## Report to Licensing Sub-Committee under the Licensing Act 2003

Date of Hearing: 16<sup>th</sup> July 2020

### Application for Grant of a Premises Licence

- Vilnius Off Licence, 119 London Road, Norfolk, PE30 5ES
- Applicant – Mr Bestwn Tofik

### Introduction

1. A premises licence is required under the Licensing Act 2003 (the 'Act') for the sale of alcohol, regulated entertainment or for the provision of late night refreshment (i.e. the supply of hot food and drink between 11pm and 5am). The four licensing objectives to be considered when determining the application, and relevant representations, are:

- the prevention of crime & disorder,
- public safety,
- the prevention of public nuisance, and
- the protection of children from harm

### The Application

2. Mr Bestwn Tofik has made an application under Section 17 of the Act for the licensable activities of 'sale of alcohol by retail'. A copy of the application is attached at Appendix 1 and if granted would allow the premises to operate as follows:

<u>Licensable Activity</u>	<u>Days</u>	<u>Times</u>
<b>Sale of Alcohol by Retail</b> (for consumption 'off' the premises)	Monday to Sunday	8am – 11pm

### Mandatory Conditions

3. The Act provides for the following four mandatory conditions to be attached to all premises licences authorising the sale of alcohol for consumption off the premises:-

- Under Section 19(2) of the Licensing Act 2003, no supply of alcohol shall be made under this premises licence at a time when there is no designated premises supervisor in respect of the premises licence, or at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- Under Section 19(3) of the Licensing Act 2003 every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
- The premises licence holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of

alcohol. The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either a holographic mark, or an ultraviolet feature.

- (d) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price. For the purposes of this condition 'duty' is to be construed in accordance with the Alcoholic Liquor Duties Act 1979; 'permitted price' is the price found by applying the formula -  $P = D + (D \times V)$  where; P is the permitted price; D is the rate of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol; and V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol. A 'relevant person' means the holder of the premises licence, the designated premises supervisor (if any) in respect of such a licence, or the personal licence holder who makes or authorises a supply of alcohol under such a licence. 'Value added tax' means value added tax charged in accordance with the Value Added Tax Act 1994.

The permitted price must be rounded up to the nearest penny.

A change to the permitted price which would apply as a result of a change to the rate of duty or VAT charged in relation to alcohol would not apply until the expiry of the period of 14 days beginning on the day on which the change in the rate of duty or VAT takes effect.

#### **Conditions Consistent with the Operating Schedule (Proposed Conditions)**

4. The following conditions have been identified from the operating schedule (pages 10 to 12 of the application).

- (a) A CCTV system shall be maintained at the premises covering public areas where alcohol is displayed, which is capable of recording images for a continuous period of at least 28 days. Images must be capable of being downloaded upon reasonable request from representatives of the Police or the Licensing Authority. All staff on duty at the premises must be trained in the use of the system and be able to comply with any such request. The system will be maintained in good working order at all times, displaying the correct time and date. A CCTV monitor will be securely positioned so that a member of staff will be capable of seeing images from the cameras.
- (b) Signs shall be displayed in prominent positions requesting that customers show due consideration of neighbours when leaving the premises.
- (c) The licence holder shall maintain records of all refusals of the sale of

alcohol and other incidents that may occur at the premises in a book that will be kept for that purpose. The refusals / incident book will be produced for inspection upon reasonable request from representatives of the Police or the Licensing Authority.

- (d) A Challenge 25 age verification policy must be in operation at the premises, with challenge 25 posters on display at the till, in area/s where alcohol is on display for sale and at the entrance of the premises.
- (e) All staff selling alcohol and age restricted products must receive on-going training, to be refreshed at least every 6 months. Records of staff training must be recorded in a staff training register and will be produced for inspection upon reasonable request from representatives of the Police or the Licensing Authority.

### **Representation from Responsible Authorities**

*Section 13(4) of the Act defines the 'Responsible Authorities' as the statutory bodies that must be sent copies of an application. Representations made must relate to the licensing objectives.*

5. The Norfolk Constabulary are objecting to the application under the prevention of crime and disorder licensing objective. A copy of their letter dated the 10<sup>th</sup> June 2020 is attached to this report at Appendix 2.

