REPORT DETAIL

1. Introduction

1.1 The Council's Local Code of Corporate Governance sets out six core principles of good governance that focus on the systems and processes for the direction and control of the Council and its activities through which it accounts to, engages with and leads the community. These core principles include:

- Focusing on the purpose of the Council
- Roles and responsibilities of members and officers
- Standards of conduct and behaviour
- Decision making, scrutiny and risk management
- Developing capacity and capability of members and officers
- Engaging with local people and stakeholders

1.2 The extent to which the Council adheres to these principles is described in the Annual Governance Statement.

1.3 The preparation and publication of an Annual Governance Statement (AGS) is a statutory requirement. The AGS is a public statement that describes and evaluates the Council's overall governance arrangements during a particular financial year. It includes a self-assessment of the effectiveness of the governance arrangements, across all areas of activity, together with a statement of the actions being taken or required to address any areas of concern.

2. The Statement

2.1 The Statement has been produced in accordance with relevant professional guidance and good practice and a comprehensive review has taken place to ensure that the suggested areas are all included in the Council's AGS for 2016/17.

2.2 Sections 1 and 2 are broadly the same as last year, these are 'introductory sections'.

2.3 Section 3 is the main body of the document and uses the CIPFA guidance as headings, the content has been updated to reflect practices during the year under review.

2.4 Section 4 contains information based on standard reports and events that inform the Review of Effectiveness.

- 2.5 Section 5 was new last year and has been retained as it is felt that it ensures necessary focus to the 'Areas of special interest in terms of governance' that the Council has in place.
- 2.6 Section 6 was also a new addition last year. This section covers 'Known Changes in the 2016/17 year'.
- 2.7 Section 7 refers to the Action Plan devised for the 2017/18 year (shown on the final page of the document)
- 2.8 The production of the draft statement, and the consultation process, has involved input from Executive Directors, Service Managers, Internal Audit and External Audit. In particular, input has been obtained from the Monitoring Officer, Audit Manager, the S151 Officer, the Democratic Services Manager, the ICT Manager, the Housing Services Manager and the Chief Operating Officer of Alive Management Ltd.

3. Issues for the Panel to Consider

- 3.1 The following areas have been identified as things the Committee may wish to consider:
- i. Does the AGS cover all areas of our operations?
 - ii. Is it meaningful, easy to read and underpinned by robust evidence?
 - iii. Does it accurately reflect our control structure and a sense of its risks, vulnerabilities and resilience to challenges?
 - iv. Has compliance with the Code of Corporate Governance been assessed and have any departures from it been disclosed and explained?

- 10.2 Failure to maintain an effective approach to producing the AGS may lead to the Council being

 - open to criticism from external audit.
