Masterplan

Design Principles and Strategies

- 1 **Improve accessibility**
Orientation maps and accessibility information to be provided at main gateways, new footpath to 'Time and Tide' garden and more routes with compliant access.
- 2 **Preserve and enhance local heritage**
Refurbishment to historic features, new rose garden setting to the Edwardian Pavilion, re-instatement of historic path in Esplanade Gardens.
- 3 **Encouraging people to stay longer**
Expansion and re-location of play area including more equipment with greater play value, new relocated crazy golf course.
- 4 **Improve interpretation and visibility of Hunstanton's assets**
New interpretation panels with historic photos and engaging themes linking to local heritage trails.

- 5 **Preserve and enhance community engagement**
New hedge row and bulb planting to form part of community engagement workshops, 'adopt-a-bed' flowerbeds retained.
- 6 **Improve the quality and experience of the public realm**
New areas of hard paving in front of the Pier building, extensive surface dressing to pathways, de-cluttering and re-organisation of street furniture, new fencing and improvements to lighting. Uninterrupted views are maintained.
- 7 **Improve shelters**
New gull-wing shelter in Esplanade Gardens, refurbishment works to Victorian shelters and the shelter on The Green.
- 8 **Enhance biodiversity and ecology**
New planting provides increased biodiversity that is sensitive to local ecological needs.