6. Norfolk County Council Trading Standards are objecting to the application under the prevention of crime and disorder licensing objective. A copy of their letter dated the 12<sup>th</sup> June 2020 is attached to this report at Appendix 3.

7. There are no representations from any of the remaining 'responsible authorities' to consider. Namely:

- Norfolk Fire Service;
- Norfolk Safeguarding Children's Board;
- Public Health;
- Community Safety & Neighbourhood Nuisance (BCKLWN);
- Planning (BCKLWN);
- Environmental Health (BCKLWN);
- Licensing Authority (BCKLWN);
- Home Office (Alcohol Licensing Team).

### **Representations from 'Other Persons'**

*As well as the responsible authorities, any other person can play a role in a number of licensing processes under the Act. This includes any individual, body or business that are entitled to make representations to applications. Representations made must relate to the licensing objectives.*

8. There are no representations from 'other persons' to consider.

## **Notices**

9. The applicant is responsible for advertising the application by way of a notice in a specified form at the premises for not less than 28 consecutive days and in a local newspaper on at least one occasion. The Public Notice appeared in the 'Lynn News' on Friday the 29<sup>th</sup> May 2020 and should have been displayed on the premises up to and including the 16<sup>th</sup> June 2020.

10. In accordance with the Licensing Act (Hearings) Regulations a notice of the application was also published on the Borough Council's website for the duration of the consultation period.

## **Borough Council of King's Lynn & West Norfolk's Licensing Policy**

11. The current Statement of Licensing Policy under the Act was approved by full Council on the 26<sup>th</sup> November 2015. The following extracts may be relevant to this application and assist the Sub-Committee:

### **3.0 Fundamental principles**

3.1 The 2003 Act requires that the Council carries out its various licensing functions so as to promote the following four licensing objectives:

- (a) the prevention of crime and disorder,
- (b) public safety,
- (c) the prevention of public nuisance, and
- (d) the protection of children from harm.

3.2 Nothing in this 'Statement of Policy' will:

- (a) undermine the right of any individual to apply under the terms of the 2003 Act for a variety of permissions and to have any such application considered on its own merits;
- (b) override the right of any person to make representations on an application.

3.3 Every application will be dealt with impartially and on its individual merits. The Borough Council will not refuse to grant or vary an application unless it has received a representation from a responsible authority, such as the police or an environmental health officer, or other person, such as a local resident or local business, which is a relevant representation.

3.4 Licensing is about regulating licensable activities on licensed premises and any conditions that are attached to premises licences or club premises certificates will be focused on matters which are within the control of the individual licensee or club, i.e. the premises and its vicinity.

### **17.0 Conditions**

17.1 The Borough Council will not impose conditions unless it has received a representation from a responsible authority, such as the police or an environmental health officer, or other persons, such as a local resident or local business, which is a relevant representation, or is offered in the

applicant's Operating Schedule. Any conditions will be proportional and appropriate to achieve the licensing objectives.

### **Guidance Issued Under Section 182 of the Licensing Act 2003**

*Under Section 4 of the Act, Licensing Authorities must have regard to guidance issued under Section 182. The current Guidance was issued by the Home Office in April 2017 and offers advice to Licensing authorities on the discharge of their functions under the Act.*

12. The following extracts may be relevant to this application and assist the Licensing Sub-Committee:

#### **Licensing Objectives and Aims**

- 1.2 The legislation provides a clear focus on the promotion of four statutory objectives which must be addressed when licensing functions are undertaken.
- 1.3 The licensing objectives are:
  - The prevention of crime and disorder;
  - Public safety;
  - The prevention of public nuisance; and
  - The protection of children from harm.
- 1.4 Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times.
- 1.5 However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work. They include:
  - Protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises;
  - Giving the police and licensing authorities the powers they need to effectively manage and police the night-time economy and take action against those premises that are causing problems;
  - Recognising the important role which pubs and other licensed premises play in our local communities by minimising the regulatory burden on business, encouraging innovation and supporting responsible premises;
  - Providing a regulatory framework for alcohol which reflects the needs of local communities and empowers local authorities to make and enforce decisions about the most appropriate licensing strategies for their local area; and
  - Encouraging greater community involvement in licensing decisions and giving local residents the opportunity to have their say regarding licensing decisions that may affect them.

