1. Introduction

- 1.1 The Council's Performance Management Framework includes quarterly monitoring and reporting of performance. Each quarterly performance report is presented to the Corporate Performance Panel and made available to all Councillors and Portfolio Holders for information on the Council's intranet, Insite.
- 1.2 Corporately there are 50 performance indicators for 2018-19 and these have been agreed by Portfolio Holders and Executive Directors as the key performance measures for the year. Of this 50, 14 relate to the Regeneration and Development Panel's remit and these are reported in full in the performance monitoring report – Q2 2018-19.
- 1.3 Exception reporting is used whereby those indicators that have not met their target are drawn out into an Action Report. This report focuses attention on adverse performance. In addition to the notes shown on the full report, senior managers provide information on the actions being taken to bring performance in line or reasons why this cannot happen.
- 1.4 Indicators and targets are agreed by Portfolio Holders and Executive Directors. As part of its work programme, the Panel may wish to consider the indicators within its remit and make recommendations regarding future performance measures and targets.
