

**STRATEGIC PARTNERSHIP AGREEMENT**

**Between**

**BOROUGH COUNCIL OF KING'S LYNN AND WEST NORFOLK (BKLWN)**

**And**

**CAMBRIDGESHIRE AND PETERBOROUGH COMBINED AUTHORITY (CPCA)**

## **1 Background to the Agreement**

- 1.1 The Cambridgeshire and Peterborough Combined Authority has an ambition, set out in our devolution deal, to double GVA over 25 years. The Combined Authority recognises that to meet that growth it needs to do more to develop the productivity of firms, raise skill levels, make home ownership affordable, address health and educational inequalities, and generate revenue to pay for public services in the future.
- 1.2 Borough Council of King's Lynn & West Norfolk has an ambition to support and invest in our communities and businesses to encourage and manage ambitious growth in prosperity and quality of life for all. In particular, we will use our investments, assets, leadership and influence to maximise the benefits for West Norfolk and UK plc, to support services and generate economic, social and financial return.
- 1.3 The CPCA and BKLWN recognise the strong linkages between their two areas and the need to continue and enhance joint working, irrespective of the future configuration of the Local Enterprise Partnerships, and the Mayoral Combined Authority's requirement to ensure co-terminosity of services

## **2 Overall Commitment**

- 2.1 Partnership is essential to delivery. The public sector in particular needs to work more closely to leverage all its resources, human and financial and build a consensus. This will enable us to take forward our shared aim of giving our communities, businesses and central government the confidence that when they make decisions to live, grow and invest in our region they do so knowing it has a great future. The right partnerships respect geographic boundaries but break down arbitrary barriers that often delay common sense approaches to driving economic, housing or trade benefits.
- 2.2 Borough Council of King's Lynn & West Norfolk and the Cambridge and Peterborough Combined Authority are aligned to these objectives and are committed to working together to bring about inclusive growth across Cambridgeshire and West Suffolk, to support growth and create healthy and prosperous communities and places. Both parties share a commitment to do more to develop the productivity of firms, raise skill levels, make home ownership affordable, address health and educational inequalities, and generate revenue to pay for public services in the future. Partnership is essential to delivery and the public sector, in particular needs, to work more closely to leverage all its resources.
- 2.3 Together, we are committed to coordinate our resources and build a consensus that gives our communities, businesses and central government the confidence that when they make decisions to live, grow and invest in our sub-region they do so knowing there's not a better area in the country to do it.
- 2.4 In this regard, we are aligned to the objective of working together to bring about inclusive growth across our sub-region to support growth and create healthy and prosperous communities and places. In particular, we will:

- 2.4.1 Collaborate on the proposals for **future strategic planning**
