

# **Regeneration & Development Panel**

**Strategically looking at car park locations and  
how people access the town centres**

# KEY QUESTIONS FOR DISCUSSION

- Is there different approaches that can be taken to locations of long term and short term parking?
- What alternative modes/methods could be considered to access town centres?
- Where are the opportunity areas, with consideration to the different types of users/visitors of each town;
  - King's Lynn
  - Hunstanton
  - Downham Market
- What are the potential impacts of the changes (positive or negative) on;
  - Accessibility to retail and services located in town centres?
  - Visitor experience?
  - Council budgets?
