

## CABINET MEMBERS REPORT TO COUNCIL

26<sup>th</sup> January 2023

### COUNCILLOR RICHARD BLUNT - CABINET MEMBER FOR DEVELOPMENT & REGENERATION

For the period from 1<sup>st</sup> December 2022 – 14<sup>th</sup> January 2023

#### 1 Progress on Portfolio Matters.

##### Planning and Discharge of Conditions applications received

Planning and discharge of condition applications received

Applications received for last two months of the calendar year (2022) are similar to pre-Covid application numbers (Nov / Dec 2019). The overall applications received in 2022 are also at the same level as 2019, pre-Covid. Officers are still dealing with high caseloads, with many applications still in the system awaiting determination and officers are taking a proactive approach to clearing the older applications currently awaiting determination. Currently applications are being validated within 48 hours from receipt.

##### Progress with recruitment

The new Enforcement Support Officer has been appointed and they will commence on 16<sup>th</sup> January 2023.

The new Ecologist Officer has been appointed and they will commence in the near future.

### Major and Minor dwelling householder applications received comparison

Major, Minor and Householder applications all dropped compared to the same period last year, in particular householder applications.

|  | 1/1/20 – 31/12/20 | 1/1/21 – 31/12/21 | 1/1/22 – 31/12/22 |
|--|-------------------|-------------------|-------------------|
| No. of Major dwelling applications rec'd | 22                | 27                | 18                |
| No. of Minor dwelling applications rec'd | 322               | 328               | 298               |
| No. of Householder applications rec'd    | 737               | 902               | 757               |

\*Minor dwelling applications = up to 10 units

Major dwelling applications = over 10 units

### 2022 performance for determining planning applications 1/12/22 – 31/12/22

|                    | National target | Performance |
|--------------------|-----------------|-------------|
| <b>Major</b>       | 60%             | 89.5%       |
| <b>Non – Major</b> | 70%             | 88.0%       |

### Appeal Performance – decisions made by The Planning Inspectorate 1/1/22 – 31/12/22

|                     | Dismissed | Allowed |
|---------------------|-----------|---------|
| Planning appeals    | 23        | 9       |
|                     | 72%       | 28%     |
| Enforcement appeals | 4         | 1       |
|                     | 80%       | 20%     |

The higher the number of appeals allowed, the more The Planning Inspectorate (PINS) is going against the council's decisions, so a low figure of appeals allowed (upheld) is clearly preferable. For context the national average for planning appeals allowed annually has historically been around 34% post NPPF.

### Revenue income 2022/23

Income continues to exceed projected for the financial year 2022/23.

| Projected         | Actual            | Variance with projected |
|-------------------|-------------------|-------------------------|
| April 22 – Dec 22 | April 22 – Dec 22 |                         |
| £877,500          | £1,427,432        | <b>+£549,932</b>        |

## Housing Completions

Housing completions are higher than the previous year but still below projected Local Housing Need Figure, 62 completions in November and 20 in December 2022.

## Community Infrastructure Levy (CIL)

There is a rolling programme to allow CIL Funding applications twice a year and we are currently requesting applications, timetable below:

| Start Date | Closing Date | Decisions Made         | Funds Allocated   |
|------------|--------------|------------------------|-------------------|
| 01 January | 01 February  | February/Early March   | Mid/End March     |
| 01 July    | 01 August    | August/Early September | Mid/End September |

Our CIL infrastructure fund has been separated into two specific project types. This enables the funding to:

- meet wider borough infrastructure requirements
- support local community needs

## **South East King's Lynn Growth Area Framework Masterplan consultation**

The consultation on the West Winch Growth Area SPD finished in September 2022 and the results of the consultation together with an updated SPD was considered by the LPTG on the 21<sup>st</sup> December 2022 and by the Regeneration and Development Panel on the 10<sup>th</sup> January 2023. The report will be considered by Cabinet on 17<sup>th</sup> January 2023 and Full Council 26<sup>th</sup> January 2023.

## **Local Plan**

The Inspectors announced the adjournment of the Local Plan Examination Hearing on 11 January and have cancelled the remaining Hearing sessions planned for Thursday 12, Wednesday 25 and Thursday 26 January 2023. This is to allow us to undertake further work to justify the spatial strategy and distribution of housing in the Local Plan Review.

The Inspectors will write to the Council in the next few weeks setting out the way forward for the Examination following this adjournment and providing a timescale for the delivery of this work and the resumption of the Hearing. This letter will then be placed on the Examination website.

## **Regeneration**

### **King's Lynn Town Deal Status Update**

With all 6 project business cases completed and approved by government we are now entering the delivery phase (with all projects to be complete by March 2026 at the latest). The Town Deal Board is reviewing its governance arrangements having passed this milestone. Some improvements in reporting

are also being introduced to achieve consistency and avoid duplication.

As the delivery phase gets underway it is important to plan for the resources that need to be in place for the next steps. In the last week we have appointed a project specialist to support procurement activities for the Riverfront and Public Realm works. Their support will also be available to the Guildhall and Creative Hub project team. A key appointment process is underway to select a design team for the Guildhall, with an Invitation to Tender being published in the next few days. A Towns Fund update as at December 2022 is shown below.

### South Quay, King's Lynn

In relation to the South Quay regeneration area of King's Lynn – Conservation work has continued into the new year on the historic Sommerfeld and Thomas warehouse building. The appearance of the site is changing as the removal of the 1960's portal frame building takes place at the rear of the site adjacent to the Hampton Court building. An interested party is developing proposals for the site up to the 'Devils Alley' right of way, following a marketing exercise undertaken last year.
