Throughout the following abbreviations are used:-

MO	=	Monitoring Officer

### PORTFOLIO HOLDER DELEGATIONS

The following Scheme sets out the areas delegated to Portfolio Holders to make decisions and complies with the Council's Financial Regulations. Key Decisions are not delegated to Portfolio Holders and must be considered in Cabinet. Key Decisions are defined as:-

an executive decision which is likely –

- (a) to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effect on communities living or working in the area comprising two or more wards and electoral divisions in the Council's areas

where significant under a) above is £500,000 or more and significant under b) above is one third of the resident population in a ward.

Decisions involving transfers between budget are limited to £250,000 for individual Portfolio Holders, and additional resources from reserves are permissible for any Portfolio Holder up to a maximum of £50,000 per portfolio in any financial year.

Where a reserve exists for a specific purpose (eg renewal or repair reserve), the Director - Resources may withdraw funds from that reserve, PROVIDED THAT the withdrawal is to finance an item or items of expenditure related to the reasons for the existence of the reserve, up to a value of £100,000 per annum. Any necessary withdrawal that exceeds this amount additionally requires the approval of the relevant Portfolio Holder.

The Portfolio Holder for Finance must be consulted in transactions which will result in expenditure over £250,000.

Decisions where more than one Portfolio Holder is required to make a decision must go to Cabinet. For the avoidance of doubt each Portfolio Holder has complete freedom to utilise his or her budget without further recourse to the Leader provided it is not a key decision and subject to the restrictions mentioned above.

It is the responsibility of each Portfolio Holder in consultation with the relevant Chief Officer to ensure that every executive decision is made with the full knowledge of a Democratic Services Officer who shall ensure each decision is properly recorded and published.

It is also the responsibility of the Portfolio Holder, in consultation with the relevant Chief Officer in making decisions to abide by the Council's Financial Regulations, the law and other policy and procedure documents of the Authority as appropriate.

The Portfolio Holder may make decisions in all the areas set out below subject to the conditions and consultations and onward limits on delegation except where the matter under consideration is in excess of £250,000 or beyond the budget of the Portfolio Holder or has a significant effect on two or more wards in the Borough or where the decision to be reached requires the decision of an additional Portfolio Holder.

### General Powers

The exercise of delegated powers is to the person to whom it is expressly delegated under this Scheme.

An officer who is authorised to exercise a delegated power under this scheme may authorise other officers to exercise that power on their behalf. Such authorisation shall be made in writing setting out:

- a. The name(s) of the officers who may exercise a power
- b. The power which may be exercised
- c. Any limitations on the exercise of that power

A copy of every authorisation should be passed to the Monitoring Officer before the officer who is authorised exercises any power

### Contracts

A Chief Officer may authorise and execute on behalf of the Council a contract for works services or goods provided:

- a. the value of the contract does not exceed £100,000.00 or any limit prescribed at any time by contract standing orders
- b. the contract is not part of a series of agreements for the provision of the same or substantially the same works, goods or services
- c. the Chief Officer retains a copy of every contract that they make

## **OFFICER DECISIONS**

It is the responsibility of the officer in making decisions to abide by the Council's Financial Regulations and other policy and procedure documents of the Authority as appropriate.

A delegation of a role when a number of officers hold the job description will mean that for the purposes of the scheme, the power is delegated to all of those officers, or where the job role has changed since the delegation was made, the delegation shall be to the officer whose role most closely mirrors the original role.

In the absence of the Chief Executive any powers failing to be exercised by her may be exercised by any Chief Officer.

Any delegation of power delegated to any Chief Officer can be exercised by the Chief Executive.
