

Community Infrastructure Levy

Annual List of Infrastructure Projects FY2022-2023

Following the deletion of CIL Regulation 123 in September 2019, each Collection Authority must produce an Annual Infrastructure Funding Statement.

The infrastructure funding statement will be produced and published no later than the 31 December annually and will provide details of CIL receipts, expenditure, allocations and payments.

To support the Annual Infrastructure Statement, the Borough Council of King's Lynn and West Norfolk have produced a list of criteria for which CIL may be used for FY22/23.

Strategic Projects funding over £50,000

- Education related to 18+ employment – post college based education
- Transport – linked to the Lynn Transport Plan
- Environment – green areas linked to the BCKLWN Climate Change Policy

Community and Local Projects funding from £2,000 and up to £50,000

- Education – local initiatives
- Health
- Economic Development
- Community Facilities
- Green Infrastructure
- Open Space and Leisure
- Community Transport

This list will be continually reviewed, to meet the changing needs and aspirations of the Borough to support future infrastructure.
