

Appendix D – Age Debt Analysis – Period 7

Data for performance reporting continues to be developed in conjunction with a review of the corporate policy on debt recovery.

The table below shows the level of overdue debt for each age category between period 6 and 7.

Debt recovery activity is under heightened review to ensure resources are focussed on reducing debt levels and further comparators for debt recovery action will be added to future Monitoring Reports.

In relation to Housing benefits overpayment recovery the target as of 30 September 2022 is £144,000 and £152,305 has been raised in invoices. See table below showing monthly against budget for 2022/23.
