Subject: Review of the Effectiveness of the Audit and Risk Committee 2015/16

Summary

This report reviews the work of the Audit and Risk Committee during the year 2015/16 and considers if the Committee has effectively fulfilled its role.

Recommendation

That the Audit Committee considers the content of the report and decides if it accurately reflects the work of the Committee in 2015/16.

That the Audit Committee confirms their agreement to the Chair taking the report to Cabinet as evidence that the Committee operated effectively.

1.0 BACKGROUND

- 1.1 The Audit and Risk Committee was set up in 2006, with Terms of Reference drawn up in line with guidance from the Chartered Institute of Public Finance and Accountancy (CIPFA). These were reviewed during 2013-14 and approved by Council 26th September 2013, and more recently updated as part of the review of the scrutiny arrangements.
- 1.2 Under the Accounts and Audit Regulations 2015, a council is required to *'ensure that it has a sound system of internal control which:*
(a) facilitates the effective exercise of its functions and the achievement of its aims and objectives;
(b) ensures that the financial and operational management of the authority is effective; and
(c) includes effective arrangements for the management of risk.'
- 1.3 Good corporate governance requires independent, effective assurance about the adequacy of financial and operational management and reporting. This assurance is best delivered by a committee that is independent from the executive and

scrutiny functions. This was provided by the Audit and Risk Committee during 2015/16.

- 1.4 In order to ensure that this monitoring of governance is carried out effectively, a regular review of the role and activities of the Audit and Risk Committee is necessary.
- 1.5 The previous review indicated that the Committee was providing an effective service. However it was noted that a review of Scrutiny arrangements was being undertaken during 2015/16. This has now been completed, with the new structure being introduced from May 2016.

It was also noted that the Risk Management Strategy was due to be reviewed and updated during 2015/16. This was completed and the new Risk Management Policy and Strategy was presented to the Audit and Risk Committee on 23rd February 2016. The Committee also received training on Risk Management at the same meeting.

2.0 REVIEW DETAILS

- 2.1 The review was completed by the Audit Manager using a checklist compiled by CIPFA. The completed checklist is attached as **Appendix 1** of this report. In addition information has been compiled on the reports considered by the Committee. The resulting draft report was then considered by the Chair and Vice Chair of the Audit and Risk Committee.
- 2.2 The responses in the checklist are ticked as:
 - 'Y' – Yes. The criteria have been met and no action is required.
 - 'P' – Partial. The criteria have only been met in part, some action may be required.
 - 'N' – No. The criteria have not been met and action may be required.
