AND CREATIVE HUB BUSINESS CASE**

[Click here to view the recording of this item on You Tube.](#)

The Task Group considered the Cabinet report and additional documents that had been circulated in relation to the Business Case for the St George's Guildhall and Creative Hub project and made the following comments.

Councillor Crofts broadly supported the project and felt that it was important that it was well marketed and needed to be cost effective. He made reference to commercial elements and that lessons should be learned from the previous failed HLF bid. King's Lynn as a Heritage Centre needed to be promoted as a whole. Councillor Crofts explained that he was keen on promoting coach trips into the town centre and this project could be a catalyst for this. Information was provided from officers on the CIO business plan and marketing support.

Councillor Morley commented that the Guildhall was a huge attraction and needed to be refurbished and operating as a performing arts complex based on Shakespeare's connections and its history. He stated that experts had judged that the figures presented were the best estimates and we had to support these. However, the benefits of a creative hub did not appear to be evidenced in the case and it was difficult to envisage what will be happening in the hub to add value to the whole complex and the symbiotic or holistic relationship is not clear or explained.

The Chair, Councillor Nockolds made reference to the rental opportunities and how they related to creativity and activities relating to the development of skills.

Officers provided information on the attendance estimates and explained that these included school visits and school performances. The Portfolio Holder reminded Members that this plan had been through the Town Board and a lot of work had been carried out to forecast attendances and income. An Independent Appraisal report had also been conducted and found the Business Case to be satisfactory.

The Task Group discussed the Creative Hub and it was acknowledged, that going forward, more promotion within the business case would be of benefit to highlight how the Hub would achieve the outputs required.

Councillor Hudson, who was attending the meeting remotely, under Standing Order 34 commented that the attraction should be based on William Shakespeare. It was explained that Shakespeare would be a feature, but the venue needed to be flexible so that a range of performances and activities could take place.

It was explained to the Task Group that co-ordination with the MUCH would take place.

In response to questions from Councillor de Whalley, it was explained that the Business Case and Business Plan were two separate documents and the Business Plan had already been approved. It was also noted that the HLF was a separate application process and was not related to the Business Case. With regard to the footfall estimates and information on volunteers within the Business Case it was explained that these were modelled with information provided by relevant organisations such as NMS.

Councillor Ryves addressed the Task Group under Standing Order 34 and commented that the project was expensive, and he would like to see an alternative plan that had respect for the public purse. He felt that the project was a risk and had concerns about the underwriting, should the HLF bid be unsuccessful.

In response to a question from Councillor Ryves, it was explained that consultation with stakeholders had taken place and regular update meetings had occurred. Councillor Ryves commented that he felt the process had been rushed and that the alternative proposal put forward by the SGT should have been considered.

The Task Group discussed the proposals for catering and doing it in house verses a commercial provision.

Councillor Morley referred to the Economic Case and felt that the key benefits did not include outputs of the hub. He felt that the Creative Hub would result in only a small return and therefore not good value for money. Officers explained that the project needed to be looked at as a whole, but acknowledged that the benefits of the Hub were perhaps not promoted as much as they should be in the Business Case, and this was something that officers could look at including going forward.

Councillor de Whalley referred to the White Barn and the Task Group discussed the benefits of the use of this space over and above the financial benefits.

A representative from the Task Group would present a summary of the discussion to the Regeneration and Development Panel at their meeting on 23rd June 2022.

8 **DATE OF THE NEXT MEETING**

To be agreed.

9 **EXCLUSION OF PRESS AND PUBLIC**

[Click here to view the recording of this item on You Tube.](#)

RESOLVED: That under Section 100(A)(4) of the Local Government Act, 1972, the press and public be excluded from the meeting for the following item of business on the grounds that it involves the likely disclosure of exempt information as defined in paragraphs 1 and 2 of Part 1 of Schedule 12A to the Act.

10 **EXEMPT - URGENT BUSINESS - FORMATION AND MEMBERSHIP OF THE CIO**

The Task Group discussed the formation and membership of the CIO and how the Task Group would be involved in processes.

RESOLVED: At 6.00pm the Task Group resolved to continue to sit for an additional ten minutes.

The meeting closed at 6.10 pm

1. Name

The name of the Charitable Incorporated Organisation (“the CIO”) is:

St George’s Guildhall and Creative Hub

2. National location of principal office

The principal office of the CIO is in England.

3. Objects

The objects of the CIO are:

- The advancement of the arts, culture, heritage and science
- To advance the education of the public in, although not limited to, the performing and visual arts, the built heritage, creativity and entrepreneurialism throughout the United Kingdom.

Nothing in this constitution shall authorise an application of the property of the CIO for the purposes which are not charitable in accordance with section 7 of the Charities and Trustee Investment (Scotland) Act 2005 and section 2 of the Charities Act (Northern Ireland) 2008.

