

CABINET MEMBERS REPORT TO COUNCIL
18 October 2018

COUNCILLOR PETER HODSON - CABINET MEMBER FOR PERFORMANCE AND ECONOMIC DEVELOPMENT

For the period 6 September to 9 October 2018

1 Progress on Portfolio Matters.

International Aerospace Academy RAF Marham (IAA-M)

The project appraisal has been completed and the borough council is working with the Aviation Skills Partnership (ASP) on preparing a bid to be submitted to the Local Enterprise Partnerships' Growth Deal Fund in October. IAA-M follows Norwich, RAF Syerston and RAF Cosford as 'first of kind' Academies for the United Kingdom by providing the complete integration of education, training and industry pathways for the aerospace and aviation industry. Aviation Skills Partnership (ASP) has identified six areas of aerospace skills and aviation skills requirements and the IAA-M will provide pathways through school, college and university for all skills levels and for all job types.

Hunstanton Southern Seafront.

Hemingway Design are well underway with the masterplanning study of the Southern Seafront area, an online portal was launched in August inviting the public to suggest and respond to the initial ideas and suggestions put forward by Hemingway Design. The portal is due to close on 14th October and the results will inform the masterplan options to be developed by Hemingway Design. Public consultation on the option is anticipated in early 2019.
