2.3 BVPI 204 was not retained as a new National Indicator although it has been retained as one of our local indicators. BVPI 204 was quite specific over which appeals it covers and for example does not include enforcement, advertisement, lawful development certificate, permitted development, hedge and tree appeals, this is reflected in the table below.

No appeals were decided in this quarter matching the criteria detailed above.

	Allowed	Dismissed	Total	Withdrawn / Closed	Invalid	Split

This data shows that for the second quarter of 2016 15% of all appeals were allowed. For the 12 month period to 30 June 2016 an average of 40% of all appeals were allowed. This is above the traditional national average figure of around 33% of all appeals allowed. With regard to withdrawals it should be noted that appeals can be withdrawn at any time, even after the statements have been exchanged or the appeal heard but whilst the Inspector's decision is awaited. At that stage the LPA has undertaken all the work but without any commensurate result.

- 2.5 All decisions are viewable on the councils web site located on the planning appeals page and are e-mailed directly to the ward member, Chairman and Vice-Chairman. Appeal documentation for applications made in 2004 onwards can also be viewed on Public Access using the planning application search facility.