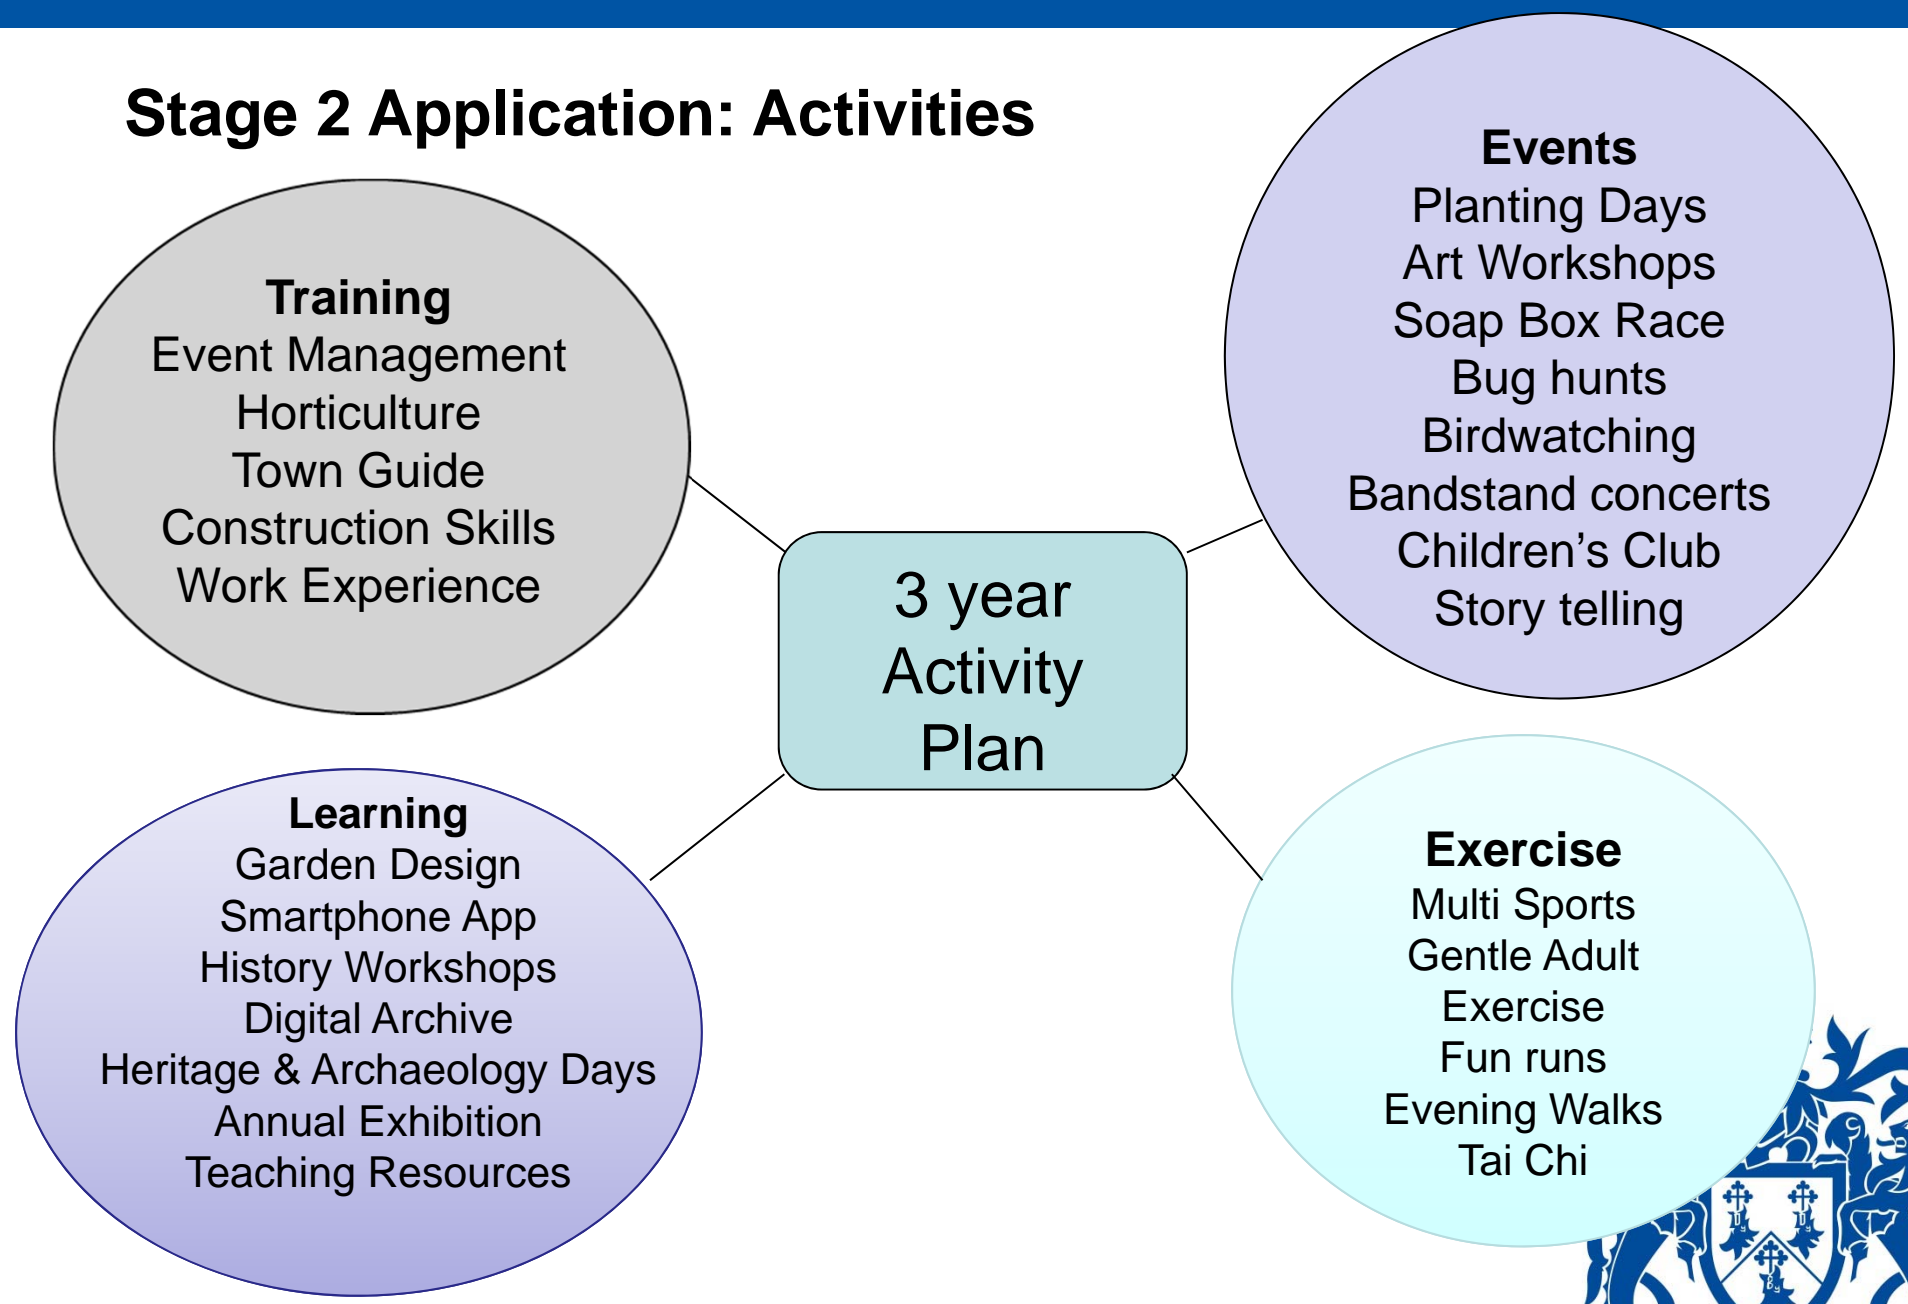

Stage 2 Application: Capital Works

Key Features

- Refurbishment of Butterfly Shelters
