C:76 PETITIONS AND PUBLIC QUESTIONS

The Mayor invited Mrs J Rust to ask her public question as follows:

“Cllr Lawrence has reported that West Norfolk has been awarded £1.8m which represents one of the largest awards to any local authority. At the end of January there were 1315 on the Home Choice register- 230 High, 361 medium and 724 Low. How many people does the council envisage employing to ensure that there is sufficient capacity and skills to deliver this ongoing and sustainable programme of community housing?”

In response, Councillor Lawrence stated “This funding is warmly welcomed and it will be split in two halves, the second part will only be forthcoming if we get things right. We will look at our capacity and skills to ensure delivery, at this moment in time I cannot say if we will need another member of staff. The key objective of this money is to deliver much needed low cost housing in places with high amounts of second homes.”

As a supplementary Mrs Rust asked why the first half of the money available couldn't just be used to build Council Housing to house people rather than to set up a programme.

Councillor Lawrence responded that there were rules which had to be followed for the Fund, and so the guidelines would be followed in order to make things work, and homes would be built where they were needed in accordance with the terms of the Fund.

C:77 FINANCIAL PLAN 2016/2021 AND COUNCIL TAX RESOLUTION 2017/2018

Councillor Long proposed the budget in accordance with CAB 119 Financial Plan 2016/21 and the Council Tax resolution 2017/18. He acknowledged that his ethos was not to take taxes unless really necessary, which had been possible over the last 14 years. However as times were changing there were no financial incentives from the Government to assist in keeping the tax the same, and the revenue support grant was disappearing. The efficiency plan which had been provided to the Government to enable certainty in the support grant had been accepted as sound and included the increase in Council Tax which was expected by Government as part of the solution. The increase proposed was £4 per year for a Band D equivalent and associated increases in Special Expenses. He drew attention to the plan to increase the General Fund balance in order to draw on reserves in coming years.

In referring to the budget Councillor Long drew attention to the fact that although Business rates for car parks had increased, to cost of car parking was not, in order to assist the town centre to maintain its high footfall. The programme of events in the town centre would also continue.

Councillor Long thanked the Internal Drainage Boards for the maintaining their precepts at 2016/17 levels.

Councillor Mrs Nockolds seconded the budget and reserved the right to speak.

Councillor J Collop as Leader of the Labour Group in speaking on the budget criticised the fact that no small increases had been made previously which he considered if there had been it would have meant a small increase could be made this year. He drew attention to the risk elements of the report which showed that the impact of the review of Business Rates and the fair funding review were unknown so there was no assurance that by 2021 the Council

could continue. He stated he would therefore vote against the proposals due to what had been agreed previously and what could happen in the future.

Councillor Daubney stated that the Council was in a good position now because of good financial management undertaken since the opposition Administration.

In summing up Councillor Long explained the rise was not being excessive, when others had increased by more. He acknowledged that there were warnings in the report which was why the current approach was being taken, because once the Business Rates were divided in the review, because of the County adult services situation it was likely that Government would award them the lions share.

In accordance with SI 2014 No 165, Local Government, England, The Local Authorities (Standing Orders)(England) (Amendment) Regulations 2014, a recorded vote was taken.
