Pursuant to Minute CAB117: Financial Plan 2022/2027 of the Cabinet Meeting held on 7 February 2023, the "Financial Plan 2022/2027 and Council Tax Resolution 2023/2024" the document attached as a supplementary to the agenda for consideration and decision included an updated summary of the Financial Plan 2022/2027, the County Council, the Police and Crime Commissioner - Council Tax for

2023/2024 and details of Parish Precepts and Internal Drainage Boards levies for 2023/2024.

Councillor Dickinson proposed the recommendations set out in the report and spoke in favour of the proposed Budget. She highlighted the key elements of the budget which was fully funded for years 1-3. The proposed council tax increase was 3.2% which included the levy increases made by the Internal Drainage Boards which was 43% of the Borough's total council tax collected. She gave a breakdown of the allocation of the overall Council Tax collected for the County Council, Police, Parishes and Borough. She drew attention to the fact that the Council had one of the lowest Council tax levels in the country. And highlighted that the budget was orientated towards residents and businesses with no increase in fees and charges or any cuts to services.

Councillor Dark seconded the Motion and reserved his right to speak.

Councillor Parish as Leader of the Independent Group thanked officers for communicating the essence details and ramifications of the budget. He commented on the use of the reserves to balance the budget for the next 3 years was a false promise as reviews from 2024 would be needed. He hoped the IDB funding would be reviewed by the Government. He commented that the new administration would not be as fortunate, but that the reserves held to date should have been spent when they were accrued for the benefit of the residents. He felt the Government had underfunded local government.

Councillor Jones as Deputy Leader of the Labour Group addressed the Council on the budget commenting on the level of charges made, he felt that the budget didn't help those in need. He commented on the additional resources allocated to the planning department, high costs of charging of halls rented out, and that Labour would prosecute fly tippers.

Councillor Dark asked for confirmation as to any amendment which were planned to be moved. The Labour Group confirmed they would have none.

Councillor Joyce spoke on the budget and referenced the forthcoming elections, spend, borrowing and earmarked reserves. He commented on the fees and charges and Alive West Norfolk where residents not using it were paying for it. He commented on the outsourcing of leisure facilities.

Councillor Sandell considered the budget was prudent, taking into account the cost of living. She gave examples of the services provided to residents taking into account support during the cost of living crisis.

Councillor Kemp did not support the budget as she considered there was not enough attention given to services. She considered there

should be rapid turnaround in support services, recognised pressures on housing and its staff; commented on more work required on the Local Plan, west Lynn Ferry being missed from the Clean and Connectivity project and risks around future library provision.

Councillor Middleton drew attention to the fact the budget was funded and continuing to deliver services to residents. He commented on electioneering and the comments from Labour made that the Parkway housing development would be cancelled post election. He commented on the Independent's criticism about the levels of reserves held which were now being used for the rainy day but would otherwise have been spent, leading to having an unfunded budget with significant future increases to council tax and fees and charges or requiring service cuts.

Councillor Morley commented on the small print on things such as charges on waste from schools. He drew attention to the fact that the total bill was around £100 and suggested that the Council Tax Support Scheme of 100% be budgeted for in the following year. He commented on the loyalty of the representatives on the IDBs to which Councillor Dark objected. Councillor Morley also commented on his view of a sloppy approach towards projects.

Councillor Long declared a non pecuniary interest as a trustee of a modern village hall, which he commented was charged out at similar rates to those proposed. He referred to the level of reserves accrued through prudent budgeting which had permitted a balanced budget. With regard to the IDBs Councillor Long commented that the members were obliged to be prudent and to keep people's feet dry. The Councillors on those Boards were representing the people of the area.

Councillor Kunes drew attention to the fact that cancelling the Parkway project would affect the housing lists. He drew attention to the green and environmental aspects of the work of the Council.

Councillor Hudson made reference to the final line and commented on a higher spend than income. She commented on no money coming from the Government in the future and the need to cut coat according to the cloth.

Councillor Rust commented on the statements made by other councillors and stated she would not vote in favour of a budget proposed by the Conservative group.

Councillor Lawrence drew attention to the debate not hate email that all Councillors had received and asked for those contributors to the debate to take that into account.

