LOCAL PLAN REVIEW – GYPSY AND TRAVELLER POTENTIAL SITES AND POLICY CONSULTATION

Summary

As part of the Local Plan process, the council has produced a draft consultation document on proposed locations to meet the accommodation needs of Gypsies, Travellers and Travelling Showpeople in the borough. It incorporates the list of existing sites across the borough, the methodology used for assessment, those sites that are preferred to accommodate the identified needs and planning policies to manage such developments over the plan period to 2039. This is an essential part of the Local Plan process, and this work must be carried out before the Local Plan can be adopted.

This report to Cabinet seeks authority to proceed with a consultation on potential sites. The consultation would run for 6 weeks, and would help to inform a final proposed Gypsy, Traveller and Travelling Showpeople policy, which will be submitted to Cabinet for approval in April 2024, to be submitted for formal Examination in July 2024.

Recommended that:

1. Cabinet endorses the draft Gypsy, Travellers and Travelling Showpeople Potential Sites and Policy document, the Gypsy and Traveller Site Assessment Document, the associated Strategic Flood Risk Assessment and the Sustainability Appraisal, for consultation, for a period of 6 weeks from the 26th January until the 8th March 2024.
2. That delegated authority be granted to the Portfolio Holder for Development and Regeneration, and the Assistant Director – Environment & Planning, to include minor amendments as required to the consultation document prior to consultation starting at the end of January.

Reason for Decision

The Borough Council must allocate land to meet the accommodation needs for Gypsies, Travellers and Showpeople through the replacement Local Plan. The Local Plan is unlikely to be found sound at examination if insufficient land is allocated to address this need.

Cabinet approval is being sought to publish potential site allocations for consultation. It is also seeking authority to make minor amendments to the consultation document as necessary for clarity ahead of the formal consultation period. Following the consultation, and after a further assessment, Full Council will need to endorse the final preferred site-specific allocations for submission to the Planning Inspectors as part of the ongoing Local Plan examination.

1. Background

- 1.1 In January 2023, the Council commissioned a Gypsy and Traveller Accommodation Assessment (GTAA) to support the examination of the emerging Local Plan. This study provides the evidence on the accommodation need for Gypsies, Travellers and Travelling Showpeople that we will plan for until 2039.
- 1.2 The GTAA is an essential requirement of the Local Plan, and need must be met as part of the Local Plan process. National guidance on this is provided in the Government's planning policy for traveller sites (PPTS).
- 1.3 The information provided in the GTAA is based on interviews with Gypsies, Travellers and Travelling Showpeople that were undertaken on sites and yards across the Borough. It identifies accommodation need for households that meet the planning definition of Gypsy and Travellers and Travelling Showpeople as required by National Planning Policy; households who do not; and households that are undetermined. Those

household needs that do not meet the definition or are undetermined will be managed in accordance with proposed policies in the consultation document and other Local Plan policies under examination.

1.4 The GTAA identified a need for 102 pitches over the plan period, but importantly 76 of these were identified to be provided within the first 5 years of the plan. It should be noted that the PPTS states that there is a requirement to identify and update annually a supply of specific deliverable sites sufficient to provide 5 years worth of sites, so it is particularly important that this need is met early within the plan period.

1.5 Since the publication of the GTAA, two appeal decisions for existing sites has resulted in the number of pitches required over the plan period and within the first 5-years being reduced from 102 to 97 and 76 to 71 respectively. This figure could also change further with pending applications and appeals in the system.

1.6 In response to the GTAA, when assessing potential sites, site-specific constraints such as access issues, access to local services and flood risk have been assessed. The assessment of sites has then identified whether sites are available, suitable and deliverable for further development, through the Gypsy and Traveller Site Assessment Document.

1.7 The Council believes that where existing sites have a direct opportunity to meet these localised accommodation needs, then further investigation must be undertaken to identify whether potential constraints identified on some sites could be overcome through mitigation measures. Work on these constraints is currently being undertaken with statutory consultees and the Council has produced a Strategic Flood Risk Assessment and Sustainability Appraisal to support the consultation.

