

CABINET MEMBERS REPORT TO COUNCIL

25 JUNE 2015

COUNCILLOR ALISTAIR BEALES – DEPUTY LEADER AND CABINET MEMBER FOR REGENERATION AND INDUSTRIAL ASSETS

1 Progress on Portfolio Matters.

I was delighted to retain the Regeneration Portfolio and work continues on the major projects which include:

- Bus station refurbishment

This report is somewhat less detailed than normal and once the excitement and disruption of the elections have receded I will report to Council in more depth.
