Hemmingway Design will be carrying out wide ranging consultation as part of their study in the summer. The Hunstanton Prosperity Coastal Community Team secured the match funding required for the study from the Norfolk Business Rates Pool.

Coastal Community Fund:

A Stage 1 application has been submitted to the Coastal Community Fund for the 'Sail the Wash' project.

Working in partnership with Fenland District Council and Lincolnshire County Council, the aim of the project is to develop the waters of the Wash, making them more 'user friendly' and accessible for the leisure sailor, to change adverse perceptions of the Wash as somewhere to go sailing. The outcome of the stage 1 application is expected in June-July. If successful a stage 2 application will need to be submitted by mid-October for a decision in early 2019.