Councillor Blunt, in supporting the budget and in response to the comments raised on the additional resources allocated to the planning department reminded members that it was a difficult department to run as it was greatly affected by the pandemic, labour shortages and price

rises all of which had affected the workload and the ability to recruit. He also reminded Members that the Local Plan had been approved by the Council and worked upon by a cross party group, and Parkway had been approved by all at the meeting amending the proposals.

Councillor Humphrey drew attention to the fact that people not on line could access the services in person or on the telephone. He also commented that he was expecting the amendment on the budget to cut services from the opposition.

Councillor Lawrence drew attention to the amount of work which had been put into preparing the budget and the fact that Parkway would help release some social housing as people moved into different homes.

Councillor de Whalley commented that the Council needed to be mindful of the reserves it held, as a review by the auditors would be carried out.

Councillor Dark stated that he was proud to produce this budget, having come out of the budget, dealing with the knock on effects of the war in Ukraine, pressure on finances, and the Council had delivered a long list of services at a time when many councils were reducing their services and had financial instability. He referred to the 3 years financed budget, whilst continuing with the ambition and growth and not increasing fees and charges. He referred to the levels of council tax charged by the authority, which, once the IDB levy was removed was one of the lowest in the country.

In summing up Councillor Dickinson explained that there was not a big shortfall as expressed by Councillor Hudson, and every penny of the ear marked reserves were accounted for. She reminded members that she had offered to speak to a number of opposition members to explain the reserves, but it had not been taken up.

In accordance with Statutory Instrument 2014 No. 165, Local Government, England, The Local Authorities (Standing Orders) (England) (Amendment) Regulations 2014, any decision taken on the Council's Budget or Council Tax setting must be taken with a recorded vote

- 7) Pursuant to Section 25 of the Local Government Act, have due regard to the statement of the Section 151 Officer at Section 9 of the Financial Plan 2022/2027 as reported to Cabinet on 7 February 2023

The Local Authorities (Calculation of Tax Base) (England) Regulations 2012 contain rules for the calculation of the Council Tax Base, which is an amount required by the Local Government Finance Act 1992 to be used in the calculation of the tax by the Council as the billing authority, and Norfolk County Council and the Norfolk Police and Crime Commissioner as major precepting authorities, and in the calculation of the precept payable by the Council to the County Council and Norfolk Police and Crime Commissioner. **Under Officer Delegated Decision the Council Tax Base was calculated as follows for the year 2023/2024:**

Number of dwellings in each Council Tax band; taking into account the multipliers, discounts, exemptions, rate of collection and Council Tax Support.

- (a) **52,984** *being the amount calculated by the Council, in accordance with Regulation 3 of the Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012, as its Council Tax Base for the year.*

The tax base for each Parish

- (b) *the amounts listed in Appendix 5 of the report, (Column headed - Taxbase) being the amounts calculated by the Council, in accordance with Regulation 6 of the Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012, as the amount of its Council Taxbase for the year for dwellings in those parts of its area to which one or more special items relate.*

- 10) **Approve that the following amounts be now calculated by the Council for the year 2023/2024 in accordance with Sections 31A to 36 of the Local Government Finance Act 1992 (as amended by S74 of the Localism Act 2011):**

Total expenditure

- (a) **£96,891,100** being the aggregate of the amounts which the Council estimates for the items set out in Section

31A(2) (a) to (f) of the Act. (See Appendix 2 of the report).

Total income

- (b) £85,319,550 being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) (a) to (d) of the Act. (See Appendix 2 of the report).

The difference between expenditure and income

- (c) £11,571,550 being the amount by which the aggregate at 10(a) above exceeds the aggregate at 10(b) above, calculated by the Council, in accordance with Section 31A(4) of the Act, as its total budget for the year. (See Appendix 2 of the report).

Average Council Tax for Band D property (Borough and Parish)

- (d) £218.40 being the amount at 10(c) above divided by the amount at 9(a) above, calculated by the Council in accordance with Section 31B(1) of the Act, as the basic amount of its Council Tax for the year.

The total of Parish Precepts and Special Expenses

- (e) £3,948,740 being the aggregate amount of all special items referred to in Section 34(1) of the Act.

