INDEPENDENT REVIEW OF MEMBERS ALLOWANCES 2025-26

Summary

The Council is required to undertake an Independent review of its Members Allowances Scheme for the 2025-26 Financial year. The Appointment Board is invited to consider the re-appointment of the existing Independent Panel to carry out the review for the forthcoming years.

Recommendation

That the following Independent Persons be appointed to carry out the 2025-26 review of Members allowances:

- Mark Palmer, South East Employers Organisation
- David Dixon, Independent/ Media Representative
- Mike Press, Independent/ Community Representative

Reason for Decision

In order to carry out a review as required in time for the 2025-26 budget round.

1 Background

The Council operates a Members' Allowances Scheme which is updated in accordance with the Regulations which require that all local authorities must have regard to the rrecommendations of their Independent Remuneration Panel (IRP) before making decisions on the Members' Allowances Scheme.

In addition to the review of the Borough Council's Allowances Scheme, the IRP is also required to review any Allowances Schemes of parish councils within the Borough and feed back to them on their recommendations.

An Independent Remuneration Panel must be made up of no less than 3 independent persons, none of whom is also a member of an authority in respect of which it makes recommendations or is a member of a committee or sub-committee of such an authority; or is disqualified from being or becoming a member of an authority.

A Scheme may make provision for an annual adjustment of allowances by reference to such index as may be specified by the authority and where the only change made to a scheme in any year is that effected by such annual adjustment in accordance with such index the scheme shall be deemed not to have been amended. This process was agreed by Council in 2022 and has been carried out up to 2024. It can only be changed in such a way for a four year period, when a further review by an IRP is required. That review is due to be carried out for the 2025-26 financial year.

It is anticipated that the IRP would commence a review in early September, and feed back the results and their report into the December Cabinet meeting and the associated panel meeting, which will go to Council in January in order to feed into the budget process for the 2025-26 budget.

Within the procedures established by the Council, the Appointments Board is required to appoint persons to the Councillors' IRP.

The Council's IRP for the last review was made up of the following Independent Persons:

- Mark Palmer, South East Employers Organisation
- David Dixon, Independent/ Media Representative
- Mike Press, Independent/ Community Representative

Each of the Independent Persons has indicated that they would be happy to carry out the review for 2025-26. The Appointments Bord is invited to consider the recommendation.

2 Policy Implications

The Council is required to undertake the Independent Remuneration Review at least every 4 years.

4 Financial Implications

The cost of the review is in the region of £5,000.

5 Personnel Implications

Democratic Services will be required to assist the Panel with its arrangements for interviewing councillors.

6 Environmental Considerations

None

7 Statutory Considerations

It is a statutory requirement for the Council to have regard to the comments and recommendations of the IRP prior to setting its Allowances for the 2025-26 financial year.

8 Equality Impact Assessment (EIA)

(Pre screening report template attached)

9 Risk Management Implications

If the Independent Review is not carried out this year it will not be compliant with the Members Allowances Regulations.

10 Declarations of Interest / Dispensations Granted

None
