

Forward Decisions List

The Forward Decision List outlines the Cabinet's upcoming decisions over the next few months. It specifies which decisions are considered significant and indicates those that may lead to portions of the meeting being conducted in private. In addition, the list highlights the responsible Lead Officer and Portfolio Holder.

This document will be updated and republished on the Council's website each month. Any queries relating to the Forward Decision List should be forwarded to Democratic Services: Democratic.Services@West-Norfolk.gov.uk

What is a Key Decision?

Key decisions are defined as an executive decision which is likely:

- (a) To result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates, or (significant relates to £500,000 or more)*
- (b) To be significant in terms of its effect on communities living or working in the area comprising two or more wards and electoral divisions in the Council's areas. (significant relates to one third of the population in a ward).*

The key decision and non-key decision process is only for decisions made by the Executive, i.e. not those made at Planning, Council, Licensing etc. When assessing whether or not a decision is a key decision the decision maker must consider all the circumstances of the case. However, a decision which results in a significant amount spent or saved will generally be considered to be a key decision.

Why might a decision be made in private?

Members of the public may be excluded from a meeting or information if the nature of the business to be discussed is likely to involve the disclosure of exempt information such as details that could identify an individual or pertain to the financial or commercial interests of a person or organisation. Such information should only be made exempt, if it is in the public interest to do so under Schedule 12A of the Local Government Act 1972.
