

URGENT ITEM – COUNCIL – 11 APRIL 2019

Polling station - Brancaster

Council on 24 January 2019 approved the change for the 2 May 2019 Borough Parish elections for the Polling Station at Brancaster Village Hall as it was not available for use as a Polling Station. Council is asked to endorse this resolution to include European Elections should they take place on 23 May 2019.

Council is therefore asked to endorse the attached amendment to the relevant page of the Polling District Schedule, so far as the area of the Polling Place is concerned. This will enable the Returning Officer to use the Village Hall, Main Road, Brancaster Staithe as the Polling Station for both wards of Brancaster Parish and the Parish of Titchwell.

Council is asked to give delegated authority to the Chief Executive to implement any additional changes to the Polling District Schedule for Polling Places