#### **Licence Conditions – General Principles**

- 1.16 Conditions on a premises licence or club premises certificate are important in setting the parameters within which premises can lawfully operate. The use of wording such as “must”, “shall” and “will”, is encouraged. Licence conditions:
  - must be appropriate for the promotion of the licensing objectives;
  - must be precise and enforceable;

- must be unambiguous and clear in what they intend to achieve;
- should not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation;
- must be tailored to the individual type, location and characteristics of the premises and events concerned;
- should not be standardised and may be unlawful when it cannot be demonstrated that they are appropriate for the promotion of the licensing objectives in an individual case;
- should not replicate offences set out in the 2003 Act or other legislation;
- should be proportionate, justifiable and be capable of being met, (for example, whilst beer glasses may be available in toughened glass, wine glasses may not);
- cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behaviour of customers in the immediate vicinity of the premises or as they enter or leave; and
- should be written in a prescriptive format.

#### **Each application on its own merits**

- 1.17 Each application must be considered on its own merits and in accordance with the licensing authority's statement of licensing policy; for example, if the application falls within the scope of a cumulative impact policy. Conditions attached to licences and certificates must be tailored to the individual type, location and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises where there is no need for such conditions. Standardised conditions should be avoided and indeed may be unlawful where they cannot be shown to be appropriate for the promotion of the licensing objectives in an individual case.

#### **Where Representations Are Made**

- 9.3 Where a representation concerning the licensing objectives is made by a responsible authority about a proposed operating schedule and it is relevant, (see paragraphs 9.4 to 9.10 below) the licensing authority's discretion will be engaged. It will also be engaged if another person makes relevant representations to the licensing authority, which are also not frivolous or vexatious (see paragraphs 9.4 to 9.10 below). Relevant representations can be made in opposition to, or in support of, an application and can be made by any individual, body or business that has grounds to do so.

#### **Relevant, vexatious and frivolous representations**

- 9.4 A representation is "relevant" if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new

premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.

- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority's corporate complaints procedure. A person may also challenge the authority's decision by way of judicial review.
- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.
- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

### **The role of responsible authorities**

- 9.11 Responsible authorities under the 2003 Act are automatically notified of all new applications. While all responsible authorities may make representations regarding applications for licences and club premises certificates and full variation applications, it is the responsibility of each responsible authority to determine when they have appropriate grounds to do so.
- 9.12 Each responsible authority will be an expert in their respective field, and in some cases it is likely that a particular responsible authority will be the licensing authority's main source of advice in relation to a particular licensing objective. For example, the police have a key role in managing the night-time economy and should have good working relationships with those operating in their local area. The police should usually therefore be the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder licensing objective. However, any responsible authority under the 2003 Act may make representations with regard to any of the licensing objectives if they have evidence to support such representations. Licensing authorities must therefore consider all relevant representations from responsible authorities carefully, even where the reason for a particular responsible authority's interest or expertise in the promotion of a particular objective may not be immediately apparent. However, it remains incumbent on all responsible authorities to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.

### **Hearings**

- 9.33 Regulations made under the 2003 Act require that representations must be withdrawn 24 hours before the first day of any hearing. If they are withdrawn after this time, the hearing must proceed and the representations may be withdrawn orally at that hearing. However, where discussions between an applicant and those making representations are taking place and it is likely that all parties are on the point of reaching agreement, the licensing authority may wish to use the power given within the hearings regulations to extend time limits, if it considers this to be in the public interest.
- 9.37 As a matter of practice, licensing authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation.
- 9.38 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:
- the steps that are appropriate to promote the licensing objectives;

- the representations (including supporting information) presented by all the parties;
- this Guidance;
- its own statement of licensing policy.

9.39 The licensing authority should give its decision within five working days of the conclusion of the hearing (or immediately in certain specified cases) and provide reasons to support it. This will be important if there is an appeal by any of the parties. Notification of a decision must be accompanied by information on the right of the party to appeal. After considering all the relevant issues, the licensing authority may grant the application subject to such conditions that are consistent with the operating schedule. Any conditions imposed must be appropriate for the promotion of the licensing objectives; there is no power for the licensing authority to attach a condition that is merely aspirational. For example, conditions may not be attached which relate solely to the health of customers rather than their direct physical safety. Any conditions added to the licence must be those imposed at the hearing or those agreed when a hearing has not been necessary.