1.8 In cases where there is little likelihood that constraints can be suitably mitigated, then alternative locations (Broad Locations) have been identified to accommodate any residual need. These locations are also subject to consultation.

1.9 The policies in the consultation document identify the list of sites and yards that have the potential to accommodate some of the required need. In most cases, the need will be accommodated on existing and established sites.

1.10 Two sites are proposed to have existing unauthorised pitches regularised (by way of a Local Plan site allocation). A new site has also been identified at West Dereham, which is currently the subject of a planning application.

1.11 Proposed policies A and B provide a framework to assess any future planning proposals for Gypsy and Traveller pitches/plots over the Plan period.

2. Consultation process

2.1 The main elements of the consultation process are intended to be:

<p>Web version of the Local Plan Review document with ability to enter comments against particular paragraphs or policies</p>	<p>Using our 'Objective' consultation system to enable easy entry of comments and subsequent analysis</p>
<p>E-mail notification of consultees; parish and town councils; other interested parties – parties who were consulted for the recent Consultation on additional evidence base documents (September/ October 2023) and any other parties that have subsequently expressed an interest in the ongoing Local Plan process</p>	<p>Wide notification of the fact that the LPR is at consultation and response / clarification opportunities.</p>
<p>Libraries</p>	<p>Hard copies of the reports will be made available at the following locations: Gaywood Library Kings Lynn Library Dersingham Library Downham Market Library Wisbech Library</p>

	Hunstanton Library
Council Offices	Hard copies of the reports will be made available at the Council Offices at Kings Court, Kings Lynn

2.2 In terms of timescale we would aim to start the consultation from the 26th January and finish on the 8th March 2024 (6 weeks). Following this, the proposed timetable for remaining work and decisions on this matter, includes:

3. Options Considered

3.1 This is essential work that must be carried out to deliver the Local Plan, and to enable it to be found sound. Therefore, not undertaking the work is not an option.

3.2 The Sustainability Appraisal considers several “reasonable alternative” options considered as part of the strategy to accommodate the need for Gypsy and Travellers. These include:

- Provide the need on existing authorised sites; and/ or
- Provide the need on existing authorised sites and authorise those suitable pitches that are currently unauthorised or tolerated; and/ or
- Provide new sites to accommodate the need and/ or
- Provide the need through a combination of the above mechanisms.

All of these potential options will be subject to consultation.

4. Policy Implications

4.1 If the Council does not adequately address the accommodation needs for our communities, then it is likely to lead to the Local Plan being found ‘unsound’ through its ongoing examination process. This would lead to failure of the entire Plan and would leave the Borough vulnerable to unwanted or speculative development proposals, potentially granted through the planning appeals process.

5. Financial Implications

5.1 None specifically.

6. Personnel Implications

6.1 None specifically.

7. Statutory Considerations

7.1 The Town and Country Planning (Local Planning) (England) Regulations 2012 Regulation 18 outlines the requirements for the consultation etc.

7.2 The wider plan preparation process is covered in the Regulations, and practice guidance from Government, including that of Duty to Cooperate. Plan-making is covered by the following primary legislation:

- 1990 Town and Country Planning Act (as amended);
- 2004 Planning and Compulsory Purchase Act (as amended);
- 2011 Localism Act (as amended);
- 2023 Levelling Up and Regeneration Act (to be implemented during 2024).

8. Equality Impact Assessment (EIA)

8.1 A full EIA is attached.

9. Risk Management Implications

9.1. The Council has a duty under the Housing Act 2004 and the Equality Act 2010 to provide a sufficient supply of homes to accommodate all housing needs in the borough through the Local Plan. This includes the provision for Gypsies and Travellers. If the Council fails to meet these needs, then it could have negative implications for the progression of the Local Plan through its Examination and likely lead to speculative developments and unauthorised Gypsy and Traveller encampments around the borough.

10. Declarations of Interest / Dispensations Granted

10.1. None

11. Background Papers