The Borough Council's Council Tax for a Band D property (excluding Parish Precepts and Special Expenses)

- (f)(1) £143.87** *being the amount at 10(d) above less the result given by dividing the amount at 10(e) above by the amount at 9(a) above, calculated by the Council, in accordance with Section 34(2) of the Act, as the basic amount of its Council Tax for the year for dwellings in those parts of its area to which no special item relates.*

The Borough Council's Council Tax for each valuation band

- (f)(2)

A	B	C	D	E	F	G	H
£95.91	£111.90	£127.88	£143.87	£175.84	£207.81	£239.78	£287.74

The Borough, Special Expenses and Parish Councils' Council Tax for a Band D property in each Parish

- (g) the amounts listed in Col (4), Appendix 5 Special Expenses and Appendix 6 Parish Precepts, when added to the amount at 10 (f)(1) above being the amounts of the special item or items relating to dwellings in those parts of the Council's area mentioned divided in each case by the taxbases in Appendix 4 calculated by the Council, in accordance with Section 34(3) of the Act, gives the basic amounts of its Council Tax for the year for dwelling in those parts of its area to which one or more special items relate.

The Borough and Parish Councils' Council Tax for each tax band in each Parish

- (h) the amounts listed in Cols (1) to (8), Appendix 5 Special Expenses and Appendix 6 Parish Precepts, together with the amounts shown above in 10(f)(2) as valuation bands A to H - being the amounts given by multiplying the amounts at 10(g) above by the number which, in the proportion set out in Section 5(1) of the Act, is applicable to dwellings listed in a particular valuation band, divided by the number which in that proportion is applicable to dwellings listed in valuation band D, calculated by the Council, in accordance with Section 36 of the Act, as the amounts to be taken into account for the year in respect of categories of dwellings listed in different valuation bands.

- 11) That it be note that for the year 2023/2024 Norfolk County Council and the Norfolk Police and Crime Commissioner have stated the following amounts in precepts issued to the Council, in accordance with Section 40 of the Local Government Finance Act 1992, for each of the categories of dwellings shown below:

Valuation Band	Norfolk County Council Non-Adult Social Care charge	Norfolk County Council Adult Social Care Precept	Norfolk Police and Crime Commissioner	Charge in Relation to Band D

In accordance with Section 100B(4)(b) of the Local Government Act 1972, the Mayor decided that the following matter should be considered in order that the authority was in place to deal with the relief schemes.

CAB131: Minor Updates to Delegated Authorities for Revenues.

Councillor Dark, seconded by Councillor Middleton proposed the recommendations in CAB131. On being put to the vote this was agreed.

RESOLVED: That recommendation CAB131: Minor Updates to Delegated Authorities for Revenues be agreed.

i) Notice of Motion (2/23), submitted by Councillor T Parish (Resuming of adjourned part heard on 26 January 2023):

‘This Council receives a full briefing on the County ‘devolution’ Deal currently being considered by NCC and, in particular, the impact and ramifications it is likely to have on this Borough Council and its’ inhabitants. The briefing to be shared with officers and employees of the authority.’

Councillor Parish moved a procedural motion to withdraw the Motion as in the interim period he and Councillor Dark had agreed a further motion which would be submitted to the 30 March 2023 meeting. Councillor Morley seconded the proposal which was agreed by Council.

RESOLVED: That the Motion be withdrawn.

ii) Councillor T Parish proposed the following Notice of Motion (1/23) and spoke in support of it. This was seconded by Councillor de Whalley:

“This Council recognises that a very significant commercial campaign to create a barrier across The Wash, for diverse purposes, has been launched and clearly states that the Council’s view on the matter is neutral until sufficient information is available, from all appropriate sources, and that this has been considered fully and impartially.

Further, this Council will act as a receptacle and conduit for local comments and opinion about the proposal and provide help and support to local organisations to enable them to make their case for support or rebuttal. The Council will do this via a Task Group set up well prior to the May elections with the brief to determine the framework for such actions and support so that a new administration can easily pick up and continue the work.”

Councillor Morley proposed an amendment to delete the word “well” in the last sentence of the motion. This was seconded by Councillor Rust. Councillor Parish accepted the amendment which was then the substantive Motion.

Council debated the Motion, Councillor Bullen spoke in support of the Motion citing the issues such a barrier could cause. Councillor Long drew attention to the Wash and Marine Partnership which he sat on as a County Councillor which consisted of all major organisations involved with the Wash, he confirmed he would remain neutral until the Environmental Impact Assessment had been carried out and considered to show there would be no detriment to the wash.

Councillor Dark expressed the view that he took a neutral stance at this stage in the proceedings until the detail and the Environmental Impact Assessment was submitted when advice from experts would be sought. He considered spending money and officer time on it at this stage would be premature and wrong.

