

Procedure for Determining Licensing Act 2003 Cases

The hearing will be held in public. However, the Borough Council may exclude the public from all or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking place in public. The hearing is not adversarial but an examination of the facts by the Members of the Committee. All participants must be courteous at all times. All parties will be given equal maximum time which is normally 15 minutes each, in total. Any person may apply for longer time if they immediately notify the Borough Council upon receipt of the Notice of the Hearing and in exceptional circumstances, the Borough Council may extend the maximum time allowed to all parties if the complexity of the application demands. In the event that there are a large number of objections to a particular application, the Borough Council may ask an appropriate number of representatives or a single representative to put forward their views.
