8 **AUTHORITY MONITORING REPORT (AMR) 2016-2017**

The Planner presented the Authority Monitoring report (AMR) which covered the period from 1 April 2016 to 31 March 2017 circulated with the Agenda and highlighted the following sections:

- Purpose of the report – must be published annually/overview of contents.
- What was new since the last AMR.
- Economy
- Society/Housing.
- Environment.
- Development Management Policies/Motoring Information.

The Planner/Policy Planning Manager responded to questions relating to:

- Infrastructure and the importance of engaging CCG, NHS, GP's and relevant health organisations/education authorities.
- DM9 Community Facilities.
- CS14 – Community Strategy/implementation of infrastructure through Section 106 Agreements.
- Ownership of the AMR.
- Paragraph 4.7 – next AMR considering amending text to include reference to requirement of correct infrastructure to match housing development.
- Publication of the report on the Borough Council's website by deadline of 31 December 2017.
- Five Year Land Supply
- lapsed planning permissions/Borough Council could serve completion notices.

2) Future Agenda Item, January 2018 – Reconsider process of the AMR.

3) Consideration of the AMR being a pre-Council briefing to raise awareness amongst all Councillors.

9 **HOUSING AND ECONOMIC LAND AVAILABILITY ASSESSMENT**

(HELAA) PROGRESS UPDATE

The Planner provided an update on the HELAA Progress and highlighted the key areas as set out below:

- Approximately 550 sites submitted for consideration.
- Approximately 150 did not pass the first test.
- Remaining sites to be assessed through the main body of the HELAA.
- Purpose of HELAA is to assess if the Borough Council had enough land to meeting the Housing Need.
- HELAA process teases out any major constraints/barriers to development.
- Those sites which pass the assessment will then be subject to the Sustainability Appraisal.
- The Local Plan Team approximately 505 of the way through assessing the sites in the HELAA.
- To date, the Council had a potential of 5,177 dwellings.
- For some settlements it will be their Neighbourhood Plan which makes the allocation(s).

The Planner and Local Plan Manager responded to questions relating to:

- CCG receiving an overview on potential development and the impact it would have on health care provision.
- Assessment of potential delivery of development.
- Infrastructure requirements particular relating to access and highways e.g. condition of road network.
- Indicate sites which best fit the criteria to deliver the amount of housing to be delivered which would be subject to consultation.
- Consultation process – open to all members of the public, Councillors, Parish Councils, etc. The methodology for consultation had been adopted as a Norfolk-wide basis.
- The Sustainability Appraisal would identify the preferred options which would be produced in a table format detailing the settlements.
- Flexibility being built into the current Local Plan.
- CIL examination.
- “At least” policy – consideration for range for each site/upper limit.
- Potential to consider whole sites/split sites for future development.
- Concerns raised re single access points.
- Reserve sites.
- Total requirement of 13,400 housing units for the period of the plan, 10% flexibility built in. It was confirmed that the Borough Council currently had more than enough potential land to satisfy the required housing need.

- Neighbourhood Plans – examination process and how they could be effectively used during the planning application process/allocation of sites.

AGREED: An update report to be presented to the Task Group at a future meeting.

10 **NEIGHBOURHOOD PLANS UPDATE**

The Task Group received an update on the examination process and how they could be effectively used during the planning application process/allocation of sites, a copy of which was circulated with the Agenda.

The Graduate Planner/Planning Policy Manager responded to questions relating to:

- Designated Neighbourhood Area.
- Benefits of producing a joint Neighbourhood Plan.
- Managing expectations during the process of producing a Neighbourhood Plan.

RESOLVED: 1) The Task Group noted the update report.

2) The Local Plan Team to send out a standard email to all interested parties currently involved with producing a Neighbourhood Plan to enquire of their progress to date.
