Mrs Wright asked what the smell was in the town on Tuesday, to which Councillor Long explained it related to a problem at the West Lynn Sewage station which had been sorted out. The Environment Agency was in dialogue with them to prevent it happening again.

iv **Housing and Community - Councillor A Lawrence**

Councillor Lawrence presented his report. Councillor Mrs Collop asked what the self and custom build register referred to in the report was, and how people would register for it. Councillor Lawrence explained that it was a Government Initiative which was being explored at the moment, and that once finalised contact should be made by officers.

Councillor A Tyler, asked for some information on what current projects the Discovery Centre was engaged in. Councillor Lawrence responded that the Centre was going back to basics, due to funding issues, so was no longer providing the after school club, but was providing approximately 20 other services as its core role. The Centre was aware that funding was becoming harder to get and retain so were talking to a number of organisations to raise funding. Councillor Tyler responded that the centre was of importance for his ward and hoped the funding streams would be delivered.

v **ICT, Leisure and Public Space - Councillor D Pope**

Councillor Pope presented his report and informed Members that the new parking arrangements on the South Quay had been operating for 3 weeks with 4,500 visitors, 3,360 of those hadn't paid anything due to them using the free hour parking. All other on street parking schemes were up and running.

Councillor Bird made reference to the decision of Cromer and Sheringham to withdraw from the Partnership relating to the on street parking sub contract, leaving only Hunstanton along the coast with it in place. He asked Councillor Pope whether he wanted to do something detrimental to Hunstanton or enhance it. Councillor Pope gave an outline of the occurrences at the meeting, which meant that as North Norfolk had decided against coming into the scheme there was a budget shortfall, he also responded that the residents along the sea front at Hunstanton were happy with the scheme.

Councillor Mrs Wilkinson asked where the remote mower which had been bought from the Government funding provided for Fairstead some

years ago had gone. Councillor Pope suggested it may have been exchanged, but undertook to look into it.

In referring to the area of ICT systems changing to provide a more engaging customer portal, Councillor Moriarty asked if Home Choice users should be warned about it, to which Councillor Pope undertook to ascertain if that was needed.

vi **Special Projects - Councillor Lord Howard**

Councillor Lord Howard presented his report. Councillor McGuinness commented that the report didn't give any information on what the Cabinet Member had been involved in to know what there was no progress to report on. Councillor Lord Howard referred to Special Projects such as a statue of King Alfred, and the potential for planters at the Rail station, which had been decided against.

vii **Deputy Leader and Regeneration and Industrial Assets - Councillor A Beales**

Councillor Beales presented his report. In response to a comment made by Councillor Joyce relating to the issue of allotment land only being used as public open space if de restricted by the Secretary of State, Councillor Beales responded that there was no restrictive covenant on the land as it had been checked, although none of the allotment land was actually part of building area, they remained as allotments.

viii **Leader and Resources - Councillor N Daubney**

Councillor Daubney presented his report. Councillor S Collop asked if there was a reason why Councillors hadn't received the information from the Independent Panel on allowances. Councillor Daubney responded that it was due to come to Members in due course.

Councillor A Tyler made reference to the number of Special Projects being undertaken across the authority, and asked what the Leader hoped would be achieved at the railway improvement meeting which he was due to attend. Councillor Daubney commented that all Cabinet Members undertook Special Projects, but reassured Councillor Tyler that Councillor Lord Howard played a full and active role as a Member of Cabinet.

In referring to the Rail meeting scheduled, Councillor Daubney explained that it had been called by Elizabeth Truss MP, but he was not now able to attend as he had to attend a Devolution meeting in London, but was sending a substitute to it. As regards what was expected to be achieved, Councillor Daubney commented that it was unsatisfactory that there was a further delay on the spending on the

improvements to the Ely North Junction, to bring forward a half hourly service to West Norfolk. In order to provide the growth the Government was requiring in the area improvements were required to the infrastructure including the rail link.

Councillor Mrs Collop asked if a copy of the slides from the Councillors briefing on educational attainment could be provided to Members, which was agreed. Councillor Daubney also informed members that there was further information available on the subject, should Members wish to ask specific questions.

Councillor Joyce asked if there had been any progress made on the provision of a second railway station for King's Lynn, potentially at South Lynn. Councillor Daubney was not aware of any progress on this issue, but he considered it was important to get a regular frequent service to London every half hour.

C:86 **MEMBERS QUESTION TIME**

None

C:87 **RECOMMENDATIONS FROM COUNCIL BODIES**

i **Cabinet: 2 February 2016**

Councillor Daubney, seconded by Councillor Beales proposed the recommendations from the Cabinet meeting held on 2 February 2016.

CAB125: Capital Programme and Resources 2015-2020 was agreed without debate.

With regard to CAB126: Community Infrastructure Levy: Consultation on a Draft Charging Schedule, Councillor McGuinness expressed disappointment that the CIL Levy was so low in King's Lynn compared with outside the town. He also was now clear that the funding from CIL would be available to areas with a Neighbourhood Plan. He asked why the rate had been set so low in King's Lynn.

Councillor J Collop confirmed that he had received clarification at Cabinet Scrutiny Committee about the eligibility for receiving any CIL funding, but did not know how to go about setting up the group.

Councillor Joyce commented that if CIL was set higher in some places, developers would go to where it was cheapest to develop, although they may have to pay large amounts to clean up the area before development. He considered that rural village schools were struggling, although many villages did want a few more houses, why should the level be so much higher than the town.

Councillor Beales explained that the figures had been based on a viability report and looked at in depth. The reason it was set at that level was because development in King's Lynn was expensive, and the market was not lucrative, therefore if the CIL rate was higher there would be no development. He acknowledged that he was against split rates, but the fact that King's Lynn was a different market to Burnham Market was a fact and the proposal reflected that position.

In summing up Councillor Daubney stated that advice had been taken and it was cheaper to build on a green field site than an area requiring clearance. On being put to the vote the recommendations were approved.

RESOLVED: That the recommendations from the meeting held on 2 February 2016 be approved.

ii **Cabinet Scrutiny Committee: 18 February 2016**

There were no recommendations from Cabinet Scrutiny Committee.

The meeting closed at 8.08 pm
