

## Report to the Environment and Community Panel

### Members' Feedback from Outside Bodies/Partnerships 2015/2016

Name of Organisation/Outside Body	Norfolk Community Safety Sub Panel
Name of appointed representative/s	Cllr: Jacqueline D Westrop
Number of meetings held	One
Number of meetings attended	One
Brief summary of key decisions discussed	<p>The panel received a copy of the county wide Community Safety Partnership Plan, and were briefed on the a) Domestic Abuse change programme, b) Domestic Homicide reviews and c) The Prevent Duty</p> <p>A three year programme of work for the Community Safety Partnership was outlined covering the years 2015 -18 with feedback on what has been achieved to date.</p> <p>The committee noted however the absence of an action plan which would detail the work to be undertaken and milestones which need to be set to achieve the actions, members asked that this be created and circulated to them as a priority The next meeting date was not set but again members asked for a date in September 2016</p>
Implications for the Borough Council (if any)	1.) Possible request for some funding from the CSP to ensure that its work continues, particularly in the field of domestic violence

	<p>2.) The development of community resilience teams/hubs to address the issues of anti social behaviour i.e. early help hub model to understand the current position of the Borough Council</p> <p>3.) To fully consider the rising trend of domestic violence in West Norfolk, and the Borough Council reaction to this and in particular staff awareness of the issue</p> <p>4.) To consider the prevent strategy and the Borough Council response to this including staff awareness of the issue</p>
<p>Any other information you would like to report</p>	<p>Recommendation that officers bring to the panel a report on the current state of community safety issues and that a comparison is made by members to the county policy, consider differences and whether or not they can be addressed, and lastly, consideration is given to the above implications for the Borough Council of the points that arose during discussion.</p>