9.40 Alternatively, the licensing authority may refuse the application on the grounds that this is appropriate for the promotion of the licensing objectives. It may also refuse to specify a designated premises supervisor and/or only allow certain requested licensable activities. In the interests of transparency, the licensing authority should publish hearings procedures in full on its website to ensure that those involved have the most current information.

#### **Determining Actions that are Appropriate for the Promotion of the Licensing Objectives**

9.42 Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis. They should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be.

9.43 The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

9.44 Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. While this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder (such as the financial burden due to restrictions on licensable activities) as well as the potential benefit in terms of the promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to

consideration of the promotion of the objectives and nothing outside those parameters. As with the consideration of licence variations, the licensing authority should consider wider issues such as other conditions already in place to mitigate potential negative impact on the promotion of the licensing objectives and the track record of the business. Further advice on determining what is appropriate when imposing conditions on a licence or certificate is provided in Chapter 10. The licensing authority is expected to come to its determination based on an assessment of the evidence on both the risks and benefits either for or against making the determination

#### **Proposed conditions**

- 10.4 The conditions that are appropriate for the promotion of the licensing objectives should emerge initially from the risk assessment carried out by a prospective licence or certificate holder, which they should carry out before making their application for a premises licence or club premises certificate. This would be translated into the steps recorded in the operating schedule or club operating schedule, which must also set out the proposed hours during which licensable activities will be conducted and any other hours during which the premises will be open to the public.
- 10.5 It is not acceptable for licensing authorities to simply replicate the wording from an applicant's operating schedule. A condition should be interpreted in accordance with the applicant's intention.

#### **Imposed Conditions**

- 10.8 The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.
- 10.9 It is possible that, in certain cases, where there are other legislative provisions which are relevant and must be observed by the applicant, no additional conditions are appropriate to promote the licensing objectives.

#### **Proportionality**

- 10.10 The 2003 Act requires that licensing conditions should be tailored to the size, type, location and characteristics and activities taking place at the premises concerned. Conditions should be determined on a case by case basis and standardised conditions which ignore these individual aspects should be avoided. Licensing authorities and other responsible authorities should be alive to the indirect costs that can arise because of conditions. These could be a deterrent to holding events that are valuable to the community or for the funding of good and important causes. Licensing authorities should therefore ensure that any conditions they impose are only those which are appropriate for the promotion of the licensing objectives.

### **The need for licensed premises**

- 14.19 There can be confusion about the difference between the “need” for premises and the “cumulative impact” of premises on the licensing objectives, for example, on crime and disorder. “Need” concerns the commercial demand for another pub or restaurant or hotel and is a matter for the planning authority and for the market. This is not a matter for a licensing authority in discharging its licensing functions or for its statement of licensing policy.

### **Determination**

13. Having regard to the representations received, the Licensing Sub-Committee are requested to consider the application, this report and take such steps as it considers appropriate for the promotion of the licensing objectives. These steps are:

- a) To grant the application under the terms and conditions applied;
- b) To grant the application with conditions that the Sub-Committee considers appropriate for the promotion of the licensing objectives;
- c) To reject all or part of the application.

14. The Sub-Committee are reminded that full reasons for their decision must be given as both the applicant and persons making representations have a right of appeal against that decision to the Magistrates’ Court.

The storage and supply of smuggled tobacco products is a specific offence under S144 Licensing Act 2003. Police object to the issue of this premises licence on this basis.

12 June 2020

Dear Sir or Madam,

**Application for an Alcohol Licence for “Vilnius” 119 London Road, Kings Lynn**

This letter is to object to the granting of an Alcohol Licence for the premises.

We have concerns that the Licensing Objectives will not be met regarding the potential supply of Illegal Tobacco Products.

Illegal Tobacco Products are not intended for the United Kingdom market. They can be counterfeit or may not have the required written and pictorial warnings/be in the correct standardised packaging or may not have the self-extinguishing fire safety feature. There have been a number deaths from fires caused by an illegal cigarette failing to self-extinguish. We have had many seizures of illegal tobacco in Norfolk and tests on self-extinguishing have resulted in a 100% failure rate.

We are aware that in many cases retail outlets such as the one at 119 London Road are controlled by individual(s) who remain well in the back ground and put in place other persons to manage the supply of illegal tobacco from the shop.

It is our concern that the applicant is the next one in line in this process.

Yours sincerely

Shaun Norris  
Intelligence and Enforcement Support Manager
