

1. **Council Taxbase 2019/2020** (Pages 1 - 4)

BOROUGH COUNCIL OF KING'S LYNN AND WEST NORFOLK

RECORD OF DECISION TAKEN UNDER DELEGATED POWERS

This is a record of a decision taken by the officers under delegated powers and where necessary taken in consultation with members and officers.

Delegated Power
Cabinet 1 July 2014.

Minute CAB31: Delegation of approval of the Council Taxbase to the S151 Officer in consultation with the Council Leader and Portfolio Holder for Resources

(NB following a reorganisation the Resources Portfolio is now held by the Council leader).

Decision Taken

1. Under the rules, the Council Tax Base is the number of dwellings in an area belonging to each valuation band, modified to take account of:
 - the proportion applying to dwellings in each band where disabled relief is awarded,
 - discounts and exemptions,
 - in certain cases increases due to the application of the empty homes premium and in others reduced amounts payable due to council tax discounts under s11a LGFA 1992,
 - reductions due Council Tax Support schemes under s13 LGFA 1992, and
 - the proportion of the council tax for the year which the billing authority expects to be able to collect.
2. These values are then calculated as equivalents to Band D properties, plus the equivalent in respect of contributions in lieu of Council Tax to be made for the year by the Ministry of Defence for Class O (exempt) dwellings in its area.
3. The calculations below have regard to the recommendations in respect of discounts relating to Second Homes and Empty Properties for 2019/2020 agreed by full Council at its meeting of 18 October 2018 and the scheme of Council Tax Support for 2019/2020 as agreed by full Council at its meeting of 24 January 2019.

4. The calculation is as follows:

A	Total number of dwellings on the valuation list	73,074
B	Estimated reduction for discounts, exemptions and disabled relief	8,091.7
C	Total number of equivalent dwellings after discounts, exemptions and disabled relief (A-B)	64,982.3
D	Band D equivalent dwellings	56,103.8
E	Band D equivalent dwellings for Council Tax Support	5,408.2
F	Total number of Band D equivalent dwellings after Council Tax Support (D-E)	50,695.6
G	Band D equivalents for Class O dwellings	482.9
H	Council Tax Base (F + G)	51,178.5

Reasons for the Decision

The Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012 contain the rules for the calculation of the Council Tax Base for 2014/2015 onwards. The Council Tax Base is an amount required by the Local Government Finance Act 1992 to be used in the calculation of the Council Tax by the Council as the Billing Authority, and by Norfolk County Council and the Norfolk Police and Crime Commissioner as Major Precepting Authorities, and in the calculation of the precept payable by the Council to the County Council and Police Authority. The tax base for 2019/2020 must be approved by 31st January 2019.
