19 **CHAIR'S CORRESPONDENCE (IF ANY)**

[Click here to view the recording of this item on YouTube.](#)

The Chair advised the Committee he had received correspondence from Councillor Rust for support for Springwood School and an application for a Bus Shelter to be moved.

20 **FUNDING OPPORTUNITIES**

[Click here to view the recording of this item on YouTube.](#)

The King's Lynn Area Committee discussed a Funding Opportunities Informal Working Group.

Councillor Rust commented that this item should not be deferred further as this was already deferred to this meeting and an informal working group should be established.

Councillor Jones suggested to the Committee, this could be a Standing Item on the Agenda going forward.

Councillor Rust commented some areas would be prioritised over others therefore this needed to be agreed.

The Vice Chair, Councillor Everett endorsed Councillor Jones suggestion of a Standing Item which would be exempt.

The Assistant Director clarified the funding opportunities meeting would be exempt and the funding applications would be scored and assessed.

The Chair, Councillor Bone put forward to the Committee that all members would attend an Informal Working Group to discuss further.

Councillor Rust asked the Committee if each member of KLAC will be on the Informal Working Group then each member will commit to look for funding sources or just await to see if a budget is given to the Committee. She commented that the funding budget and prioritises needed to be exact and decided.

Councillor Heneghan asked for support and training with applying for funding.

The Assistant Director confirmed he would provide training for members to have a better understanding of funding.

Councillor Colwell asked if the Informal Working Group could be attended remotely to accommodate all members.

The Chair, Councillor Bone confirmed the Informal Working Group could be hybrid, both in person and remotely however in person meetings are more productive.

Councillor Kemp, commented in relation to Funding Opportunities, Officers needed to be present at the meeting and referred to statutory functions.

Councillor Heneghan advised the Committee she was opposed to a Zoom Meeting for the Informal Working Group and believe the funding opportunities should be in discussed in person.

Councillor Rust commented if the Informal Working Group was immediately prior to the next KLAC meeting then all members should be in person. She further commented the funding opportunities did not include statutory services as these are provided by the Borough Council.

Councillor Ware referred the Committee back to the minutes of the previous KLAC meeting. She commented one member from each ward to be on the Informal Working Group rather than all members of KLAC. Councillor Rust stated it was fair for all members to have the opportunity to participate in the Informal Working Group.

The Assistant Director referred the Committee to the Terms of Reference which sets out how funding is scored therefore it needed to be decided what KLAC's funding priorities were.

Councillor Kemp referred the Committee to the statutory functions and commented it was not clear what they were, and it needed to be highlighted in which entity funding was being applied for.

RESOLVED: All members of KLAC to attend an Informal Working Group prior to the next KLAC meeting on the 26th September 2024.

NEIGHBOURHOOD PLAN FOR KING'S LYNN

[Click here to view the recording of this item on YouTube.](#)

The Principal Planner gave a presentation to the Committee on a Neighbourhood Plan. The Principal Planner highlighted to the Committee a Neighbourhood Plan was local produce and a non-strategic development plan and the wider framework was the Local

Plan. He provided details of a Neighbourhood Plan which included it was introduced in 2011 by the Localism Act. He added to the Committee that 19 Neighbourhood Plans have been successfully made in the Borough.

The Principal Planner clearly highlighted to the Committee a Neighbourhood Plan was not suitable for King's Lynn due to being unparished and the complexity of a Neighbourhood Plan however individual parts of King's Lynn could apply, for example West Lynn, South Lynn, and North Lynn.

The Principal Planner explained that for unparished areas or those without constituted Parish Councils. He added Titchwell Parish Meeting had also expressed an interest in preparing a Neighbourhood Plan, which would require the setting up of a Neighbourhood Forum, and additional process. The Parish Meeting had also identified a recent example in Lindsell (Uttlesford District Council); <https://www.uttlesford.gov.uk/lindsell-np>.

The Chair, Councillor Bone, thanked the Principal Planner for the presentation and appreciated the challenges with setting up a Neighbourhood Plan. He highlighted for some Wards a Neighbourhood Plan would be beneficial for the community.

Councillor Kemp highlighted to the Committee that a Neighbourhood Plan cannot override or lessen the development. She added where a Neighbourhood Plan included business they would need to be consulted and asked the Principal Planner if this would be the case for the town or North Lynn.

In response to Councillor Kemp, the Principal Planner advised he had never directly experienced a business Neighbourhood Plan but provided an example of a designated business Neighbourhood Plan in Corby which he was aware of through his previous employment.

Councillor Kemp referred to an additional referendum for the business community and the detail which was included in this and wanted to ensure the Committee were aware.

Councillor Rust thanked the Principal Planner on the useful presentation and recognised that a Neighbourhood Plan wouldn't work for the King's Lynn Area and understood the realism of their ambitions.

The Principal Planner provided an example of a hypothetical Neighbourhood Plan including Clenchwarton and West Lynn as if working together a Neighbourhood Forum would not be needed. He provided a further example of a Neighbourhood Plan being Roydon, Grimston and Congham.

Grimston on the beat with charity game

A charity cricket match held at the picturesque Grimston Cricket Ground brought together King's Lynn Police CC and King's Lynn All Stars CC for an exciting evening of sport and community spirit.

With sunny skies and enthusiastic spectators, the event was a huge success, both on and off the field.

The match was a thrilling display of cricket, with both teams showcasing their skills and, more importantly, their camaraderie.

Although competitive, the atmosphere remained light-hearted, with plenty of laughs and good-natured banter

between the players.

The King's Lynn All Stars batted first, scoring an impressive 118 runs with Mark Pickering the top scorer with 27 and Ross Edwards scoring 23.

Bev Garnett was the pick of the KL Police bowlers taking a hat-trick with her second over.

King's Lynn Police had a mountain to climb, and despite impressive batting from Chris Banks (17 runs) and Garnett (12 runs), they fell short of the required total, amassing 98 runs in a valiant effort.

Ross Edwards and Miles Harris both took three wickets

each.

Beyond the on-field action, the true victory of the day was the amount raised for Grimston Cricket Club.

A total of £350 was collected through generous donations, which will support the club's activities and maintain the ground for future generations. This event also highlighted the strengthening partnership between King's Lynn Police and Grimston Cricket Club.

A spokesperson said: "By coming together for such a positive cause, both teams demonstrated the power of sport in building stronger community ties."

Pictured above are Laura Harrod, Bev Garnett, and Chief Inspector Chris Banks with a cheque of £350 for Grimston Cricket Club

indicating a Newson conspiracy

and shop owners themselves. One thing is clear - each of them is just as important as each other when it comes to cracking down on thieves. They all admit they could not function nearly as well

which will look to curb that offending, to put them on a path where they don't have to do that?

"That's where working in this tight knit community is really helpful, because we

"The amount of times where someone's seen me that is a prolific shoplifter and they'll walk the other way, or they miss their prime targets and just keep walking," she adds.

courtrooms, mainstream businesses such as Boots and supermarkets like Sainsbury's and Tesco are often among the most frequently targeted.

However, it is the smaller,

"I do think everyone does the best they can, to be fair," Ms Ridge adds.

What can be done to reduce shoplifting?

It's not an easy question to answer - as highlighted by Ms

the bobby on the beat.

"Whilst it's not the only solution to this issue or any issue, it's a huge factor - and having police officers at identified places at the right time is the ideal scenario."
