The Assistant Director presented the report which set out proposals for the commitment to sign the care leaver's covenant. She explained that Norfolk County Council was the primary support network, but each district also had an important role to play to support care leavers.

If the covenant was signed then a local offer of support would be developed. It was noted that there were already some schemes in place to offer support and signing up to the covenant would bring these all together for a joined up approach.

The Chair thanked the Assistant Director for her report and invited questions and comments, as summarised below.

Councillor Kemp indicated she was in favour of this national initiative and asked how care leavers were identified. The Assistant Director explained that work was carried out with Norfolk County Council Corporate Parenting Team for links and contacts to ensure that support was available for them.

Councillor Kemp referred to the Boost Project and asked if this offered training opportunities for care leavers. The Assistant Director confirmed that it did and additional opportunities would also be looked at, for example Mentoring programmes.

The Portfolio Holder for People and Communities, Councillor Rust commented that the Council was committed to providing the best offer for care leavers and hoped that signing up to the covenant would increase opportunities and aspirations.

The Vice Chair, Councillor Devulapalli, referred to the report and commented that it did not include any financial implications. The Assistant Director explained that signing up to the covenant did not have any financial implications, however any additional projects or offers would come back for a separate decision if required.

In response to a further question from the Vice Chair, the Assistant Director explained that links and information to access housing was provided and the provision of information could be looked at again as part of the local offer that would be put together.

**RESOLVED:** That the Environment and Community Panel support the recommendations to Cabinet, as set out below.

That the Council commits to taking action to meet the requirements of the Care Leavers Covenant.
