Community Infrastructure Levy (CIL)

Annual List of Infrastructure Projects 2024

Following the deletion of CIL Regulation 123 in September 2019, each Collection Authority must produce an Annual Infrastructure Funding Statement.

The infrastructure funding statement will be produced and published no later than the 31 December annually and will provide details of CIL receipts, expenditure, allocations and payments.

To support the Annual Infrastructure Statement, the Borough Council of King's Lynn and West Norfolk have produced a list of criteria for which CIL may be used for in 2024.

Green Infrastructure Projects

- Projects relating to public open spaces such as new or improved footpaths and cycleways to support new development
- Installation & improvement of public play areas and equipment
- Open spaces used for education, to support environmental initiatives.
- Improvement of habitats for wildlife and nature, to alleviate the effects of new development.
- Environmental services such as flood defence or absorption of air pollution.

Leisure Time Activities Infrastructure -

- Infrastructure projects, to support accessible leisure time activities such as new facilities, improvement of existing facilities or upgrade of facilities to enable an increase of usage, to support new development of an area

This list will be continually reviewed, to meet the changing needs and aspirations of the Borough to support future infrastructure.
