BOROUGH COUNCIL OF KING'S LYNN & WEST NORFOLK LOCAL AUTHORITY
ADDITIONAL RESTRICTIONS GRANT - DISCRETIONARY GRANT POLICY PHASE 2

January 2021

1. GUIDANCE SUMMARY

On 31 October 2020 the government announced it intended to support Local Authorities to administer the Additional Restrictions Grant (ARG) to support businesses in their local economies and to provide additional support to grant funding under the Local Restrictions Support Grant, allowing local authorities to develop policies to pay discretionary grants to local businesses affected by Covid-19.

This policy is a continuation of the existing Additional Restrictions Grant Phase 1 policy, and allows grants to be paid to qualifying businesses from 2 December 2020 onwards when Tier 2, Tier 3, Tier 4 or National Lockdown restrictions apply.

2. GENERAL ELIGIBILITY

Any business or trader wishing to claim the grant must pass the council's initial eligibility checks:

- They were trading on the day before the start date of the relevant restrictions from the premises they are claiming the grant for,
- They are not already closed for a reason other than the Covid restrictions
- They were not in administration, insolvent or subject to a striking off notice either on, or since, the day before the start date of the relevant restrictions
- They are operating or trading within the boundaries of the Borough Council's area ,
- They have fixed, ongoing, property related costs such as rent or a mortgage
- They can demonstrate they have suffered a significant fall in income due to the Covid-19 crisis which has impacted their business,
- Where a business is part of a national multiple or chain, the applicant must be able to prove that the local branch is a franchise and is not in receipt of financial support from the national business.

Any business or trader failing to meet the criteria above is not eligible to claim this Discretionary Grant. Only one grant is payable per business / trader per restriction period. under this policy

Exclusions:

Businesses that have already received grant payments that equal the maximum levels of State Aid permitted under the de minimis and the Covid-19 Temporary State Aid Framework. All applicants will be required to complete a State Aid Declaration.

The grants cannot be claimed as a replacement for, or to supplement, the Self-Employed Income Support Scheme (SEISS) or the Job Retention Scheme (JRS).

3. NATIONAL AND TIER RESTRICTIONS: GRANT AMOUNTS AND ELIGIBLE BUSINESSES

Timeframe:

These Phase 2 grants are intended to assist businesses with financial hardship caused by the national lockdown and tier restriction periods from 2 December 2020. Businesses must demonstrate that the restrictions have caused a loss of income and adversely affected their business.

Exclusions:

Under the Phase 2 Policy, businesses who qualify for the Local Restrictions Support Grant for a restriction period cannot also claim a grant for the same period.

Businesses which had already ceased trading at the time the relevant restrictions came into force are not eligible to claim a grant. Businesses which remain open despite being mandated to close will not be eligible for a grant.

Grant Amount

The grant will be payable for each period of restrictions and will be based on the same rateable value (RV) limits and amounts as the relevant Local Restrictions Support Grant for the restriction period. Different grant amounts are payable for different restriction periods, as follows:

	National Lockdown 2	Tier 2	Tier 4	National Lockdown 3
Period covered	05/11/2020 - 01/12/2020	02/12/2020 - 25/12/2020	26/12/2020 - 04/01/2021	05/01/2021 - 15/02/2021
Days	27	24	10	42
RV Up to and including £15,000	£1,334	£800.57	£476.43	£2,001
RV Between £15,001 and £50,999	£2,000	£1,200.00	£714.29	£3,000
RV £51,000 and over	£3,000	£1,800.00	£1,071.43	£4,500
No RV: Self-employed / Sole Trader	£1,000	£600.00	£357.14	£1,500

If the business does not have a rateable value the council will make a reasonable estimate of a rateable value based on the size of the business and its fixed property costs. 'Fixed property costs' means the rent or mortgage due on the distinct premises the business is occupying.

Eligible Businesses

The eligibility criteria remain the same as those in Section 3 of the Additional Restrictions Discretionary Grant Phase 1 Policy.

4. APPLICATIONS

Businesses must initially complete the online application form available on the council's website to claim their first Discretionary Grant. They must also supply all the evidence requested to support their application in a timely manner. We may ask for more information if necessary to validate an application, prevent and detect fraud. We may refuse to pay a grant if the information we require is not supplied.

Ongoing grants will be paid without the need for a further application form wherever possible.

5. GRANT PAYMENTS

Grant payments will only be made by bank transfer to a validated bank account. Payments will not be made unless a bank statement is provided as evidence of sort code, account number and account name.

Payment of the grant under this policy is entirely at the discretion of the borough council, and we reserve the right to refuse, pay or query any application or grant. There is no right of appeal against our decision to pay, or not to pay, a grant.

6. STATE AID AND TAX

The Discretionary Grant is classed as taxable income for those receiving it. The Discretionary Grant is also classed as State Aid as follows:

- A grant is provided under the EU law on State Aid under De Minimis rules and those claiming the grant must declare that they have not received more than €200,000 of De Minimis aid within this financial year of the past two years
- A grant is paid under the Covid-19 temporary framework for UK Local Authorities and those claiming the grant must declare that, including this grant, they have received no more than €800,000 of state aid under this framework.

Businesses must take their own advice regarding their obligations under State Aid.

7. FRAUD AND MISREPRESENTATION

We will not accept fraudulent applications for the grant and will carry out checks to ensure all applications for grant payments are accurate. We may refuse to pay a grant if we suspect an application is fraudulent for any reason.

We will check information at the time of application, and may also carry out spot checks at a later date, including asking for further evidence and verifying information on Companies House.

We will recover any grants found to have been claimed fraudulently. We will also share the information about applications and grant payments with other bodies as requested and allowed by law, including Her Majesty's Revenue and Customs, the Ministry of Housing, Communities and Local Government, the Department for Business, Energy and Industrial Strategy and any other government departments as required.