4. Powers

The CIO has power to do anything which is calculated to further its objects or is conducive or incidental to doing so. In particular, the CIO has power to:

- (1) borrow money and to charge the whole or any part of its property as security for the repayment of the money borrowed. The CIO must comply as appropriate with sections 124 and 125 of the Charities Act 2011, if it wishes to mortgage land;
- (2) buy, take on lease or in exchange, hire or otherwise acquire any property and to maintain and equip it for use;
- (3) sell, lease, or otherwise dispose of all or any part of the property belonging to the CIO. In exercising this power, the CIO must comply as appropriate with sections 117 and 119-123 of the Charities Act 2011;
- (4) employ and remunerate such staff as are necessary for carrying out the work of the CIO. The CIO may employ or remunerate a charity trustee only to the extent that it is permitted to do so by clause 6 (Benefits and payments to

St Georges Guildhall and Creative Hub Constitution

charity trustees and connected persons) and provided it complies with the conditions of that clause;

- (5) deposit or invest funds, employ a professional fund-manager, and arrange for the investments or other property of the CIO to be held in the name of a nominee, in the same manner and subject to the same conditions as the trustees of a trust are permitted to do by the Trustee Act 2000.

5. Application of income and property

- (1) The income and property of the CIO must be applied solely towards the promotion of the objects.
- a) A charity trustee is entitled to be reimbursed from the property of the CIO or may pay out of such property reasonable expenses properly incurred by him or her when acting on behalf of the CIO.
 - b) A charity trustee may benefit from trustee indemnity insurance cover purchased at the CIO's expense in accordance with, and subject to the conditions in, section 189 of the Charities Act 2011.
- (2) None of the income or property of the CIO may be paid or transferred directly or indirectly by way of dividend, bonus or otherwise by way of profit to any member of the CIO.
- (3) Nothing in this clause shall prevent a charity trustee or connected person receiving any benefit or payment which is authorised by clause 6.

6. Benefits and payments to charity trustees and connected persons

(1) General provisions

No charity trustee or connected person may:

- a) buy or receive any goods or services from the CIO on terms preferential to those applicable to members of the public;
- b) sell goods, services, or any interest in land to the CIO;
- c) be employed by, or receive any remuneration from, the CIO;
- d) receive any other financial benefit from the CIO;

unless the payment or benefit is permitted by sub-clause (2) of this clause or authorised by the court or the prior written consent of the Charity Commission ("the Commission") has been obtained. In this clause, a "financial benefit" means a benefit, direct or indirect, which is either money or has a monetary value.

(2) Scope and powers permitting trustees' or connected persons' benefits

- a) A charity trustee or connected person may receive a benefit from the CIO as a beneficiary of the CIO provided that a majority of the trustees do not benefit in this way.
- b) A charity trustee or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to the CIO where that is permitted in accordance with, and subject to the conditions in, sections 185 to 188 of the Charities Act 2011.
- c) Subject to sub-clause (3) of this clause a charity trustee or connected person may provide the CIO with goods that are not supplied in connection with services provided to the CIO by the charity trustee or connected person.
- d) A charity trustee or connected person may receive interest on money lent to the CIO at a reasonable and proper rate which must be not more than the Bank of England bank rate (also known as the base rate).
- e) A charity trustee or connected person may receive rent for premises let by the trustee or connected person to the CIO. The amount of the rent and the other terms of the lease must be reasonable and proper. The charity trustee concerned must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.
- f) A charity trustee or connected person may take part in the normal trading and fundraising activities of the CIO on the same terms as members of the public.

(3) Payment for supply of goods only – controls

The CIO and its charity trustees may only rely upon the authority provided by sub-clause (2)(c) of this clause if each of the following conditions is satisfied:

- a) The amount or maximum amount of the payment for the goods is set out in a written agreement between the CIO and the charity trustee or connected person supplying the goods (“the supplier”).
- b) The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.
- c) The other charity trustees are satisfied that it is in the best interests of the CIO to contract with the supplier rather than with someone who is not a charity trustee or connected person. In reaching that decision the charity trustees must balance the advantage of contracting with a

St Georges Guildhall and Creative Hub Constitution

charity trustee or connected person against the disadvantages of doing so.

- d) The supplier is absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to the CIO.
- e) The supplier does not vote on any such matter and is not to be counted when calculating whether a quorum of charity trustees is present at the meeting.
- f) The reason for their decision is recorded by the charity trustees in the minute book.
- g) A majority of the charity trustees then in office are not in receipt of remuneration or payments authorised by clause 6.

(4) In sub-clauses (2) and (3) of this clause:

- a) “the CIO” includes any company in which the CIO: holds more than 50% of the shares; or
 - (i) controls more than 50% of the voting rights attached to the shares; or
 - (ii) has the right to appoint one or more directors to the board of the company;
- b) “connected person” includes any person within the definition set out in clause 30 (Interpretation).

7. Conflicts of interest and conflicts of loyalty

- (2) absent himself or herself from any discussions of the charity trustees in which it is possible that a conflict of interest will arise between his or her duty to act solely in the interests of the CIO and any personal interest (including but not limited to any financial interest).

Any charity trustee absenting himself or herself from any discussions in accordance with this clause must not vote or be counted as part of the quorum in any decision of the charity trustees on the matter.

8. Liability of members to contribute to the assets of the CIO if it is wound up

If the CIO is wound up, the members of the CIO have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

9. Charity trustees