Councillor Joyce commented that he felt a task group would prepare the ground for the future Council.

Councillor Kemp spoke in support, urging the council to look at the impact on the Wash.

Councillor Middleton acknowledged Councillor Bullen's knowledge of the subject, but also stated that he considered it too early to be looking in detail at the proposals and he felt the Council should stay neutral at this stage.

Councillor Sampson commented that he felt the project would have a huge effect but acknowledged the Council should stay neutral until all the information was produced.

Councillor Morley considered that there should be a public statement by the Council to remind the organisation the council was here but wasn't able to voice an opinion at this stage.

Councillor de Whalley welcomed the motion and drew attention to the wider support the scheme was receiving. He urged the council to be proactive and not reactive to the scheme. He stated that the industries potentially affected by the scheme needed to be identified and the council's position and explored and budgeted for.

In summing up Councillor Parish drew attention to their presentation to Parliament, consider that more than the potential environmental impact needed to be considered, such as where it was planned to join the coast and the impact of that join on the area. He considered that there should be somewhere local people or organisation could pass their comments at this stage before it was built.

As a point of order Councillor Long drew attention to the statutory obligation to uphold the requirements listed in Acts on the Wash. He suggested the Council remain neutral at this stage as the impacts weren't yet known until the responses from Wash partners to the information was known.

With the required number of supporters a recorded vote was taken:

iii) Councillor A Kemp proposed the following Notice of Motion (3/23), seconded by Councillor de Whalley. Councillor Kemp spoke in favour of the motion which she considered involved a loss of control and funding for the Borough Council.

“The Borough Council and the Government's Devolution Deal

In 2016, this Council voted against the Government's Devolution Deal for an Elected Mayor for Norfolk and Suffolk, and an extra tier of Local Government.

Now Govt has offered a new Devolution Deal with an Elected Mayor for Norfolk, but none of the £600 million funding offered over 30 years for infrastructure or the new powers, would come to this Council or the Districts, but would all go to the County Council.

The Elected Mayor would become the County Council Leader and would have extensive Housing powers, Rights of Compulsory Purchase and Land Assembly for development, and could set up a "Mayoral Development Area" in any part of Norfolk, and a "Mayoral Development Corporation".

But Housing is the function of the Local Planning Authority.

The Devolution Deal would take away powers and funding from the District Council and centralise too much power in the hands of the County Council.

This Council will write to the Secretary of State for Communities and Levelling Up to make its views clear that it does not agree with the Deal.”

Councillor Dark spoke against the Motion and commented that he felt the Council should reserve its position, as the public was being consulted on the County Deal, and a decision would not be taken by them until December. He explained that he had received assurance that the Borough's sovereignty was not impacted, and the priorities and

funding was being examined. He considered this was not the appropriate time for such a decision.

Councillor Long commented that if the proposal and that it was not known what the County Council Constitution would end up as, he felt that if the deal wasn't right he wouldn't be voting for it.. As a point of clarification Councillor Kemp confirmed that all decision making powers would be carried out by the elected Mayor.

Councillor Morley confirmed that he had no objection to highlighting concerns, he agreed that it was important that any proposal was right for the area.

Councillor Joyce reminded members that this Council had stood against an elected mayor previously and should take a defensive stand.

Councillor Middleton reminded members that the decision was not the Borough's to take, and also commented that taking a hard line with the County Council would not help the long term relationship with them.

Councillor Rust supported the Motion and commented that Norwich was bound to get the lion's share of funding.

Councillor Lord Howard expressed sympathy for the motion but explained that this was not the right time to oppose the County Deal, as the Bill was uncertain with large numbers of amendments for consideration, it was better to wait until it was clearer, and the Bill was finalised.

Councillor Parish drew attention to the proposed Notice of Motion to the 30 March meeting, but also supported some of the points raised by Councillor Kemp that it was an Elected Mayor in all but name, and they would be harder to remove than a Leader of the Council.

Councillor de Whalley drew attention to the Devolution fight of 2016 and the current legal challenges to the proposal. He considered an election Leader as less representative and concentrating power in a single person whereas the current arrangement allowed for greater scrutiny and transparency. He felt the council should stand with those other authorities challenging the proposal.

With the required number of supports a recorded vote was taken.
