Examples of Social Value Outcomes

1. Local Employment Opportunities:

Embedding evaluation criteria into Council tenders regarding local job opportunities, leading to increased local employment through targeted procurement practices.

2. Apprenticeships and Training:

Embedding evaluation criteria in Council tenders for creating apprenticeships and training programs, enhancing skills within the community.

3. Environmental Sustainability:

- a. Using the Social Value framework to quantify the impact of environmental conservation projects, promoting sustainability;
- b. Require contractors to deliver active travel outputs as part of the awarded contract.

4. Health and Well-being:

Require bids for Council contracts to propose ideas for enhancing community well-being through strategic initiatives in line with the Council's policies and projects, which will then be assessed and scored as part of the evaluation process for awarding the contract.

5. Equality and Diversity:

Promoting delivery of inclusive practices that support equality and celebrate diversity within the community.

6. Digital Inclusion:

Develop initiatives to bridge the digital divide to inter-weave into Council's services and functions.

7. Volunteerism:

Promoting volunteer opportunities at all relevant junctures to strengthen community bonds.

8. Local Supply Chains:

Work with partner agencies to develop local supply chains to boost the regional economy.

9. Cultural Enrichment:

Focus on deliverables and outcomes for arts and cultural activities that enhance community heritage.
