

CABINET MEMBERS REPORT TO COUNCIL

25 FEBRUARY 2021

COUNCILLOR BRIAN LONG – LEADER & CABINET MEMBER FOR RESOURCES.

For the period January to 15 February 2021

Progress on Portfolio Matters.

Council Finances

This time of the year usually involves preparation for the Financial Plan preparation and for tonight's meeting. This year has been no different but has been a much more rapidly evolving process. Between cabinet meeting and recommending a budget we have had a revision in figures that are presented today. This has seen an adjusted balance for 21/22 and an improved budgetary position upto 2025. It must not be underestimated the work that has gone into this process or the challenge ahead of us with regards to our finances. For me 2020/21 has been about getting support to where it has been needed the next 4 years will be about getting ourselves back to presenting balanced budgets and recovering from the pandemic.

Covid-19 Pandemic Response

At the time of writing this report it is good to see that finally numbers of cases are in decline in West Norfolk following a trend across the County and Country. Numbers receiving vaccinations is increasing daily and our own venue is working well from reports I have heard.

Support for Business continues with over £12.7m paid out since 22/11/2020. No doubt further detail will be provided by appropriate portfolio holders.

Council Long Service Awards.

One of my favourite events each year is to recognise the staff having achieved 10, 20, 30 and 40 years of service. This year has had to be different and so a virtual presentation was held. After this was distributed I have had a number of staff thank me for still being able to have such an event albeit in a different way.

Elections 2021.

Following from Questions about holding elections during a pandemic and the difficulties it presents, not least in making elections safe, I made representation to Civil Servants within Cabinet Office, and was due to address Chloe Smith MP at a District Councils Network seminar. However unfortunately the Minister was unwell and could not attend. I did however raise my concerns these were echoed by other attendees. However it was

conformed elections will go ahead and funding would be made available to make venues, staff and the public safe. Details of this will I am told follow, I will of course advise when detail is available.

Meetings Attended and Meetings Scheduled

In addition to my usual round of Portfolio and Cabinet Meetings I have also attended the following meetings (All Virtual via Team / Zoom unless stated)
