### COURTAULD AGREEMENT

#### Summary

The Council as part of the Norfolk Waste Partnership and on its own merits signs the Courtauld 2025 Commitment to reduce food waste and its impacts on the environment.

#### Recommendation

The Council signs the Courtauld Commitment 2025

#### Reason for Decision

Working with partners signifies greater commitment and delivers greater impact than working alone and helps to communicate the actions which can make the biggest difference.

## **Background**

The Courtauld 2025 commitment relates to common actions to reduce the impact of food waste on householders and the environment. Administered by WRAP and produced under the auspices of the Ellen McArther Foundation the commitment addresses the financial, social and environmental impacts of Food Waste and increase sustainability. The scheme is endorsed by colleagues in the Norfolk Waste Partnership.

## **Options Considered**

The council has discretion in determining what action to take and have considered the best route is with other councils in Norfolk to sign the Commitment to share best practice, collaborate with others where possible and report our impacts where quantifiable annually.
