

RECOMMENDATIONS TO CABINET – 5 APRIL 2016 FROM THE REGENERATION AND DEVELOPMENT PANEL MEETING HELD ON 23 MARCH 2016

RD67: EXEMPT CABINET REPORT – KING’S LYNN STRATEGIC LAND ACQUISITION

The Property Services Manager presented his report which set out outline terms for a proposed strategic land and property acquisition in King’s Lynn. Authority was sought from Cabinet to progress the acquisition through to completion, subject to agreeing acceptable terms in consultation with the relevant Portfolio Holder.

The Chairman thanked the Property Services Manager for his report and invited questions and comments from the Panel.

The Property Services Manager responded to questions relating to contamination issues and future use of the site. The Property Services Manager explained that future uses of the site would be looked at in due course and he agreed to come back to the Panel at the relevant time to update them on progress and ask for their suggestions on how the site could be developed.

The Portfolio Holder for Regeneration and Industrial Assets thanked the Panel for considering the report and was pleased that Members supported the proposals to progress the acquisition.

RESOLVED: That the Regeneration and Development Panel support the recommendations to Cabinet as set out in the report.
